Discussions on zoning change for Squire Road to continue

By Cary Shuman

A tie goes to the runner in baseball, but a tie vote by a Council subcommittee was not all that advantageous for the Enterprise Rent-A-Car Company of Boston who is hoping to open a rental-car business

on Squire Road at the former site of the Verizon store.

However, the 3-3 vote by the Council's Zoning Subcommittee — which despite the deadlock, is considered "not a favorable recommendation"— doesn't preclude the mat-

ter from advancing to the full Council for a vote.

In fact, Council President Gerry Visconti expects the matter, which was tabled at the last meeting, to make its way to the full Council, possi-

Panthers Elite Football and Cheer is soaring to new heights in Revere

By Cary Shuman

Dan Occena began his college football career at Division 1 Syracuse University where he had received a partial scholarship. He injured his knee in his freshman year and transferred to Alfred University where he played the next three seasons.

The 39-year-old attorney and Revere Licensing Commissioner is back into the game in a big way as the president of the Revere Panthers Elite youth football and cheerleading

organization whose home field is Harry Della Russo Stadium.

Beginning its third year and second season (one season was canceled due to the pandemic), the Panthers Elite organization has 165 football players and 85 cheerleaders in the 8-to-14 age bracket. Most of the athletes are from Revere and West Lynn, with other participants coming from Chelsea, Everett, Peabody, East Boston, and other nearby communities.

The Panthers compete in New England Youth Tackle Football (NEYTF) during a season which runs from March to June. Teams play six regular season games followed by a single-elimination play-off tournament.

"We're an organization that is trying to change the landscape of youth football," said Occena. "By putting on a pep rally, having a mascot, having Phunk Phenomenon perform at our games — we believe that by investing in our youth sports, fam-

ilies and members of the community will come out and enjoy it, just like it's a Friday night high school football game. It just takes one person with a vision." Former Revere Pop Warner president Patrick Keefe enthusiastically welcomed Panthers Elite

to the local youth sports community.

"Anytime we can engage with our youth and create positive space for them to exercise their bodies and minds, I'm all for

Visconti expects busy agendas at upcoming Council meetings

By Cary Shuman

One week after making what is now being called his "decorum declaration" Revere Council President Gerry Visconti is expecting busy Council agendas right though the fiscal year 2023 budget planning season.

Visconti began the last meeting by asking his colleagues to be more professional and congenial in their discussions about councillors' proposals.

"I thought the last meeting went a little smoother," said Visconti. "But you never know how it's all going to all pan out. You would hope that all of our councillors will be respectful and courteous,

and I think they will be."

Visconti said his intuition leads him to be believe the April 25 meeting will have plenty of motions.

"I have a feeling that our next meeting will be busy — usually at the end of the month they are, and with everything that's going on, I think there'll be a busy agenda. Plus, with the city budget season underway, we'll be having several public meetings with residents throughout the process," said Visconti.

Visconti said the Council will continue with twice-monthly meetings in May and June before going to single sessions during July and August.

Revere Commission on Disabilities holds monthly meeting

By Journal Staff

The Revere Commission on Disabilities held its regular monthly meeting last Tuesday evening, April 12.

Chairperson Ralph DeCicco, vice-chair Pauline Perno, and members Mario Grimanis, Jason Barone, Asmaa Aa-

bou-Fouda, and Robert Brown were on hand for the meeting that was held via Zoom.

After the approval of the minutes from the March meeting (which was the first item on the agenda), the commissioners took up the following agenda items.

Updates/Next Steps from March Meeting:

Perno presented an update regarding the possibility of a pet food pantry for Disabled and Senior Residents in need of this assistance for their pets to be sponsored by Sandy's 4PAWS Care and the First Congregational Church.

She said that donations of any kind relating to pets presently are being accepted at Sandy's.

"We're hoping this will take off," said Perno, who noted that some Revere residents are facing the prospect of being forced to give up their pets because they cannot afford to keep

them. "We're looking to get this started as soon as possible so we can get this up and running and establish a baseline,"

In another matter, Perno said she has looked into the issue of therapy dogs being allowed into the schools. She said that other school districts have

had a very positive response to therapy dogs being utilized in their school systems.

However, she said, "Finding therapy dogs is the tough part. I don't want to set up something and have it backfire in the end."

UNEMPLOYMENT & JOB ESTIMATES FOR MARCH

The state's March total unemployment rate dropped by four-tenths of a percentage point at 4.3 percent over the month, the Executive Office of Labor and Workforce Development announced Friday.

The Bureau of Labor Statistics' preliminary job

estimates indicate Massachusetts gained 21,000 jobs in March. This follows last month's revised gain of 22,300 jobs. The largest over the month private sector job gains were in Professional, Scientific, and Business Services, Education and Health Services, and Leisure and Hospitality. Employment now stands at 3,651,100. Since the employment trough in April 2020, Massachusetts gained 600,100 jobs.

From March 2021 to March 2022, BLS estimates Massachusetts gained 186,400 jobs. The largest over the year gains occurred in Leisure and Hospitality; Professional, Scientific, and Business Services; and Education and Health Services. Financial Activities was the only sector to see job losses.

The March unemployment rate of 4.3 percent was 0.7 percentage point above the national rate reported by the Bureau of Labor Statistics.

The labor force grew by an estimated 2,700 from 3,772,500 in February, as 18,000 more residents were employed, and 15,300 fewer residents were unemployed over the month.

Over the year, the state's seasonally adjusted unemployment rate was down by 2.1 percentage points.

The state's labor force participation rate – the total number of residents 16 or older who worked or were unemployed and actively sought work in the last four weeks – was up one-tenth of a percentage point at 66.0 percent over the month. Compared to March 2021, the labor force participation rate was up 0.8 percentage point.

March 2022 Employment Overview

- Professional and Business Services gained 7,200 (+1.2%) jobs over the month. Over the year, 33,300 (+5.6%) jobs were added.

- Education and Health Services gained 6,900 (+0.9%) jobs over the month. Over the year, 30,400 (+3.9%) jobs were added.

- Leisure and Hospitality gained 3,900 (+1.2%) jobs over the month. Over

Crews began the process of replacing the pavement at the Revere History Museum and Sonny Myers Park parking lot last Tuesday, April 12. Completion is scheduled for Friday, April 29.

the year, 69,400 (+25.5%) jobs were added.

- Trade, Transportation and Utilities gained 2,000 (+0.4%) over the month. Over the year, 16,400 (+3.0%) jobs were added.

- Information gained 900 (+0.9%) jobs over the month. Over the year, 4,900 (+5.4%) jobs were added.

- Government gained 800 (+0.2%) jobs over the month. Over the year, 11,900 (+2.8%) jobs were added.

- Manufacturing gained 600 (+0.3%) jobs over the month. Over the year, 6,600 (+2.9%) jobs were added.

- Construction gained 100 (+0.1%) jobs over the month. Over the year, 8,700 (+5.3%) jobs were added.

- Financial Activities lost 100 jobs (-0.0%) over the month. Over the year, 4,200 (-1.9%) jobs were lost.

- Other Services lost 1,200 (-0.9%) jobs over the month. Over the year, 9,000 (+7.6%) jobs were added.

Labor Force Overview

The March estimates show 3,614,700 Massachusetts residents were employed and 160,600 were unemployed, for a total labor force of 3,775,300. The unemployment rate was down 0.4 percentage point at 4.3 percent from the February rate of 4.7 percent. Over the month, the March labor force was up by 2,700 from 3,772,500 in Feb-

ruary, with 18,000 more residents employed and 15,300 fewer residents unemployed. The labor force participation rate, the share of working age population employed and unemployed, increased by 0.1 percentage point at 66.0 percent. The labor force was up 39,900 from the March 2021 estimate of 3,735,400, as 118,000 more residents were employed, and 78,100 fewer residents were unemployed.

The unemployment rate is based on a monthly sample of households. The job estimates are derived from a monthly sample survey of employers. As a result, the two statistics may exhibit different monthly trends.

MVES SEEKS VOLUNTEERS FOR A VARIETY OF SERVICES

Mystic Valley Elder Services (MVES) is seeking volunteers who have a passion for giving back to the community, and the skills, knowledge and temperament (empathy, compassion and patience) to volunteer in their program of choice. MVES volunteers donate their time to perform a variety of tasks such as serving nutritious meals to elders at local meal sites, participating in our Social Engagement program, acting as money management and SHINE counselors, and leading our Healthy Aging programs. Volunteers are essential to the

success of MVES, helping older adults and adults with disabilities live independently.

National Volunteer Week—April 17-23, 2022—celebrates the impact volunteers have on our lives and encourages active volunteerism in generations to come. During this week, and all year long, we salute our volunteers for their unwavering services to our agency and communities and hold aloft their examples to inspire everyone towards volunteerism.

National Volunteer Week is an opportunity to recognize the impact of volunteer service and the power of volunteers to tackle society's greatest challenges, to build stronger communities and be a force that transforms the world. Each year, we shine a light on the people and causes that inspire us to serve, recognizing and thanking volunteers who lend their time, talent and voice to make a difference in their communities.

For more information on current volunteer opportunities in Chelsea, Everett, Malden, Medford, Melrose, North Reading, Reading, Revere, Stoneham, Wakefield and Winthrop through MVES, please call Volunteer Engagement Manager, Nicole Sanders O'Toole, at 781-388-2375 or visit www.mves.org/volunteer-programs-opportunities.

NSC SEEKING INPUT FROM RESIDENTS FOR USE OF FUNDS

Mayor Carlo DeMaria is pleased to announce that the North Suburban Consortium (NSC), which consists of cities that have collectively agreed to sign a cooperative agreement to gain access to the U.S. Department of Housing & Urban Development Program funds, are in the process of surveying residents to determine the best use of their \$6.2 million allocation of their American Rescue Plan Act funds. These funds must be used

to provide homelessness assistance and supportive services to qualifying populations in Arlington, Chelsea, Everett, Malden, Medford, Melrose, Revere, and Winthrop.

The NSC's survey is seeking input from a variety of individuals ranging from residents to those who work in the community on how to spend these funds to address our communities' needs. The survey can be found here: <https://malden.abalancingact.com/malden>.

While the funds must address homelessness, they may be distributed into the following categories: Affordable Rental Housing Development (which includes rehabilitation of existing units and creation of new units), Non-Profit Assistance (including non-profit operating and non-profit capacity building), Supportive Services (including substance abuse treatment services, mental health services, life skill training, child care, housing search and counseling services, outreach services, case management, landlord/tenant liaison, financial assistance, employment assistance and job training, credit repair, education services, legal services, and food security), Non-Congregate Shelters, and Tenant-Based Rental Assistance.

Improvements Favored For Broadway-Parkway Overpass

Expenditure of \$7500 Allowed M. D. C. By Legislature For Additions

Improvements will be made at the Parkway overpass as a result of the passage of a bill providing for certain improvements to the areas adjoining the overpass for vehicular traffic at the junction of the Revere Beach Parkway and Broadway, the Committee on Ways and Means having reported the bill favorably on Tuesday.

The House bill as reported, is numbered 1393 and reads as follows:

Section 1. The Metropolitan District Commission is hereby authorized and directed to improve the areas adjoining the overpass for vehicular traffic at the junction of the Revere Beach Parkway and Broadway in the City of Revere by such lighting, grading, loaming, seeding and planting as it may deem necessary or desirable. For said purposes, said commission may expend not exceeding \$7500 out of the appropriation made by item six hundred and twenty-two of the general appropriation act of the current year.

Section 2. This act shall take effect upon its passage.

The bill as originally reported did not stipulate anything in reference to lighting, but this was inserted as an amendment by Representative Thomas F. Carroll, who also put through an amendment increasing the allowance from \$6000 to \$7500.

