STATE OFFERS ENERGY TPS

With the increase in winter energy costs, what are some quick and affordable changes one can do to lower my energy use?

Some energy-saving options that you can do yourself at home include:

- Checking and changing the air filter in your furnace on a monthly basis. Unclean filters slow down airflow and make the system work harder, thereby wasting energy.
- Adjusting your thermostat just a few degrees can make a big difference in your bill. When home, set your thermostat at 68 degrees Fahrenheit or lower for heating. Lower the thermostat 7 to 10 degrees Fahrenheit each time you leave the house

Council presidency for 2023 on docket for Jan. 9 meeting

By Adam Swift

On Jan. 9, the City Council will select a new council president.

Outgoing President Gerry Visconti said there is some speculation out in the city about who will jump in the race, but said he didn't want to comment on it until the actual vote takes place.

However the vote goes, Visconti said he doesn't expect any issues.

"I expect it to be a smooth transition, but then again, it is Revere," he said.

Current leader of the City Council, Gerry Visconti. The position of Council President will be voted on in the first meeting of the New Year.

Visconti said he is more than ready to assist with the transition for the new

president and vice president for 2023.

Ward 6 Councillor Richard Serino is the current vice president. Serino has announced that he will not be seeking reelection in November, but he still has a full year remaining to serve on the council.

Visconti said he enjoyed his time as council president, even with the ups and downs of the past year.

"Being my first time, it was very interesting, and as council president, you

ZBA turns down request for parking variance to allow for two-family home

By Journal Staff

The Revere Zoning Board of Appeals held its regular monthly meeting last Wednesday in the City Councillor Joseph A. DelGrosso City Council Chamber. Chairman Robert Tucker and fellow members Aklog Limeh, John Lopes, Arthur Pelton, and James O'Brien were on hand for the meeting.

The first matter the board took up was an application by Evergreen Property Solutions, LLC, 80 Piers Park Lane, Bos-

ton, requesting a variance of RRO Section 17.28.020, minimum parking requirements, to enable Evergreen to convert the existing single-family dwelling to a two-family dwelling on Lots 433 and 434 at 57 Stevens Street

Evergreen was seeking the variance because four parking spots are required for a two-family property, but it's proposal called for only three spaces.

The matter had been continued from the board's November meeting. A number of neighbors had spoken against granting

the variance at that time because they objected to the additional parking -- a two-family home requires four parking spaces per the ordinance -- being placed in the rear of the building.

Evergreen returned in December with a revised plan, eliminating the rear-yard parking, but only providing for three parking spaces, one short of the four that are needed. Atty. Joseph Catoggio represented the applicant. He outlined for the board that there already are two

Revere Chamber of Commerce launches 'Academy' Program for small businesses

By Cary Shuman

Amanda Schepici-Portillo accomplished a lot in her first year as executive director of the Revere Chamber of Commerce. She recruited several new members in the business community and is building upon that resurgence as the year 2023 begins.

Schepici Portillo's awards gala in November was such a smashing, sold-out success that guests are already inquiring about this year's gala.

She has added new initiatives for members, starting with this month's launch of the "Revere Chamber Academy," which will consist of training programs "to help people improve their business or start a business."

The first RCA program, "Improve Your Social Media Marketing Skills," is scheduled for Tuesday, Jan. 17 at 11 a.m. Schepici-Portillo will lead the online presentation. Also scheduled is a program on "How To Retain and Attract Great Employees," to be held Thursday, Jan. 26 at 6:30 p.m. at the Chamber's office located at 313 Broadway.

On Feb. 3 at 9:30 a.m., the Chamber will hold a "W-9 Day," at which time small business owners can fill out a W-9 form so they are eligible to be a vendor for the city.

Networking events return in February

Schepici-Portillo became executive director of the Chamber of Commerce in September, 2021. One of her first goals was to increase the organization's membership, and it has grown to 70 members.

The Chamber held a se-

ries of networking events in Schepici-Portillo's first year, and those will continue on an every-other-month basis this year. The first networking event of 2023 will be held Feb. 8 at 6:30 p.m. at Mission Beach House.

New board members added

Patrick Lospennato, whose leadership as president of the board of directors has been exemplary, will continue to serve in that position. The board has welcomed two new members, Danna Jimenez, a loan office at Prime-Lending, and Amanda Bonasoro, owner of Bono Appetit Meal Prep.

Amanda Schepici-Portillo has begun her second year as the executive director of the Revere Chamber of Commerce.

"We're getting off to a busy start in the new year," said Schepici-Portillo. "We're looking forward to an exciting year ahead. We encourage businesses to look at our web site for information about registration for our Training Academy and our networking events."

get to be involved in so much,” he said. “It was an interesting year, to say the least.”