Various bills looking to improvements on the overpass had been filed by Representatives Carroll and Augustine Airola, and Senator Frank D. Crowley, and parts of these were reported out on House bill 1393.

BANDIT DUO GETS \$53 IN GAS FILLING STATION ROBBERY

William Horner, 30, of 26 Prescott avenue, Chelsea, was the victim of two bold gunmen Wednesday night when he was forced into a washroom of a gasoline filling station at Broadway and the International highway, this city, while the marauders robbed the till of \$53.

The bandits entered the station at 10:45, while Horner was working at a desk. Leveling guns at the attendant they ordered him to "Back up and give us all your money."

He was forced into the back room and the robbers took his keys from him, opened a strongbox and took the \$53 in bills, with some odd change. A car was parked conveniently outside and while one man covered Horner the other dashed for the car. When he was settled at the wheel his companion leaped for the vehicle and both made their escape.

The bandit car swung madly out of the driveway onto Broadway and towards City Hall. The victim immediately notified the Revere police by telephone but in his excitement led Captain William E. Tappan to believe that the gasoline station was located at 351 Broadway, whereas that is the company number of the service station.

Because of this mistake the police spent much valuable time in locating the scene of the robbery. Sergeant Dominic Church and Patrolman John J. Delaney being obliged to call at every gasoline station

REPUBLICAN CLUB FOUNDER IS DEAD, FLAGS HALF MAST

All municipal flags in this city were at half-staff for William A. Clark, 59, of 36 School street, former dealer of weights and measures in Revere, and a milk inspector, who died at his home Wednesday after an illness of several years. Mr. Clark suffered a shock Sunday and remained in a semi-coma until his death.

For the past forty-five years Mr. Clark made his home in this city and he was particularly well-known in the Beachmont section. He was one of the leading figures in town politics of yesteryear, and was one of the founders of the old Revere Republican Club.

His fraternal affiliations included membership in the Seaview Lodge of Masons, the Ancient Order of United Workmen and the Republican City Club.

He is survived by his wife, Mrs. Blanche G. Clark and two sons, William H. Clark of Winthrop and Wallace G. Clark of Revere, and one grandson.

Funeral services will be held tomorrow afternoon with full Masonic rites. The Rev. Arthur W. Swift, pastor of the First Baptist Church, will officiate. Interment will be in the Winthrop cemetery.

AVIATRIX TO RUN MULLER AIRPORT; WELL KNOWN HERE

Revere will have the only airport west of the Mississippi under the direction of a woman now that the Muller field airport is taken over by Mrs. Dolly Bernson, of Chelsea.

The Chelsea aviatrix is well-known in Boston flying circles and also at the local flying field. She will have as her chief pilot Al "Shorty" Leckelsch, former Bowling mail pilot, flying the mails from Omaha to Chicago. For the past two years "Shorty" has been chief pilot of the Portsmouth municipal airport.

Mrs. Bernson's sports plane, noted for speed, has been entered in four different air events for the coming season by her chief pilot.

We Must Carry On

During these most difficult times, the Revere Visiting Nurse Association has performed a much needed service. It has gone into the homes requiring attention and rendered every available assistance so that those in trouble have been helped materially. This work could not have been performed without the co-operation of citizens who have placed funds at the disposal of the Revere Visiting Nurse Association with which to carry on. From both observation and figures it can be seen that this organization has made a dollar go further than any other agency. Lack of work and much sickness are still with us and the Revere Visiting Nurse Association can not continue unless we rally to its support and do our bit to help those who are in need.

The annual drive for funds for the Revere Visiting Nurse Association starts May 15th. Let us each resolve to help the Association to carry on its good work by giving our share towards this worth-while charitable cause.

MEN'S CLUB MEET HUGE SUCCESS; 140 WANT COMMISSION

Nearly 300 representative tax payers and voters of this city attended the open meeting of the Revere Men's Club at the High School auditorium Monday night, when Frank B. Sawyer, member of the Fall River Finance Board and a member of the advisory committee of the State Board of Education, addressed the gathering on the functions of a commission. At the close of the meeting a vote was taken which showed 140 in favor of a commission here, 40 opposed, and about 125 not voting.

The meeting was called as a result of the discussion current throughout the city following the request of Mayor Andrew A. Casassa for a Finance Board to function here.

Sawyer was introduced by Frank P. Morse, president of the Men's club who asked that no discussions be entered into with the speaker, who, he stated, was pinch-hitting for Mr. Ray W. Bowdoin. The principal speaker of the evening opened his talk with a reference to the depression, stating that everyone, no matter what his position in life, is feeling the effects of the business let-down.

He then went into the conditions at Fall River, and the methods employed by the commission to bring about decreased expenditures. He told of reductions in the police department, substituting street men with radio-equipped automobiles which covered the various routes effectively at a saving.

The school system was then gone into and the speaker told of the various savings made in this department by cutting down on the number of classrooms, re-routing the students and consolidating classes. Reductions in expenditures were effected.

LOCAL COPS GIVE TESTIMONY ANENT CHELSEA ROBBERY

Throngings of local people have jammed Judge Raoul H. Beaudreau's session of the superior criminal court during the week to listen to the evidence offered by local officers and employees of the Harold Shoe Company, Chelsea, in connection with the trial of six alleged robbers for the pilfering of the shoe company payroll on February 18, this year.

The defendants are William Gillar, James Downey, Anthony Della Russo, Armando De Angelis, Earl "Tug" Wilson and Charles Rizzo. The case has been before the court since Tuesday, with a jury listening to the evidence, and Assistant District Attorney F. T. Doyle prosecuting.

The feature of yesterday's hearing was the testimony of J. Harry Gearraughty, of the local police force, the real hero of the thrilling capture of the alleged holdup men in a Stark avenue house.

Gearraughty, on questioning of the prosecuting officers, told of the part he played in the capture. He stated that he was patrolling the Chelsea-Revere line in a police car and was armed with a shotgun within a short time after the payroll robbery. News of the holdup had reached him over the teletype while he was on reserve duty in Revere police headquarters.

He found the getaway car on Washington street, he said, where it had been abandoned after a crash, and he then went to a speakeasy on Stark avenue, accompanied by Everett and Revere officers.

Squinting through a keyhole into one of the rooms, he testified, he saw Wilson and others seated around a table on which was piled a large sum of money. He crashed the door and entered the room, the shotgun leveled at the group around the

Atty. Riceman Tells Council Licensing Board Is Illegal

The beer controversy which has raged in this city for weeks again held the limelight at the regular Monday night meeting of the City Council, with Attorney Joseph Riceman, of this city and Boston, appearing before the councillors and charging them with the right to issue all types of licenses now being issued by the licensing commission. The Revere license commission does not legally exist, the attorney said, because it has not been appointed in conformity with the statutes.

Attorney Riceman appeared before the council when committee on legal affairs reported an order authorizing the granting of a beer permit to Madeline Cavanaugh, Ocean avenue, for a fee of \$100, which is \$200 below the fee now charged by the licensing commission.

The attorney quoted sections of the new State regulations governing the issuance of beer licenses and pointed out sections which indicated that aldermen, or city councils, were the licensing power in communities where no license commission functioned.

The license board in this city, the attorney stated, is constituted illegally. Instead of the three-man license board authorized under the city charter, the local board is composed of five men. "Now, who are the legal members of the board, and who are the illegal members?" Riceman asked. "No one knows," he continued, "and no one can learn."

ROUGHAN'S POINT ROCK BATTLE NOW IN EQUITY COURT

Mayor Andrew A. Casassa, through City Solicitor Wendell P. Murry, has filed a demurrer to the restraining order secured by Attorney Frederick Reinsteint last Monday preventing interference with the removal of sand and stones from the Roughan's Point district. A hearing on the demurrer has been set for next Monday, May 8.

The restraining order was handed down by Judge W. Qua in the Superior Equity Court following the appearance of the local councilman as counsel for John H. Laughlin and Charles Curran, owners of property on the point. Some weeks ago the Mayor stopped the removal of stones from the Roughan's Point section by a contractor who was using them to complete a State road contract.

The provisions of an old law were quoted by Mayor Casassa at the time as basis for his action.

In the petition for a restraining order filed by Attorney Reinsteint, it was alleged that the stones which were being removed were over 100 feet from the mean low water mark and on property, whereas the old regulation invoked referred only to the "beach."

Residents of the section were not averse to having the contractors remove the rocks. It was said, as the high seas of a few months ago had washed boulders and stones about the various cottages to such an extent that in some cases entry to the buildings were blocked.

Car Registered To Harry Roth Alleged To Have Been In Vicinity

Harry Roth, former resident of this city, is being sought for questioning in connection with the Cape Cod kidnapping of 10-year-old Margaret McMath, by police officials who have traced his car to the vicinity of Harwich, the abduction scene.

According to information obtained by State officials, the Attleboro authorities stopped a 16-cylinder Cadillac car, driven by a negro chauffeur and containing two white men, on Thursday or Friday.

The vehicle was a sport-model sedan with yellow wheels. It bore New York registration plates to a Harry Roth. The chauffeur said he was James Neuson of 230 W. 60th street, New York, and one of the white men said he was M. L. Wells, 1694 Broadway, New York. The occupants asked how to get to Commonwealth avenue, Boston.

The kidnap car had yellow wheels. On Tuesday, in Cambridge, such a car, driven by a negro and containing two white men, was reported by a Somerville woman from whom the occupants asked the way to Commonwealth avenue, Boston.

Captain Bligh of the State police said he had asked that the car be stopped if seen and that he had asked New York for a picture of the chauffeur, Neuson, which will be sent to Harwich for possible identification.

A picture of Roth has also been sent to Attleboro to determine whether this man was in the car seen there.

Roth served time in 1926 for rum running after being caught with a load of liquor in Middlesex county. He ran his car into the Cambridge patrol parked across Memorial Drive at the time in an effort to head him off.

PORAZZO GOES TO TRIAL FOR NORTH REVERE SHOOTING

Nicholas Porazzo, of the North End, Boston, pleaded not guilty to the slaying of "Big Mike" Richardi, in a Revere night club on New Year's Day, when arraigned yesterday before Judge Cox in Suffolk Superior Court to answer to an indictment charging him with the killing.

Attorney Joseph Walsh, counsel for Porazzo, explained to the court that Porazzo was without funds to employ counsel and he was appointed by the court to conduct the defense.

Porazzo is one of two named in secret indictments last week by the Suffolk County Grand Jury, which returned no bill on Henry Ford, who was also alleged to be implicated in the North Revere crime.

With the appointment of counsel the actual taking of testimony in the Porazzo case will get underway today.

Local Building Inspector At Meeting; Proposes New Rules

Building Inspector Charles H. Bates of 129 Bradstreet avenue, attended the annual meeting of the New England Officials conference held at the Hotel Statler last week.

Mr. Bates took an active part in all the proceedings and urged the adoption of several proposed building regulations.

How Many Times Have You Felt Like Doing It?

Wrong numbers, which so often lrk users of the telephone, drove one telephonist slightly berserk Wednesday evening and resulted in the smashing of a slot-telephone at the Beach street garage.

The man who wanted a certain number drove up to the garage in a taxi. He went to the phone, inserted his nickel and asked for his number. After many attempts he still had not reached his party, and picking up a hammer which rested close by he hammered the telephone unmercifully. When his ire was appeased he walked out to his cab, leaving behind a mess of tangled wire, magnets, and broken telephone.

Police and officials of the New England Telephone Company would like to learn his identity. If they do it will cost him more than a nickel for the call he couldn't make.

SCHOOL TEACHER, AFTER 30 YEARS' SERVICE, RETIRES

Revere High School this week loses one of the outstanding members of its faculty, Miss Clara R. Dean, who is retiring from service as head of the English Department of the high school.

Miss Dean is a native of Northampton, Mass., where she gained her early grammar and high school education. After entering the teaching field she taught in the Winthrop avenue grammar school, and then was advanced to the Senior High School as a teacher.

Since becoming head of the English department, Miss Dean has organized the work, which affects each student in the Junior and Senior High schools, in accordance with the most advanced methods of Grade A high schools in our state.

Miss Dean, who has given thirty years in the teaching ranks of the city, leaves a most regretful group of fellow faculty members and loyal students as she looks forward to the greater freedom of a well-earned rest and travel, taking with her the best wishes of all for happiness and success in future years.

On Friday the pupils of the senior class presented the retiring department head with a tribute of flowers and gifts. The Revere High School Teachers' Club tendered her a farewell luncheon at Circle Inn, Point of Pines, this afternoon, and presented her with a gift expressing their sentiments of regret at losing a fellow member.

FALL PREVENTION CLASS AT ROSSETTI-COWAN SENIOR CENTER

By Marianne Salza

Fall Prevention Specialist Sharon Fillyaw holds three exercise programs a week at The Rosetti-Cowan Senior Center; and

her April 13 Fall Prevention Class was especially memorable because Mayor Brian Arrigo joined the lesson.

"Falls account for about one third of hospitaliza-

tions over the age of 65," said Fillyaw, a former pro-fessional body builder. "The fountain of youth is strength (and a little Bo-tox)."

Fillyaw has instructed the program for eight years throughout New England, with one of her students being a 103-year-old man. Fall Prevention Class techniques include hip flexion, rotator cuff, and adductor complex exercises, as well as speed drills to improve balance.

"If you ever fall, take a breath. Let your brain and heart reset respiration, heart rate, and blood pressure," explained Fillyaw. "Breathing helps your blood vessels relax. As we get older, our ability to regulate becomes longer."

EARTH DAY REPORT, 2022: THE PLANET IS DOOMED

We were around for the first Earth Day in 1970. We clearly recall the incident a year earlier that spurred Congress and President Richard Nixon to create the Environmental Protection Agency when the Cuyahoga River, which feeds into Lake Erie in Cleveland, literally caught fire after a spark from an industrial plant on the shoreline ignited the chemicals and other pollutants that laced the river.

The Boston area was not much better. The mid-1960s song, Dirty Water, which is played at Fenway after a Red Sox victory, was about the famously-polluted Charles River. In addition, until the Deer Island treatment plant was built in the early 1990s, Boston Harbor was considered the most-polluted harbor in the U.S.

The Clean Water Act and the modern Clean Air Act, both of which enjoyed wide bipartisan support in Congress, came into existence in the aftermath of the creation of the EPA as the result of the environmental movement and enjoyed widespread support throughout the country.

However, terms such as global warming and climate change were not in the lexicon at that time. We thought that if we could clean-up our waterways and air by reducing the levels of pollutants, everything would be fine.

And to a large extent, the goals of cleaner air -- lead was removed from gasoline, there are far fewer coal-burning plants -- and cleaner water -- we now can swim in the Charles and Boston Harbor -- have been attained.

But fast-forwarding 50 years, we now can see that we did not anticipate the global scale that air and water pollution would achieve thanks to industrial development in Third World countries and real estate development in our country.

Nor did we know then that the buildup of greenhouse gases would lead to a warmer and more dangerous planet. Indeed, we recall reading in U.S. News and World Report a cover story in the mid-1980s that predicted that the effect of air pollution would be a colder planet. According to the article, the climate in Florida would resemble that of New England within 100 years or so because, it was theorized, smog would block out the sun's rays.

But, as is evident today in the news headlines every day, just the opposite is occurring.

The Antarctic, the coldest location on the planet, recently experienced an episode of warm weather unlike any ever observed, with temperatures over the eastern Antarctic ice sheet soaring 50 to 90 degrees above normal. The warmth has smashed records and shocked scientists.

At the globe's other pole, the Arctic is warming three times faster than the rest of the planet and atmospheric scientists are trying to better understand the processes contributing to such swiftly-rising temperatures.

In Australia, the Great Barrier Reef continues to experience unprecedented coral bleaching because of rising seawater temperatures. In Florida, the manatees are dying at unprecedented rates because they are starving, thanks to the run-off from housing and agricultural developments that is choking the seagrass, their main food source.

All in all, our planet is in far worse shape, despite many notable successes, than it was on the first Earth Day in 1970. And the sad reality is that at the rate we're going, in another 52 years things are going to be exponentially worse.

4/20, 2022: TIME TO LEGALIZE MARIJUANA

As our long-time readers know, we have been advocating for the full legalization of marijuana for more than 25 years.

Despite the large number of states where marijuana is sold legally (38, including medical use-only states), the federal government still labels marijuana as a Schedule I drug, the same category as heroin and other truly dangerous substances.

But as we now know thanks to the release of White House tapes, the Schedule I listing of marijuana in 1970 had no basis in fact or science. The Nixon administration placed marijuana into the Schedule I category solely to use it as a means for prosecuting Black and minority communities and handing out lengthy sentences even for possession of small amounts of marijuana.

Thanks to the real-time experience of fully-legalized marijuana for the past 10 years when Colorado became the first state to do so in 2012, we now know that marijuana is as benign a substance as exists and has many significant medical uses.

In addition, marijuana legalization has not led to an increase in use among young people as some had feared.

The U.S. House recently passed a bill that would legalize marijuana nationwide. We hope that the Senate can take up the legislation soon and make this common-sense measure a reality.

CIVILITY AND DECORUM

Dear editor,

Since its inception, I have watched as the Revere Human Rights Commission (HRC) struggles mightily, and I might add, gracefully and positively, to do their job. Their job, working to establish a process for civil discussion and celebration of equality and the civil rights for everyone within this City. Like all pioneers in social justice, they bravely face the slings and arrows and try to do a job they have been appointed to and more importantly, are committed to.

It is worth remembering that the HRC was initiated by leaders of the city (The Mayor and the City Council) who worked together to create it and select its members. The HRC like all commissions, has been given a mission and is charged with effectively pursuing and realizing

Life is a trip. The longer we live the more we seem to pack and try to carry. Our mind has so many shelves, drawers and spaces for luggage of all shapes and sizes. We have this giant closet inside our brains that we fill up throughout life.

Your mental closet is filled with memories that are good and not so good. You may have spaces filled with grief, sadness, hurts, rejection, loss, failure, disappointments, defeats and more. You also hopefully have stored up some happy times, victories, successes, celebrations, achievements, love, relationships and peace. Hopefully your mind is filled with more positive happy events.

I heard the story about a young man who loved his cat. The cat died and his mother gave him permission to bury his cat in the backyard. The mother became appalled when she

the vision put forth by that statement. For this commission, or any commission for that matter, to achieve their goals, they must be able to effectively conduct their business when they hold their scheduled meetings.

Yet, as we have seen repeatedly, there is a small, vocal group of residents determined to prevent members of the HRC from doing their job. During the meetings, this group continually interrupts the commission's agenda with their laughter, jeers, loud outbursts, and disruptive demonstrations. And then, ironically, they complain when there is no time at the end of the meeting for the time allotted for them to appropriately give voice to their issues.

When this country was formed, the many of the founding fathers had opposing views during the writing of the Declaration of Independence and the Constitution. Early on,

they knew that it was important to establish a process and a set of rules to establish an environment where fair and civil discussions could take place. There may have been strong words spoken from both sides of the issues during the declaration of independence and the forming of the constitution, but the words and the issues that were put forth by their proponents, were delivered during times they were allotted to do so.

Recently the President of the City Council took a moment of personal privilege at the outset of the Council's meeting to address the topic of decorum during Council meetings. In his statement, he said "For the past several meetings, there has been a trend in these council chambers where political posturing has gotten in the way of professionally addressing the issues that come before us. The un-

professionalism, the sarcasm, the interruptions, and the side conversations that take place -- that has gotten way out of control." In the end he asked that "we all respect the decorum in these Chambers, and more important, we respect one another."

This request for an application of decorum and respect must be applied to all municipal councils and commissions and more importantly, to the citizens who attend these meetings. Everybody should have a chance to voice their concerns. However, those concerns needed to be voiced civilly, respectfully and at the appropriate time. To not do so is to dishonor the democratic foundations established by of our country's founders and puts us all in peril of devolving to a society where anarchy is commonplace. And no good can come from that.

discovered her son was digging up the cat every few days to see how the cat was doing. Too often we live our lives this way. We dig up old stuff that needs to remain buried forever.

Too often the mind carries what cannot be physically buried, good or bad. We are frequently impacted by what we keep stored. One cold morning, a little boy put his backside up against an old coal stove. The hot stove burned his bottom and he knew never to do that again. What we have stored up in our minds can often serve us well. Wisdom is gained the hard way. The school of hard knocks is educational and expensive. We pay dearly throughout life to learn the hard way. Thus, what we have stored up can be very valuable to us as we face additional life challenges and opportunities.

Your past decisions, work, interests, achievements, failures and mistakes all play a part in where you are today. This could be very good. Or, it could be very bad. If you learned from your mis-

takes and moved forward then you may be further ahead than you ever imagined. If you didn't learn from your mistakes and you continue to make them then frustration and sadness is haunting you.

Today is a new day. You can't change the past. You do not know the future. Live your best life now. Dispose of as much baggage as you can. Do away with old resentments and regrets. Forgive people. Forgive yourself. Don't live in the cemetery but live with hope of seeing your loved one in a better place.

Paul, the author of Philippians said it this way, "Brethren, I count not my-

self to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus."

Face coverings are no longer required for MBTA, airport travelers

Staff Report

The Massachusetts Department of Transportation (MassDOT), MBTA and the Massachusetts Port Authority (Massport) are announcing updates to masking requirements following a U.S. District Court judge’s decision on Monday voiding the national mask mandate covering airplanes and other public transportation.

Beginning today, the mask mandate on MBTA vehicles and MBTA properties will be lifted for all MBTA customers. Masks

will still be required by users of The RIDE paratransit services.

In line with updated guidance from the Transportation Security Administration (TSA), travelers using the Commonwealth’s Massport facilities are no longer required to wear face coverings. This includes airports, Conley Terminal, and the Logan Express service.

Most of the state’s 15 Regional Transit Authorities (RTA) are also rescinding the face-covering mandate but members of

the public should check with a specific RTA to confirm the requirement.

“The Commonwealth has followed federal guidance in terms of face coverings and to be consistent with that, we are lifting the face covering mandate at the Commonwealth’s transportation hubs and on most public transportation vehicles,” said Transportation Secretary and CEO Jamey Tesler. “While these face covering requirements are being lifted, we remind travelers that masks are welcome if people choose to wear

them.”

MBTA General Manager Steve Poftak added, “Customers are no longer required to wear a mask on MBTA vehicles, or at stations or facilities if they choose not to; however, if people feel more comfortable wearing a facemask, then by all means continue to do so. The MBTA remains committed to safety and will continue adhering to all CDC and Massachusetts’ public health guidance. The T is continuing to clean vehicles and stations regularly and upgrade air filtration

systems.”

“In line with the TSA’s guidance, mask wearing will now be optional within our airport facilities and on Logan Express buses,” said Massport CEO Lisa Wieland. “There may still be certain requirements onboard international flights, so we would encourage those passengers to check with their airline and destination.”