One large, looming piece of business for the council in the new year is the Revere High School building project and its nearly \$500 million price tag.

With deadlines for submittals to the Massachusetts School Building Authority looming, at its last meeting of 2022, the City Council voted to send the project, with its nearly \$500 million estimated price tag, to committee for further discussion.

According to Brian Dakin of Leftfield, the \$499 million worst case scenario budget estimate needed to be sent to the MSBA in December as part of the approval process of the schematic design process of the project. The MSBA would then review the project budget and timeline over January and February before making a decision in March which would set the state reim-

bursement rate and clear the way for the city to put the project out for bonding for its portion of the cost.

But a number of councilors balked at having less than a week to review a half-a-billion dollar project.

Once the new council president and vice president are selected, Visconti said the subcommittee memberships and leadership will be determined, with the high school project being sent to the ways and means subcommittee.

Visconti said it is likely the review of the high school project will be slated for a meeting within a week or two of the Jan. 9 organizational meeting.

“There is some information we need to come from the administration and the CFO on the cost and how this is going to be paid for,” said Visconti. “We can’t put the cart before the horse, we need to know how this is going to be paid for. This is the biggest investment the city is going to make.”

Testing Positive for COVID-19 | Steps to take next

So you tested positive for COVID-19, what now?

1. Call your doctor!
 2. Start isolating.
- Please isolate in your home for at least 5 full days from either your symptom start date or the date of your positive test.

If you're still feeling sick, DO NOT LEAVE ISOLATION AFTER DAY FIVE. Stay at home.

Your symptoms must be gone for 24 hours or more to be cleared from isolation.

If possible, start isolat-

ing from people in your home: stay in a separate room, if possible use a different bathroom from the rest of your household or clean the bathroom well after each use. Wear a mask if you are around other family members, and don't prepare meals with your family if possible.

3. Call your close contacts!

Call anyone who you were in close contact with for the two days before your positive test or two days before you started developing symptoms. Let them know that they

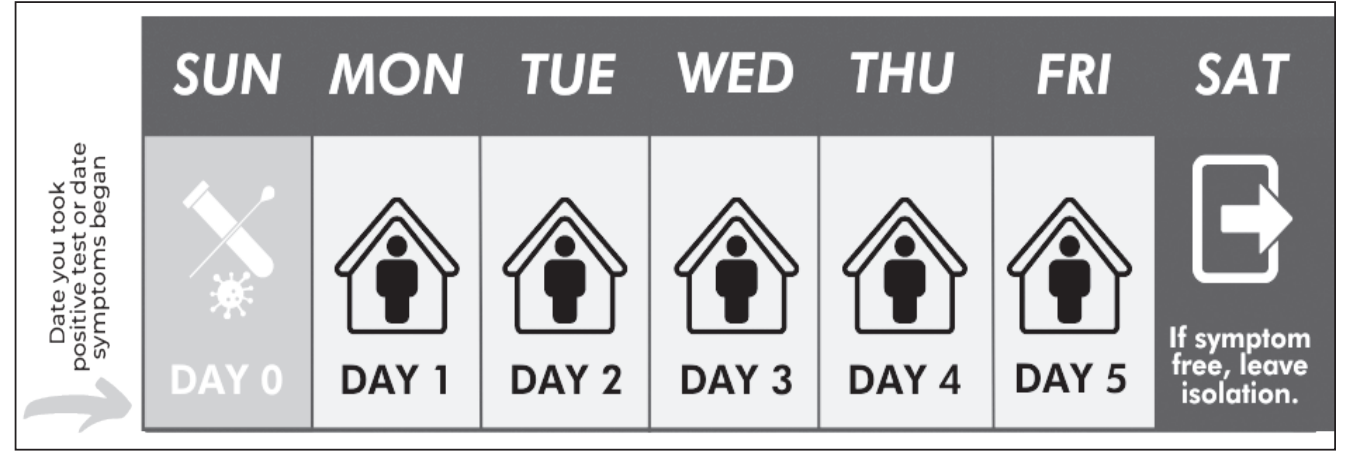

potentially have been exposed to COVID and need to take appropriate steps.

Your close contacts may also need to quarantine and should get tested about 3-5 days after exposure. Learn more about where to get tested in Revere here.

4. If you took an at-home COVID-19 rapid test and got a positive result, please assume you are positive and follow the instructions above.

5. The COVID-19 Hotline (617-933-0797) is available to the communities of Cambridge, Revere, Chelsea and Win-

throp. The purpose of this hotline is 1) to provide COVID-19 guidance to people in our communities, and 2) to provide resource coordination to residents isolating at home away from others so that households can meet essential needs during the isolation period. Resource Coordinators are able to provide information on or referral for food, treatment, financial assistance mask and test access vaccine scheduling, etc. Hours of operation are M-F, 9-4:30pm, and calls are typically returned the same day.

for two or more hours, and then again when you go to sleep at night.