The MBTA continues its robust cleaning programs for passenger vehicles and stations, and the T regularly upgrades vehicles’ air filtration sys-

tems. Please find more information here on the MBTA’s Ride Safer program: https://www.mbta.com/covid19/ride-safer?utm_campaign=cured-content&utm_content=Ride+Safer&utm_medium=whats-happening&utm_source=homepage&utm_term=null

Per the Department of Public Health, masks remain required in several settings including health-care facilities and congregate care facilities. For full list of requirements, please visit: mass.gov/maskupma.

bly at this Monday night’s meeting.

Attorney Nick Zazula and Enterprise Group Operations Manager Doug Valeri appeared at the April 11 subcommittee meeting chaired by Councillor Patrick Keefe.

Zazula told the subcommittee that the Planning Board voted unanimously March 1 to favorably recommend Enterprise’s bid for a zoning amendment.

Zazula also stated that Enterprise would commit to register 350 of its rental fleet vehicles in the City of Revere, “along with the accompanying excise taxes to the city in relation to a new location at Squire Road if the zoning amendment was approved.”

Zazula added that Enterprise would also continue to pay the Massachusetts surcharge for rental

transactions and “also continue to pay the City of Revere surcharge of \$10 per rental transaction.”

Ward 6 Councillor Richard Serino voiced his support of the request by Enterprise, which has a sterling reputation in the car rental industry.

“With regard to Enterprise coming to Squire Road, first of all, it’s already in the city and second of all, we as new councillors have these grandiose visions of Squire Road, and we think a lot of stuff is going to be developed and is coming down the road.

“Unfortunately, you look at Squire Road and the old Mobil Gas station has been vacant since 2012 or 2013, so nine years – you have the Honey Dew [store] which soon could become a Popeye’s,

but that’s been vacant for two years. The hotel way down Squire Road might or might not materialize. My point being is that we have had a lot of vacant lots on Squire Road for at least the past decade.”

Addressing Zazula and Valeri, Councillor Serino said, “You guys have really worked to make this a better proposal than when it first came before us. And for those reasons and because I’d rather see something go there that’s going to produce money for the city than have that Verizon site sit vacant for another God knows how long. I will be supporting this.”

Councillors Richard Serino, Al Fiore, and Ira Novoselsky voted for the zoning amendment while Councillor Joanne McKenna, Gerry Visconti,

and Patrick Keefe voted against the zoning amendment.

“This will still go in

front of the full City Council,” Keefe told the applicants.

“Understood. Thank

you,” responded Attorney Zazula.

DeCicco said he has heard of police departments that use therapy dogs in their communities.

Brown suggested that it would make sense to have trainers come into the schools with their dogs to show school personnel the benefits of therapy dogs.

SEPAC March Updates/April Events:

The commission noted that the Special Education Parent Advisory Council (SEPAC) discussed the idea of using the right words, language, and symbols for March Autism Awareness Month at its March meeting. There was a large turnout for the event that included appearances by Mayor Brian Arrigo and State Rep. Jessica Giannino.

are visually-impaired, including mail-in ballots. State election officials are looking into resolving this issue.”

"This is very concerning and unacceptable that this is even an issue in 2022," said Barone. "It's sad that we're even talking about this. A lot of blind folks sit at home and feel that they cannot even be a part of anything. A lot of disabled people are being disenfranchised."

The group also discussed the general lack of empathy for persons with disabilities and suggested that it might make sense to have a day where city employees would volunteer to experience what it's like to live a disability for a day.

Perno and Barone said they would look into finding programs that the city could emulate.

an application.

Commission Members' Late Items:

DeCicco said he has been advocating for remote meetings of municipal boards and noted that legislation is being filed by the Mass. Municipal Assoc. to change the Open Meeting Law to permit remote meetings.

"I want Revere to be in the forefront of this movement, even without legislation," that will allow for a hybrid option of live and remote meetings, said DeCicco.

DeCicco noted that a special guest for the May meeting will be a representative from the Disabled Persons Protection Commission.

Perno then read the commission's monthly reminder:

"The Commission on Disabilities is trying to limit in person appointments while we set up a new permanent location. Residents can speak to staff from our 311 Constituent Service Center Monday through Friday when you call our office at 781-286-8267. They will be able to answer most questions but if they are unable to or if you would like a call back from our department, please ask to be transferred to the Disability offices voicemail and someone will get back to you as soon possible.

Other matters that were taken up at the SEPAC meeting included: preliminary discussions and ideas of hosting some events through the city and getting parents involved; the upcoming election involving SEPAC; and how to have a free swim and swimming lessons program with the new life-guard working with the city.

Perno noted that there is a move afoot to change the designation of Autism Awareness Month to Autism Acceptance Month.

CODA (Commissions on Disabilities Alliance) – Monthly Zoom meeting April 6, 2022:

DeCicco said that most of the discussion at the CODA meeting revolved around the issue of accessible voting machines and accessible mail-in voting.

"The problem is that machines in many communities are old and not accessible," said DeCicco. "This is a particular problem for persons who

Discussion regarding progression of medical conditions and disabilities causing people to leave the workforce, along with where to turn for help:

Perno said that there are more and more illnesses being diagnosed, especially as the population ages, that involve disorders that are not necessarily seen.

Brown noted that he only recently had been diagnosed with a condition that will require him to take medication for the rest of his life.

"We need to be cognizant that people may have issues that are not easily identifiable," said Perno.

The commissioners agreed to discuss this matter further at their May meeting.

Commission on Disability looking to fill a vacancy:

DeCicco told his fellow members that there is vacancy on the commission. He directed interested persons to go to the city's web site where they can fill out

the commission's monthly reminder:

"The Commission on Disabilities is trying to limit in person appointments while we set up a new permanent location. Residents can speak to staff from our 311 Constituent Service Center Monday through Friday when you call our office at 781-286-8267. They will be able to answer most questions but if they are unable to or if you would like a call back from our department, please ask to be transferred to the Disability offices voicemail and someone will get back to you as soon possible.

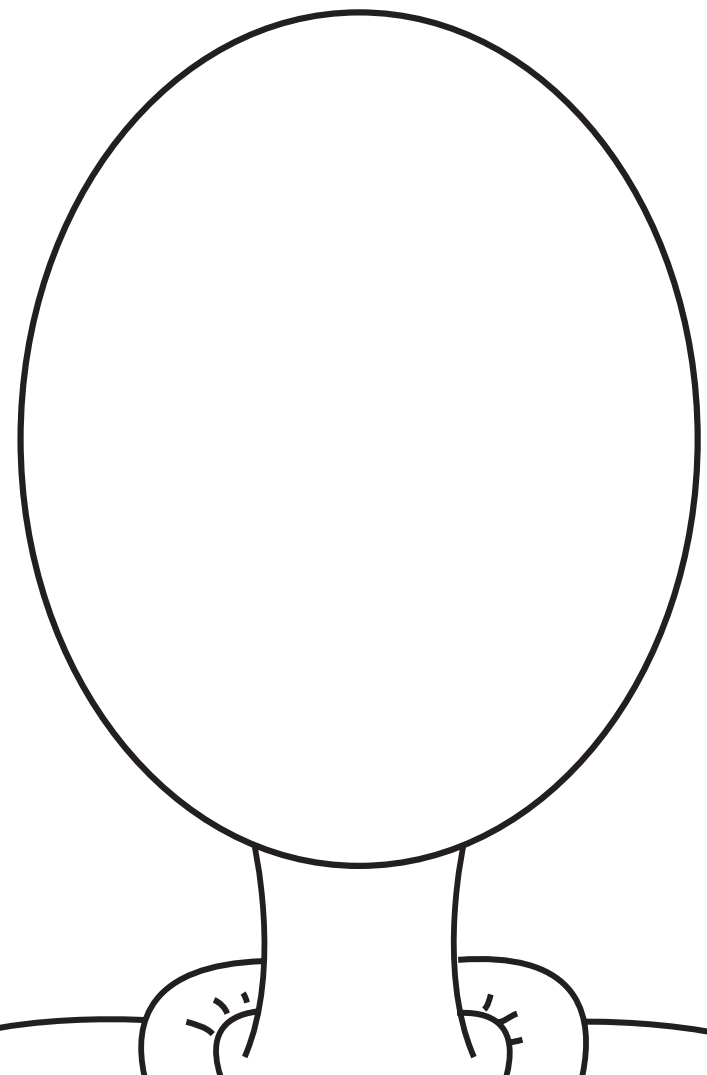

"As always please let us know if you would like something discussed or brought up and added to our monthly meeting agenda. You can let us know if you would like to speak on any issue or concern. The Commission is here to help and assist all the disabled residents and families of Revere."

The commission's next meeting (via zoom) will be Tuesday, May 10, at 6 p.m.

OBITUARIES

Rosalie DeRosa

Active in the community and at Revere and Everett Senior Centers

Rosalie DeRosa of Revere passed away on April 11 at the age of 92.

Rosalie was born and raised in East Boston before moving to Revere in 1975. Her career kept her busy working for several insurance companies throughout the Boston area. Rosalie was heavily involved in her community, whether it be working the polls on Election Day, helping fellow seniors at the Revere and Everett senior centers, or advocating for free senior parking at the municipal lot. Rosalie was an active parishioner at St. Mary's of the Assumption in Revere. She loved traveling and spending time with family and friends.

The daughter of the late Michael and Rose (Ferlito) DeRosa, she was the cherished sister of Margaret DiGiacomandrea and her husband, Tito of Revere; adored aunt of Deborah Bowen and her husband, John of New York and Sandra Preston and her husband, Kevin of Ashland; cherished great-aunt of Rachel Bowen and her boyfriend, Casey Marvell of New York and Olivia

Preston of Ashland. She is also lovingly survived by many dear friends and extended family.

Evelyn LaCascia

G.E. Retiree

Evelyn (Vacca) LaCascia of Revere on April 15 peacefully returned to God at 94 years of age, just two weeks shy of her 95th birthday.

The beloved wife of the late Philip LaCascia, she was the devoted mother of the late Carol LaCascia White and her husband, Stephen of Lynn, Linda LaCascia of Revere and Charles LaCascia and his wife, Tricia of Hopkinton; cherished grandmother of Craig White and Scott LaCascia-White of Lynn and Sam LaCascia, Emma LaCascia, and Max LaCascia of Hopkinton.

Private services were held by the Paul Buonfiglio & Sons-Bruno Funeral Home. Interment was in Woodlawn Cemetery. For guest book, please visit www.Buonfiglio.com.

Hazel Smith

G.E. Retiree

Family and friends are invited to attend Visiting Hours on Friday, April 22, from 10 a.m. to 12 noon in the Vertuccio & Smith, Home for Funerals, 773 Broadway (Rte. 107) Revere for Hazel R. (Brown) Smith, 97, who died in the peace and presence of her loving family, at her home on Saturday, April 16. A Funeral Service will be conducted in the Funeral Home at 12:15 p.m. following the visitation. Interment will be private.

Hazel was born and raised in Everett, one of three children of her late parents, Chester Brown, Sr. and Hazel M. (Wetmore) Brown.

Hazel was educated in Everett and was a graduate of Everett High School, Class of 1942. She began to work at John Hancock Life Insurance Company in Boston as a Secretary.

On June 13, 1948, Hazel married her beloved husband, Richard J. Smith. The couple remained in Everett and at that time, Hazel stepped away from the workforce to raise her two daughters. She was a devoted and dedicated mother and wife.

She took great pride in her home and how she raised her girls. When the girls were grown, she returned to the workplace and took a secretarial position at General Electric from where she retired after 15 years of service.

Hazel enjoyed going to Wonderland Racetrack and dining out at restaurants. Above all, she cher-

ished her time being surrounded by her family.

She was the beloved wife of 28 years to the late Richard J. Smith; the loving mother of Deborah J. Smith of Peabody and Christine A. Smith and her companion, John Martin of Quincy; the cherished grandmother of Melissa A. Quarleno of Peabody and Lisa M. Cronin and her husband, Jeremy of Boxford; adored great grandmother of Mackenzie, Seamusa and Logan and the dear sister of the late Chester Brown, Jr. and Richard Brown. She is also lovingly survived by her former son-in-law, John M. Quarleno of Wakefield and several nieces, nephews, grandnieces and grandnephews.

In lieu of flowers, remembrances may be made to Care Dimension, 75 Sylvan St., Suite B-102, Danvers, MA 01923.

The staff at Vertuccio & Smith, Home for Funerals is most honored to have assisted the family in completing funeral arrangements. To send online condolences, please visit www.vertuccioand-smith.com.

Patricia Mae Christoforo Stone

She will be greatly missed by all who knew and loved her

Patricia Mae Christoforo Stone, 90, born in Medford and raised on Revere Beach died on a blue sunny day, April 10, 2022 at Arbor Hospice in Saline, MI. She lived in Ann Arbor, MI at Cranbrook Tower Apartments for 18 years prior to her stay at Hospice.

Patricia grew up on the beach with her devoted parents, Patrick Christoforo, and E. Mildred (Mutch) Christoforo, and loving sisters, Paula Peterson of Marblehead and Priscilla Davis (Robert) of Winthrop (deceased).

She excelled in school and was a tap dancer, tumbler and cheerleader at Revere High School. Patricia graduated from Salem State Teachers College in 1953 with a bachelors degree in education, one of the highlights of her life. She taught elementary school in Long Beach, CA for two years before marrying Paul Stone from Cooperstown, NY who she met working summers at the Otesaga Hotel.

Patricia was a vibrant and dedicated mother to four children: Tamar Maryott, (Guy) from Monroeton, PA, Ellen Stone (Roger Lauer) from Ann Arbor, MI, Timothy Stone (Linda) from Astton, PA and Carlena Back (Greg) from Stroudsburg, PA. She was proud to be a grandmother to Josh Evans (Geneva Langston Evans), Rebekah Lauer, Laura Maryott, Clare Lauer, Abby Lauer, Sarah Maryott, and Gregory Back, and a great-grandmother to Keira Langston Evans and Clayton Paul Maryott.

Patricia and her husband raised their children in Spring Hill, PA for many years. She was an amazing cook and baker and helped raise and preserve most of the family's food. It was not uncommon for her to host large family gatherings with games of whiffle ball and kick-the-can afterward.

Patricia was kind and funny, endlessly energetic and full of wonder and joy about the life she lived. She also had an impeccable sense of style, loved clothes, Masterpiece Theater and beautiful objects

that were timeless. Patricia taught her children to be honest, forthright, patient and strong.

After her divorce, Patricia returned to Boston in midlife and worked at both John Hancock Insurance and the Franklin Institute as a switchboard operator. She enjoyed living back near the Atlantic Ocean and spending time with her sisters, nieces and nephews, cousins, and aunt and uncle who still lived in her hometown of Revere Beach.

Patricia survived years of bipolar disorder, eventually receiving expert care at the University of Michigan Hospital Geriatric Center and Psychiatry Department, as well as the Turner Senior Resource Center. She loved living in Ann Arbor, Michigan at the end of her life among the trees, the river and near the Great Lakes.

Patricia enjoyed watching the Detroit Tigers, drinking tea, cooking, reading, playing bingo, and spending time with her family. She described herself as content and lucky before she died. Patricia will be greatly missed by all who knew and loved her.

In lieu of flowers, donations can be made in Patricia's name to Arbor Hospice (<https://www.arborhospice.org/donate/>), UM Geriatrics Social Work and Community Programs or the UM Psychiatry Emergency Fund for Children and Adolescent Psychiatry:https://leadersandbest.umich.edu/find/?s=67_24811_P00JM#!/give/basket/fund/339247. Fond memories and expressions of sympathy may be shared at www.muehligannarbor.com for the Stone family.

Jennie Hittinger

Of Saugus, formerly of Revere

Jennie C. (Del Grosso) Hittinger, 91, died on Monday, April 18.

The wife of the late Richard Hittinger, she was born in Boston and raised in (Beachmont) Revere, the daughter of the late Joseph and Mary (Crusch) Del Grosso. She was a resident of Saugus for the past 21 years and loved bowling.

Mrs. Hittinger is survived by five children: Robert Hittinger and his wife, Donna of Saugus, Doug Hittinger and his wife, Marie of Middleton, Lawrence Hittinger, Joyce Hittinger-Molloy and her husband, Joe and Janis Cannata and her late husband, John, all of Saugus and her daughter-in-law, Stacy Hittinger; nine grandchildren and four great grandchildren. She was predeceased by her son, Scott Hittinger and three sisters, Maryann, Lilly and Catherine.

Relatives and friends are invited to attend vis-

iting hours in the Bisbee-Porcella Funeral Home, 549 Lincoln Ave., Saugus on Thursday, April 21 from 3 to 7 p.m. A funeral will be held in the funeral home on Friday, April 22 at 10 a.m. followed by interment in Puritan Lawn Memorial Park in Peabody.

In lieu of flowers, donations in Jennie's memory may be made to Care Dimensions at caredimensions.org.

REVERE Through the Years

10 years ago April 18, 2012

Tens of thousands of people were drawn to Revere Beach during the heat wave earlier this week. Not since 2006 have the temperatures soared into the mid-80s in April as did on Monday and Tuesday.

Drastic changes have taken place over the last week at the McKinley School, with the largest piece of news being that the new school likely will not be located on the existing Yeamans Street site. Superintendent Paul Dakin said it is more than likely that the new McKinley School will be built on a new site, probably on Harry Della Russo Stadium just a stone's throw from the current school. A number of people have resisted the taking of Hill Park and the Stadium – as it is the only park situated in the center of the City and, more importantly, it is named for a World War II veteran and the late Mayor William Reinstein. The Hill Family and State Rep. Kathi-Anne Reinstein have both opposed moving the school to that site.

The changing economic times – with a continuously sluggish economy – has changed the game plan for many Revere High School (RHS) students pursuing a higher education next year. While many students at RHS continue to head off to storied universities – and even some Ivy League schools – a growing number who do not land plumb scholarships have had to face economic realities, and those students are looking more towards the state community college system. Whereas before their backup plan might have been a less-heralded four-year college, students are now falling back on community college.

The amount of money Revere will be asking

from the developers of a possible casino at Suffolk Downs will run into the many millions of dollars for a decade following its opening, according to John Festa, Revere's chief of economic development. Festa has been creating the mitigation package which is expected to be handed to Suffolk's owners either this week or next.

It has come to light that the city may be paying fire insurance premiums for buildings that do not exist.

The City Council unanimously has voted to ask the Suffolk County District Attorney to look into the awarding of the electrical contract by the School Department for what some councillors allege was done in violation of the law. Councillors also voted to pursue an action in Superior Court to determine whether purchasing for schools may be done by the School Department itself or by the city Purchasing Agent.

Mayor William G. Reinstein has refuted statements made recently by Edward F. Harrington, head of the federal organized crime strike force, that Revere police and city officials have done nothing in recent years to combat gambling and other organized crime activities in the city.

Congressman Torbert Macdonald has announced that the federal government will undertake a major anti-drug campaign to drive pushers off the streets in 33 communities across the country, of which Revere is one.

State Senator Joseph

J.C. DiCarlo has introduced a bill to prohibit the MDC from charging parking fees at its lots at its beaches, including Revere Beach. DiCarlo noted that after expenses, the MDC netted only \$46,000 from its parking lot operations last year.

Revere children from three months of age through six years old will be eligible for the new Sabin oral polio vaccine, which will be administered in three stages, similar to the Salk vaccine shots, which have been in use since 1955, according to Board of Health Chairman Dr. Harry Schwartz.

The city will receive a payment of \$142,177 from the state as its share of the \$26 million distributed by the state from state income tax receipts. This is an increase of \$2000 over last year's first payments. The state makes payments quarterly to cities and towns.

Baker-Polito Administration awards \$22.5 million to strengthen the Mass. Food Supply System

The Baker-Polito Administration announced \$22.5 million in funding to food producers across the Commonwealth, including Grow in Revere, Food Hub with \$99,734. This program represents ongoing efforts to address food insecurity issues exacerbated by the COVID-19 pandemic. During an event at the Worcester Regional Food Hub, Lieutenant Governor Karyn Polito, Energy and Environmental Affairs (EEA) Secretary Kathleen Theoharides, and Massachusetts Department of Agricultural Resources (MDAR) Commissioner John Lebeaux joined with U.S. Senator Ed Markey and Congressman Jim McGovern to announce the funding of 147 total projects through the Food Security Infrastructure Grant Program. Grants from the program, which was created to ensure individuals and families have equitable access to healthy, local food products, will directly benefit people in every region of the state.

"Through the Food Security Infrastructure Grant Program, our Administration has been able to foster stronger partnerships with foodbanks, pantries, farms and other organizations throughout the Commonwealth to meet the demand of so many living with food insecurity," said Governor Charlie Baker. "Importantly, this \$22.5 million in funding will go towards impactful projects that will increase

operations of our food producers and suppliers and better serve the individuals who truly need their assistance."

"Ensuring children, their families, and all individuals have access to healthy, local food products is critical, particularly as so many continue to be detrimentally impacted by the pandemic," said Lieutenant Governor Karyn Polito. "Our Administration is proud to work so closely with the Commonwealth's farmers, food distributors, non-profit organizations, and others as we partner to strengthen the state's food supply chains."

"The Food Security Infrastructure Grant Program has become a catalyst for the Baker-Polito Administration in our efforts to make a more resilient food supply system," said Energy and Environmental Affairs Secretary Kathleen Theoharides. "Since the program's inception during the early months of the COVID-19 public health emergency, we have funded over 507 projects throughout Massachusetts, greatly aiding those in need."

The Food Security Infrastructure Grant Program seeks to ensure local food producers are better connected to a robust and resilient food supply system in order to mitigate future food supply and distribution disruption issues. This year's recipients of grant funding represent a variety of sectors,

including farms, fisheries, schools, nonprofits, for profits, food pantries, municipalities, distributors/suppliers, and other entities. Additionally, during the event, US Senator Ed Markey and Congressman Jim McGovern announced \$3 million in federal funds for the Worcester Regional Food Hub's new facility at Union Station.

"The Worcester Regional Food Hub plays a critical role in addressing food insecurity in Massachusetts," said Senator Ed Markey (D-Massachusetts). "I am proud to have helped secure \$3 million in federal funding for the remodeling of the lower-level of Union Station to become the Foods Hub's new permanent location. Worcester is the heart of the Commonwealth and Union Station is the heart of Worcester, making it the perfect location for this integral piece in the regional food system in central Massachusetts."

"This is a huge day for Worcester. The \$3,000,000 investment that Senator Markey and I secured for the Worcester Regional Food Hub is going to kick this project into high gear—bringing local farmers, entrepreneurs, and community partners together to bolster a more robust food system, promote healthy eating, strengthen sustainable agriculture, and fuel economic development throughout the region," said Chairman Jim Mc-

Govern (D-Massachusetts). "In addition to the \$1,000,000 in funding I helped secure for the Food Hub in the American Rescue Plan, and the major statewide investments being announced today by Lieutenant Governor Karyn Polito, I am confident that we are building a more just, healthy, and sustainable commonwealth."

The Baker-Polito Administration announced the Food Security Infrastructure Grant Program in May 2020 as part of a \$56 million investment to combat urgent food insecurity for many Massachusetts families and individuals as a result of the COVID-19 pandemic. The program implements the recommendations of the Food Security Task Force, comprised of public and private members charged with ensuring food insecurity and food supply needs are addressed during the COVID-19 public health emergency, which was convened by the Massachusetts COVID-19 Command Center in response to increased demands for food assistance.

"The Baker-Polito Administration's unprecedented commitment to building a more resilient, sustainable food system has helped Massachusetts agriculture invest in long-term and impactful solutions to address food security for our consumers," said Massachusetts Department of Agricultural Resources Commissioner

John Lebeaux. "With the latest round of funding for the Food Security Infrastructure Grant program, farms and producers will be able to update aging infrastructure while making improvements for their businesses to help ensure more residents have access to local, fresh products."

"When the Food Security Task Force first conceived of the FSIG program, there was a nation-wide protein shortage, spiking food insecurity rates, and significant supply chain disruptions," said State Senator Jo Comerford (D-Northampton). "Now, almost two years later, the Commonwealth's food system infrastructure has been strengthened permanently, thanks in large part to FSIG grants. Because of FSIG investment in food system infrastructure, the Commonwealth will be able to produce and distribute more food, feed more people, and fight hunger and food insecurity now and for years to come. I thank my colleagues in the legislature for their steadfast commitment to funding this program and to fighting food insecurity and I offer heartfelt thanks to everyone at EEA and MDAR who work every day to make this program more and more successful."

"Food insecurity is a complex problem existing at the nexus of economic opportunity, transportation, regional

planning, environmental sustainability, and of course, COVID-19," said State Senator Becca Rausch (D-Needham). "Far too many Bay Staters are struggling to keep food on the table through these difficult economic times. As my colleagues and I continue to assist constituents with food access, it is critical that we also work systemically and equitably to bolster our Commonwealth's food supply chains to promote the well-being of Massachusetts' children and families."

"The Food Security Infrastructure Grant Program is a tremendously valuable investment in our local food system and a critical component in increasing the supply of healthy food to our residents in need," said State Representative Hannah Kane (R-Shrewsbury). "While the Program was developed in response to the initial urgent challenges of lack of access and supply of food during the pandemic, the overwhelming, ongoing demand and measurable impact clearly illustrates the necessity of continued funding. I am grateful to the Baker-Polito Administration for their strong partnership in addressing food insecurity and supporting local producers."

"The Food Security Infrastructure Grant Program is a great investment by the Commonwealth

RHS BASEBALL TEAM EDGES MALDEN, 2-1 BEHIND BOUDREAU

The Revere High baseball team celebrated Patriots Day in appropriate fashion with a 3-2 victory over Greater Boston League rival Malden on Monday morning.

After yielding both of the Malden runs in the opening inning, Revere

starting pitcher Dom Boudreau tossed shutout baseball the rest of the way. Dom fanned 12 Golden Tornado hitters while allowing just three hits over the seven-inning route.

Malden's two runs in the first came across after Boudreau walked the first two batters (Dom would walk only one more Golden Tornado over the final six frames.) The first run eventually scored on a first-and-third double

steal and the second came across on an RBI base hit.

The Patriots got one back in the bottom of the first when junior Mikey Popp walked, stole second, advanced to third on a passed ball, and scored on a ground-out by Giancarlo Miro.

The score remained at 2-1 until the fifth. Popp once again got things going by drawing a base-on-balls. A grounder to short by Andrew Leone resulted in a throwing error by Malden on which Popp -- who was running on the pitch -- was able to come all the way around to tie the score at 2-2.

Andrew made it to third on the error and then trotted home with the eventu-

al game-winning tally on a base hit by Miro.

"We didn't play our best game and we left some runs out there with poor situational hitting and baserunning miscues," said RHS head coach Michael Manning. "But Dom was dealing -- he threw strikes and made them earn their way on, and the defense had his back. I think he got better as the game went on."

The Patriots donned special "Lynn Strong" T-shirts in the pre-game warm-ups and dedicated the game to show their support for Lynn DiMarzo, the wife of assistant coach Rich DiMarzo, who is battling breast cancer.

Revere now stands at

4-2 overall and 4-1 in the GBL. Manning and his crew are scheduled to host GBL rivals Everett this morning (Wednesday) at 10:00 and Somerville on Monday. They will trek to Lynn Classical next Wednesday.

RHS GIRLS TRACK DISPATCHES SOMERVILLE, 92-35; NOW 3-0

The Revere High girls outdoor track and field team improved to 3-0 on the season with a huge 91-35 win over Somerville last week.

The top scorer of the meet was RHS senior captain Carolina Bettero who took first place in all four

of her events to score 20 points for her team. Carolina jumped a lifetime personal record (PR) in the long jump with a leap of 16'-1" and a season PR in the triple jump with a final landing of 31'-9". Both jumps are less than two feet away from the school records.

Bettero also continued to reign supreme this season in the 400 meter hurdles with a time of 77.8 and in the 100 hurdles with a clocking of 17.9.

Junior Natalia Lopez scored 10 points for the Lady Patriots with two first-place finishes in the discus (73'-7") and shot put (24'-7").

April 18, 2012
The Revere High boys tennis team enjoyed a

successful week, winning two matches against opponents from the South Division of the Northeast-

ern Conference and taking the lead in a third match before it was “hailed out.” The Patriots opened the

week with a hard-fought 3-2 win over Winthrop in a match that was the tennis version of a marathon. Re-

vere and Winthrop dueled for more than three hours, but it was the Patriots who emerged victorious.

Senior Captain Jerelys Canales was close behind with nine points on the day. Her first-place finish in the 100 meter dash with a time of 13.5 is only 0.2 away from the school record. Jerelys also recorded a second-place finish in the high jump with a leap of 4’-4” and a third place in the long jump with a PR leap of 15’-4.5”.

Liv Yuong continued her dominance in the high jump with a first-place jump of 4’-10” and a second-place finish in the 100 hurdles (18.9), totaling another eight points for the Lady Patriots.

Sophomore Janaya Ruperto recorded seven points for the RHS side of the scoresheet. Her second-place finish in the 400 dash (66.4) was only 2.7 seconds away from the school record. Janaya also earned a second-place ribbon in the 100 dash (13.9) and a third place in the high jump (4’-2”).

A newcomer to the team, freshman Ashley Rodriguez, continues to improve every week and is adding critical points to the Revere tally at each meet. Ashley achieved a second-place finish in both the 400 hurdles (83.6) and the 200 meter dash (29.5).

Kyra Delaney continued her dominance in the 200 with a first-place win and a huge PR of 28.4. Kyra also secured a third place in the 100 with a time of 14.1.

On the distance side of things, junior Alannah Burke took home another first place in the 800 meters with a time of 2:40.3. Teammate Maajda Louadi grabbed third in the 800 with a 3:30.7.

Rocio Gonzalez secured a first-place finish for the team with a win in the two mile (14:50.2).

The RHS milers took home second and third. Senior captain Fatima Hartout took the second spot with a clocking of 6:42.5 and Samantha Solis grabbed third with a time of 8:01.5.

Other second-place fin-

ishers for the Revere team included Camilla Echeverri in the discus (52’-10”) and Jocelyn Lazo in the javelin (56’-1”).

Adding third-place points for Revere were Angelina Montoya in the discus (49’-5”), Camilla Echeverri in the shot-put (18’-11.5”), Yara Belguendouz in the 100 hurdles (20.2), and Jessie Jones in the 400 dash (71.5).

“Overall, the girls had a great meet,” said RHS head coach Racquel MacDonald. “The nice weather allowed for some huge PRs and their talent and hard work is really starting to show at this point in the season.

“We have a lot of girls getting closer and closer to school records, which is so exciting,” added MacDonald. “There is no meet over April vacation, so the girls should be able to rest up and keep up with their training in preparation for Lynn English on April 26th.”

SOMERVILLE NO PROBLEM FOR BOYS TRACK SQUAD

The much-anticipated matchup last Tuesday between the Revere and Somerville boys track teams, who had dueled in their meetings that were decided by razor-thin margins last winter (both won by Revere in the last race of the day), turned out to be anticlimactic in the wake of a dominating 84.5-46.5 victory by the Patriots.

Revere took first place in 10 of the 14 individual events. The Patriots swept the shot-put and took two of the three top places in every event except the triple jump and the javelin.

Ramadan Barry and JV Cunha were double-winners for the Patriots. Ramadan took first in the high jump with a leap of 5’-8” and in the long jump with a flight of 20’-4”. Barry also scored three points with a second-place performance in the 110 hurdles in 18.2 to lead the Patriots in scoring with 13

points on the day.

JV grabbed the top spot in the 800 in a time of 2:05.2 and the mile with a clocking of 5:16.6.

Additional first-place finishers for Revere were: Augusto Goncalves in the triple-jump with a final landing of 41’-1”; Moe Hussein in the shot-put with a toss of 37’-6.5”; Anwar Marouh in the discus with a spin of 81’-7”; Tom Desir in the 400 hurdles in time of 1:04.8; Javan Close in the 110 hurdles in a clocking of 17.4; and Allen Hou in the 200 dash in 24.1.

Adding three points to the Revere side of the scoresheet with second-place performances were: Desir in the high jump (5’-4”); Marouh in the shot-put (31’-4”); Walter Rodriguez in the discus (81’-1”); Mark Marchese in the 100 dash in 11.6; Keny Guerrero in the 400 dash in 54.2; Sami Elasri in the 800 in 2:11.2; Kenan Batic in the mile in 5:22.5; and Mohamed Oualani in the two-mile in 13:02.2.

Contributing single points to the Patriot cause with third-place efforts were: Marchese in the long jump (19’-4”); Kevin Purciful in the shot-put (31’-0”); Carlos Rizo in the javelin (109’-9”); Goncalves in the 400 hurdles (1:06.1) and two-mile (13:36.1); Guerrero in the 100 dash (11.9); Latrell Ashby in the 200 dash (24.3); and Desir in the 400 dash (55.6).

Close added half a point with his tie for third place in the high jump (5’-2”).

The win improved the Patriots’ record to 3-0 on the season. Coach Sam Rose and his crew had no meets scheduled for the vacation week and will return to action next Tuesday (April 26) with a meet against Lynn English at Harry Della Russo Stadium.

RHS BOYS TENNIS BLANKS EVERETT, 5-0

The Revere High boys

tennis team earned a 5-0 decision over Greater Boston League (GBL) rival Everett last week.

Leading the way for the Patriots was their senior captain and number one player, Ashton Hoang, who cruised past his Crimson Tide counterpart in straight sets, 6-0, 6-0.

Matthew Chianca likewise won by a 6-0, 6-0 shutout at second singles and Rayan Sarhrani was victorious at third singles, 6-2, 6-0.

In the doubles matches, the first doubles duo of Alec Waxer and Kenny Le triumphed 6-0, 6-0, and the second doubles tandem of Walid Ichcho and Mo Al-Azzawi topped their Everett counterparts, 6-0, 6-2.

In a match later in the week with another GBL foe, Malden, the Patriots came up short by a score of 4-1. The combo of Luis Galvez and Moises Alfaro won their match at second doubles, 6-3, 6-4.

The first doubles tandem of Le and Waxer put up a good fight, but fell in three sets, 6-4, 1-6, 6-2. Chianca, playing at third singles, also fought hard in a 6-4, 7-6 (7-2) loss.

“The match was actually very close,” said RHS head coach Mike Flynn. “If we had pulled out wins at third singles and first doubles, we would have won the match.”

The Patriots are scheduled to play at Everett today (Wednesday) and will host Somerville on Monday and Lynn Classical next Wednesday.

THREE MORE VICTORIES FOR RHS BOYS VOLLEYBALL

The Revere High boys volleyball team improved to 5-0 on the season with a trio of victories this past week. Coach Lianne Mimmo’s squad defeated three non-league rivals, Madison Park, Boston Latin Academy, and Pioneer Charter School of Everett, all by shutout scores of 3-0.

The Patriots were scheduled to meet Somerville yesterday (Tuesday) and will trek to 25th-ranked Malden today (Wednesday) for a noon-time match. They will play at O’Bryant next Monday and will host Winchester next Tuesday.

RHS GIRLS LACROSSE CONTINUES TO IMPROVE

Although the Revere High girls lacrosse team fell short in its contests this past week, the Lady Patriots continue to work hard and improve.

“Our goalie, Aya Elkawakib, has been great,” said RHS head coach Amy Rotger. “She has been working really hard to keep us in our games.

“Our captains, Skyla DeSimone and Angela Huynh, have been great leaders for our team,” Rotger added. “Zoey LeGrand and Mariah Rogers have also been great leaders. Our whole team is really working hard as a whole and we are improving every game.”

Rotger and her crew were scheduled to host Greater Boston League (GBL) opponent Somerville yesterday (Tuesday).

They will travel to GBL foe Malden next Tuesday.

RHS BOYS LACROSSE HOSTS LYNN TOMORROW

The Revere High boys lacrosse team is scheduled to host Greater Boston League rival Lynn tomorrow (Thursday) morning on the turf at Harry Della Russo Stadium at 10:00.

Although the Patriots came up short in their contests with Matignon and Malden this past week, RHS head coach Zach McDannell has been seeing positive signs from his squad.

“Even with the losses, the team is improving in their defense,” said McDannell. “Regardless of the score, we continue to look to improve during and after the game.”

RHS goalie Vinny Snyder continues to give the Patriots a solid effort in the net, making 12 saves against Matignon and 13 saves against Malden

McDannell and his crew will host GBL foe Medford next Tuesday.

IMPRESSIVE OUTINGS FOR RHS JV SOFTBALL

The Revere High junior varsity softball team has turned in some strong performances in the early-going this season.

In the season-opener against Lynn Classical, Francesca Reed led the Revere offense, driving in four runs on three hits. The Lady Patriots maxed out on the five runs that are allowed in their half of the first inning.

Danni Randall started the brisk afternoon on the mound for Revere, shutting down her Lady Ram opponents with three strikeouts.

Revere put up five more runs in the second frame. Lynn Classical responded with five tallies of their own, but once again the Lady Patriots pushed across five runs in the third and the fourth.

Cate Morgan came in to close out the game for Revere with six strikeouts, no hits, and no runs allowed. Revere scored five more markers in what would prove to be the fifth and final inning of the game because of time constraints.

Ruby Aguilar had a memorable debut by hitting a double for three RBIs on the first pitch of her first at-bat of the season.

“It was a strong start to a promising season for these athletes with a big win of 25-6,” said RHS JV coach Krissy Govertsen.

Last Monday, Medford came to Revere for the first home game this spring. After the Lady Mustangs scored twice in the opening inning, Revere responded with three runs scored by Jocelyn Nugent, Josephine Piccardi, and Francesca Reed on RBI hits by Reed and Ruby Aguilar.

An attempt to steal home by Medford in the second was squashed when Maeve Hurley tossed the ball to Danni Randall for the first out. Cate Morgan commanded the defense from center field by catching two fly balls and keeping one more in front of her, allowing only a double and one

RBI for Medford, which tied the game at 3-3.

However, Revere put five more runs on the board with the help of some patient at-bats, good base running, and RBI hits by Aguilar and Yaritza Mendez.

An error in the following inning allowed Medford to score two more before Randall struck out two Lady Mustangs to end the inning.

Revere came back with a two-out rally after two strikeouts in the third inning when Hurley almost knocked the ball out of the park and earned a triple and an RBI. Piccardi and Reed maintained the Revere momentum when each drove in a run, bringing the score to 11-5. Morgan then took to the mound, shutting out Medford for the remainder of the game.

“These players are looking forward to a spring of good softball,” said Govertsen.

RHS FRESHMAN SOFTBALL TOPS NORTHEAST, 13-4

The Revere High freshman softball team put it all together to earn a 13-4 triumph over Northeast Regional last Wednesday.

Lady Patriot starting pitcher Gianna Chiodi set the tone on the mound with three strikeouts in the first inning. Revere grabbed a lead in the bottom of the first when Kayla Sjursen hit an RBI and then scored when Jenna Yelmokas struck an inside-the-park home run for a 3-0 Revere advantage.

A series of errors in the second inning allowed Northeast to score a run, but a strikeout and good defense prevented further damage.

Patient at-bats by the Lady Patriots put players in scoring position in the bottom of the second, with Lindsay Pineda scoring on an RBI base hit by Marisella D’Amelio, which was followed by two runs stolen by D’Amelio and Anna Doucette.

Northeast responded by stealing a run for themselves in the third inning, but Revere put the game away with five more runs thanks to RBI hits from Katelyn Giovannello, Zuhey Pastrana, and Pineda.

Chloe O’Neil took to the mound for Revere in the fourth inning. Chloe started the frame by fanning the first two batters she faced, but a hit produced a run for Northeast before O’Neil ended the inning with another strikeout.

Chloe then helped her own cause with an inside-the-park home run that also brought in Doucette. A series of walks accounted for another Revere run before time ran out, bringing the final score to 13-4 in favor of Revere.

RHS BOYS LACROSSE FALLS TO MATIGNON

Revere's upstart boys lacrosse players absorbed a 20-0 defeat against Matignon Monday at Har-

ry Della Russo Stadium. The seasoned Warriors dominated the game despite Revere's aggressive and determined play.

a come from behind, 5-7, 6-4, 6-4 win, as did Nick Mucci at third singles, 4-6, 7-5, 7-5. The first doubles tandem of Soun Lee and Duong Nguyen also pulled out a tight three set, 7-5, 2-6, 7-5, to clinch the Revere triumph. Nick Tran fell at first singles, 1-6, 2-6, while the second doubles duo of Sela Leng and William Truong saw their match shortened on account of darkness. They dropped the first set, 6-7 (4-7), and won the second set, 6-3. With the score tied at 3-3 in the third set, they played a tiebreaker, which Winthrop won 3-7 to conclude the match.

The Revere High softball team put together a strong pitching effort from Sabrina Palermo and timely hitting from Lindsay Gurska, Michaela Maguire, and Logan DiCarlo to come away with a fine 7-2 win over Beverly on Friday. Palermo went the full seven inning distance, yielding seven hits and two earned runs while fanning six.

The Revere High baseball team came out on the short end of both of its contests this past week, falling to Lynn Classical and Beverly. Both games were close affairs going into the late innings, but costly miscues by the Patriots allowed big innings by their opponents that broke the games open.

Revere senior Angel Ceja pokes at a Matignon attacker.

Tom Portrait pitched well for Revere against Classical, allowing just two hits and two earned runs in his four innings of work. Jimmy Ortiz drove in three runs for the Pats. Noah Jaynes pitched well in the Beverly tilt, trailing 4-3 after four innings. But a misplayed fly ball with two outs in the fifth opened the proverbial floodgates Tom McDonald went two for three with a double and three RBI.

Michelle Kilduff vanquished three more opponents with ease to improve the record for the RHS softball team to 6-0. Anna Addonizio, Andrea Mitchell, Stacy Wood, and Maria LaVita provided the firepower at the plate in wins of 22-1 over Peabody, 12-1 over Medford, and 7-1 over Waltham.

Waltham stole 15 bases against the Revere baseball team in an 8-3 defeat for the Patriots, who also lost their other game this week, 8-1 to Malden.

COUNCIL KEEFE BRINGS EASTER CHEER TO PROSPECT HOUSE RESIDENTS

Ward 4 Councillor Patrick Keefe and the Easter Bunny greet residents at the Prospect House at a holiday reception that he hosted.

Ward 4 Councillor Patrick Keefe, accompanied by the Easter Bunny (Ally Hinojosa in costume), held a special holiday reception April 14 for residents of the Prospect House.

Keefe brought Easter candy and personally extended holiday wishes to the grateful guests.

"Being able to bring some Easter cheer to the residents at the Prospect

House was great," said Keefe. "The residents have endured so much in the last few years and really missed out on gatherings that had been held prior to the pandemic. I hope as a city we can engage with our seniors and celebrate together more often. The residents were so excited by this small gesture that I'll be certain to be back soon."

it," said Keefe. "The sport of football teaches great discipline and teamwork."

Occena has been assisted in the administration of Revere Panthers Elite by vice-president Bobby Goss (whose grandfather, Bobby Goss, is Chelsea High's greatest long distance runner of all time), football coordinator Noelle Forte, cheer director Amy Robinson, football commissioner Heather Silva, and marketing director Carolyn Goss.

Occena was asked whether he attracted atten-

tion from NFL scouts after being heavily recruited out of Spring Valley High School (N.Y.) and playing football at Syracuse and Alfred.

"Once I tore my ACL, I knew my pro football dreams were pretty much over," said Occena, who received his degree in Political Science and Public Law from Alfred and his J.D. degree from the Massachusetts School of Law in Andover.

Occena has been practicing law for 13 years and has offices on American

Legion Highway. His firm specializes in commercial bankruptcy, disability law, and family law.

But this Saturday, he'll be at Della Russo Stadium running the show as six Revere Panthers Elite football teams take the field for their first home games of the 2022 season.

"Interestingly there will be a film crew coming from Netflix to get some footage for a possible TV series," related Occena. "We should have a big crowd there for the home opener."

Northeast Metro Tech carpentry students take on dugout construction project at Revere High School

Staff Report

Baseball fields in three Northeast Metro Tech communities including Rvere will soon boast brand new dugouts, once the work of juniors and seniors in Northeast's carpentry program is done.

Last summer, Reading Little League President Mike Wondolowski reached out to Northeast's Department Head of Carpentry, Richard McGuiness, to inquire about students' availability to construct new dugouts for the town's little league program.

Wondolowski reached out after seeing the strong

work Northeast students did to construct two dugouts at North Reading High School, which students completed between November 2020 and March 2021, and hoped for similar results in Reading. Work on two dugouts at Hunt Field in Reading is ongoing, and students will build another two dugouts at a field elsewhere in town.

The construction on Reading's dugouts is happening at the same time as work to build similar facilities at Northeast's own baseball field.

"These projects are a combination of two of

my passions -- carpentry and baseball -- and it's so gratifying to see our students' work not only have an impact on our sending communities, but also right here on campus," Northeast's varsity baseball coach and carpentry instructor Bob Calla said. "I've long hoped to see dugouts for our baseball team, and I'm so glad to see them becoming a reality thanks to our students' hard work."

Once work on Reading's dugouts is complete, students will move on to building two dugouts

Malden Catholic's Principal, Rose Maria Redman, accepts the position at Bradford Christian Academy

Staff Report

Rose Maria Redman, Principal of Malden Catholic, has accepted the position of Upper School Principal at Bradford Christian Academy.

During her two years at Malden Catholic, Principal Redman has successfully led the school through the pandemic and accomplished the key strategic goal that the school had set forth for her which included aligning the curriculum and the overall experiences of MC's Boys and Girls Divisions. Bradford Christian Academy has been led by interim Upper School Principal, Margaret Cottrell over the past year, and Mrs. Redman, who resides in Methuen, MA, will begin her new position at Bradford Christian Academy in Lawrence, MA on July 1, 2022.

Jeffrey P. Smith '95 'P24, 'P26, who is currently Malden Catholic's Girls Division Leader, will be promoted to MC Principal on July 1, 2022. Smith began his professional career in education at Malden Catholic in 2000 and has held several leadership roles at the school including Leader of the COVID-19 Task Force, Assistant Principal, Social Studies Teacher, Head Football Coach and the Interim Director of Athletics and Facilities, for over the past 20 years. He is also on the Board at Xaverian High School in Westwood and serves as the Chair of the Education Committee. Smith has a Master of Education in School Administration from Emmanuel College

and is currently enrolled in a Doctoral Program for Educational Leadership at the University of Wyoming.

"We are grateful for the contributions Rose Maria made to Malden Catholic. She has been instrumental in leading the growth and integration of our Boys and Girls Division and we wish her tremendous success in her new role at Bradford Christian Academy," stated John K. Thornburg, Malden Catholic President. "With over two decades of significant contributions to Malden Catholic, Mr. Smith will be able to transition seamlessly into the new role."

According to Rose Maria Redman, "I have enjoyed being part of the success Malden Catholic has experienced over the past couple of years, and I am grateful to the faculty, staff, and students who made me feel so welcomed."

Victoria Kennedy, President and Head of School at Bradford Christian Academy commented, "We are delighted to have Rose Maria join Bradford Christian Academy. Her depth of experience as Principal at both Malden Catholic and at Presentation of Mary Academy, has made her the ideal person to lead our upper

school at this time."

Since 1932, Malden Catholic High School has shaped emerging leaders in our community, claiming a Nobel Laureate, a Senator, two ambassadors and countless community and business heads among its alumni. Annually, graduates attend some of the nation's most renown universities including Harvard, Georgetown, Brown, Cornell, Tufts, Georgia Tech, Boston College and Amherst College. Foundational to student success is Malden Catholic's codivisional model which offers the best of both worlds, single-gender academics during the day and integrated social and extracurricular opportunities after school. Malden Catholic is known in the community for its rigorous academics, SFX Scholars Program and award-winning STEM program (Science, Technology, Engineering and Math) with electives such as Robotics and Engineering Design. Malden Catholic curriculum is designed to improve individual growth mindset, leadership principles, success outcomes along with integrating the Xaverian values of trust, humility, compassion, simplicity and zeal. <https://www.maldencatholic.org/>

LEGAL NOTICES

LEGAL NOTICE

Early Notice and Public Review of a Proposed Activity in a 100-Year Floodplain

This is to give notice that the City of Revere has determined that the following proposed action under the Department of Housing and Urban Development and the Community Development Block Grant is located in the 100-year floodplain, and the City of Revere will be identifying and evaluating practicable alternatives to locating the action in the floodplain and the potential impacts on the floodplain from the proposed action, as required by Executive Order 11988, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management and Protection of Wetlands. The proposed project is on Alger Road and Avalon Street in Revere. The entire project (.603 acres) is in an AE floodplain. The scope of work includes milling and paving the entire length of the streets in asphalt. The project will also cover the installation of new berm and reconstruction of the sidewalks (800 sq. yards) in asphalt. The installation of new berm and sidewalks will help to direct stormwater into the City of Revere drainage system. This is a preexisting street and not new development in a floodplain. There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Commenters are encouraged to offer alternative sites outside of the floodplain, alternative methods to serve the same project purpose, and methods to minimize and mitigate impacts. Second, an adequate public notice program can be an important public educational tool. The dissemination of information and request for public comment about floodplains can facilitate and enhance Federal efforts to reduce the risks and impacts associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who

may be put at greater or continued risk. Written comments must be received by the City of Revere at the following address on or before May 4th, 2022: Department of Planning and Community Development, Revere City Hall, 281 Broadway, Attention: Danielle Osterman, Community Development Program Manager. A full description of the project may also be reviewed during regular business hours at the address listed above and at www.revere.org. Comments may also be submitted via email to dosterman@revere.org

Commenters are encouraged to offer alternative sites outside of the floodplain, alternative methods to serve the same project purpose, and methods to minimize and mitigate impacts. Second, an adequate public notice program can be an important public educational tool. The dissemination of information and request for public comment about floodplains can facilitate and enhance Federal efforts to reduce the risks and impacts associated

with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk. Written comments must be received by the City of Revere at the following address on or before May 4th, 2022: Department of Planning and Community Development, Revere City Hall, 281 Broadway, Attention: Danielle Osterman, Community Development Program Manager. A full description of the project may also be reviewed during regular business hours at the address listed above and at www.revere.org. Comments may also be submitted via email at dosterman@revere.org

Overnight soil removal and site restoration work adjacent to Airport Station begins April 25

Staff Report

The Massachusetts Department of Transportation (MassDOT) is announcing it will be conducting overnight construction operations in the area immediately behind the Massachusetts Bay Transportation Authority (MBTA)

Blue Line Airport Station in East Boston. The work is scheduled to begin on Monday, April 25, and will be conducted nightly, from Monday through Friday, during overnight hours from 8:00 p.m. to 5:00 a.m. the following morning. No lane closures are anticipated for this

work and there will be no impacts to MBTA train or bus service. This work is anticipated to last through the summer months. The work will include the removal and disposal of unsuitable soils and materials and the restoration of sites in accordance with approved plans and

environmental permits/requirements. All scheduled work is weather dependent and subject to change without notice. For more information on traffic conditions, travelers are also encouraged to:

- Dial 511 and select

a route to hear real-time conditions.

- Visit www.mass511.com, a website which provides real-time traffic and incident advisory information and allows users to subscribe to text and email alerts for traffic conditions.
- Follow MassDOT on

Twitter @MassDOT to receive regular updates on road and traffic conditions.

- Download MassDOT's GoTime mobile app and view real-time traffic conditions before setting out on the road.

Two plead guilty, one Revere man, in nationwide rideshare and delivery account fraud scheme

Staff Report

Two Brazilian nationals pleaded guilty on Monday, April 11, in connection with a nationwide conspiracy to open fraudulent driver accounts with rideshare and delivery service companies.

Guilherme da Silveira, 29, of Revere, and Priscila Barbosa, 35, of Saugus, pleaded guilty to one count each of conspiracy to commit wire fraud. Barbosa also pleaded guilty to one count of aggravated identity theft. U.S. Senior District Court Judge Mark L. Wolf scheduled sentencing for both defendants on Aug. 4, 2022.

In May 2021, da Silveira and Barbosa were charged along with 17 co-defendants with conspiracy to commit wire fraud by using stolen identities and falsified documents to create fraudulent driver accounts for rent or sale to individuals who might not otherwise qualify to drive for the rideshare or delivery services.

According to the

charging documents, the defendants allegedly used victims' identifying information to apply for driver accounts with the rideshare and delivery companies – enabling them to pass the companies' required background checks and create driver accounts in victims' names. The defendants allegedly obtained victims' names, dates of birth, driver's license information and or Social Security numbers from co-conspirators and other sources, including sites on the Dark Net. The defendants and co-conspirators also obtained driver's license images directly from victims, by photographing victims' licenses while completing an alcohol delivery through one of the services or while exchanging information with victims following vehicle accidents, some of which defendants or co-conspirators intentionally caused in order to obtain license information. As a result of the scheme, Internal Revenue Service Forms 1099

were generated in victims' names for income that conspirators earned from the rideshare and delivery companies.

In connection with the scheme, Barbosa and da Silveira obtained driver's licenses and Social Security numbers that they and their co-conspirators procured from the Dark Net and other sources. They then used these stolen identifiers to create and apply for numerous fraudulent accounts with the rideshare and delivery companies and supplied these identifiers to other co-conspirators who also created fraudulent accounts.

To circumvent facial recognition technology utilized by rideshare and delivery companies as a security measure, Barbosa edited victims' driver's license images to display photos of the drivers renting or buying the fraudulent accounts. In total, Barbosa admitted to creating over 2,000 fraudulent rideshare accounts.

Barbosa and da Silveira

also advertised fraudulent driver accounts for rent and purchase to potential drivers, including via WhatsApp chat groups targeted to Brazilian nationals living in the United States. Barbosa and da Silveira managed the fraudulent accounts they rented out, specifically by collecting rental payments and troubleshooting issues that arose. Additionally, Barbosa and da Silveira used fraudulent driver accounts to exploit referral bonus programs offered by the rideshare and delivery companies and used "bots" and GPS "spoofing" technology to increase the income earned from the companies. Barbosa and da Silveira each received over approximately \$791,000 and \$570,000, respectively, from the scheme in the form of rental payments from individuals driving under these accounts and payments from the companies generated with these accounts.

Sixteen of the defendants have been arrested

in connection with the conspiracy and three remain at large. Barbosa and da Silveira are the fifth and sixth defendants to plead guilty in the case, respectively. If you believe that you may be a victim of the allegations in this case, please visit: <https://www.justice.gov/usao-ma/victim-and-witness-assistance-program/us-v-wemerson-dutra-aguiar-and-us-v-priscila-barbosa-et-al>.

The charge of conspiracy to commit wire fraud provides for a sentence of up to 20 years in prison, three years of supervised release and a fine of \$250,000 or twice the gross gain or loss from the offense, whichever is greater. The charge of aggravated identity theft provides for a sentence of at least two years in prison to be served consecutive to any other sentence imposed. Sentences are imposed by a federal district court judge based upon the U.S. Sentencing Guidelines and statutes which govern the determi-

nation of a sentence in a criminal case.

United States Attorney Rachael S. Rollins and Joseph R. Bonavolonta, Special Agent in Charge of the Federal Bureau of Investigation, Boston Division made the announcement. Valuable assistance was provided by the Massachusetts State Police; the Concord, Lexington, Plymouth, Wilmington, Marlborough and Village of Rye Brook (N.Y.) Police Departments; U.S. Customs and Border Protection; U.S. Postal Inspection Service and the National Crime Insurance Bureau. Assistant U.S. Attorneys Kristen A. Kearney and David M. Holcomb of Rollins' Securities, Financial & Cyber Fraud Unit are prosecuting the case.

The details contained in the charging documents are allegations. The remaining defendants are presumed innocent unless and until proven guilty beyond a reasonable doubt in a court of law.

in cities and towns facing food insecurity like Worcester," said Worcester Regional Food Hub Director Shon Rainford.

"The capital grant we received from the Executive Office of Energy and Environmental Affairs will help tremendously

in advancing this important opportunity to connect Worcester families with accessible, local, and healthy food by bring-

ing together the region's food hub with the region's transportation hub."

In the first year of the program, awardees have

been able to make local, fresh food production more efficient and accessible, lower the production cost, and increase dis-

tributors' ability to partner with SNAP, EBT, and other organizations.

REVERE CHAMBER OF COMMERCE HOLDS NETWORKING NIGHT

Photos by Cary Shuman

The Revere Chamber of Commerce (RCC) held a Networking Night April 13 at Mission Beach House inside SpringHill Suites, 400 Ocean Avenue.

Executive Director Amanda Schepici-Portillo welcomed members of the Chamber to the event. The guests enjoyed hors d'oeuvres and a night of business networking.

Revere Mayor Brian Arrigo and First Lady Daveen Arrigo received a warm welcome from

the many guests in attendance. The spectacular, new hotel that offers a picturesque view of Revere Beach and the ocean is symbolic of the resurgence of the area during the Arrigo Administration and Revere becoming a “go-to” destination.

In fact, the hotel is reportedly booked solid for the summer season.

Also in attendance was the new Chamber President, Patrick Lospennato.

Ms. Schepici-Portillo said the next Networking Night will be held in June.

"Our carpentry students have developed a reputation for themselves, and there's clearly now a demand for their work in this area," Superintendent David DiBarri said. "I'm so proud of all of the students who have contributed to making a tangible impact on the baseball programs at Northeast and in the communities Northeast serves."

The dugouts are the result of efforts by 41 Northeast students representing the communities of Revere, Chelsea, Wakefield, Woburn, Malden, Melrose, Saugus and Stoneham.