- In the winter, open window dressings during the day to capture warmth and close them at night to prevent heat loss.

- Keep your fireplace damper closed unless a fire is burning. Keeping the damper open is like keeping a window wide open during the winter – it allows warm air to escape right up the chimney.

- Switch to ENERGY STAR® certified light-emitting diode (LED) bulbs. LEDs use up to 90 percent less energy than incandescent bulbs and last up to 25 times longer.

- How can the Sponsors of Mass Save help one with financial or billing assistance?

The Sponsors of Mass Save offer two income-based offerings the Enhanced Residential In-

cenives and the Income Eligible Program. Both start with a no-cost Home Energy Assessment and offer discounted or no-cost products and services. You can use this table to determine if you qualify for either of these offerings. Information about State and Federally funded payment assistance programs that provide relief on winter heating bills can be found on your utility's website. Local Community Action Agencies may also provide bill assistance and financial assistance toward home improvements. Lastly, you can enroll in a budget or balanced billing plans, which allows you to pay the same amount each month for energy. Based on an estimate of your energy usage for the year, your utility will bill you in 12 equal increments.

- What is a no-cost energy assessment, and how does one qualify?

Whether you're a homeowner, renter, landlord, or business owner, the Sponsors of Mass Save® offer no-cost virtual or in-person Energy Assessments. This assessment is a great way to find energy-saving opportunities within your home or business. An Energy Specialist will assess your current energy use, help you develop a plan to make your home or business more energy efficient, as well as educate you on available rebates and incentives.

- What kind of help can one expect to receive from the Sponsors of Mass Save?

On top of no-cost assessments and financial assistance programs, the

Sponsors of Mass Save also offer a range of rebate options and incentives. To see available rebate options for both your home or business, follow the links or visit www.mass-save.com

- Where do one go to get energy efficient products? (Mass Save Marketplace)

To find and purchase affordable energy efficient products, use the Mass Save Marketplace. Access sales through the residential or commercial marketplaces for items such as electronics, appliances, and other equipment, valid through 12/31/22.

ESTADO OFRECE CONSEJOS ENERGÉTICOS

- Con el aumento en los costos de energía durante el invierno, ¿cuáles son algunos cambios?

Algunas opciones de ahorro de energía que puede hacer usted en casa incluyen:

- Revisar y cambiar el filtro de aire de su horno mensualmente. Los filtros sucios bloquean y reducen el flujo de aire, haciendo que el sistema trabaje más y desperdicie energía.

- Ajustar su termostato solo unos pocos grados puede hacer una gran diferencia en su factura. Cuando esté en casa, configure su termostato a 68 grados Fahrenheit o menos para la calefacción. Baje el termostato de 7 a 10 grados Fahrenheit cada vez que salga de la casa por dos horas o más, y de nuevo cuando se vaya a dormir por la noche.

- En invierno, abra las

cortinas/persianas durante el día para captar el calor y ciérralas por la noche para evitar la pérdida de calor.

- Mantenga cerrada la compuerta de la chimenea a menos de que haya fuego. Mantener la compuerta abierta es como mantener una ventana completamente abierta durante el invierno: permite que el aire caliente escape por la chimenea.

- Cambie a bombillas de diodo emisor de luz (LED por sus siglas en inglés) certificadas por ENERGY STAR®. Los LED usan hasta un 90 por ciento menos de energía que las bombillas incandescentes y duran hasta 25 veces más.

- ¿Cómo pueden ayudarme los patrocinadores de Mass Save con asistencia financiera o de facturación?

Los patrocinadores de Mass Save® ofrecen dos ofertas con base en los ingresos: los Incentivos Residenciales Mejorados y el Programa Elegible Según los Ingresos. Ambos comienzan con una evaluación de energía del hogar sin costo y ofrecen productos y servicios con descuento o sin costo. Puede usar esta gráfica para determinar si califica para cualquiera de estas ofertas. Puede encontrar información sobre los programas de asistencia de pago financiados por el estado y el gobierno federal que brindan alivio en las facturas de calefacción de invierno en el sitio web de su empresa de servicios públicos. Las Agencias de Acción Comunitaria Local también pueden brindar asistencia con las facturas y asistencia financiera para realizar mejoras en el hogar. Por último, puede inscribirse en un plan de presupuesto o facturación balanceada, que le permite

pagar la misma cantidad cada mes por energía. Según una estimación de su uso de energía para el año, su empresa de servicios públicos le facturará en 12 incrementos iguales.

- ¿Qué es una evaluación de energía sin costo y cómo califico?

Ya sea propietario de una vivienda, inquilino, arrendador o dueño de un negocio, los patrocinadores de Mass Save® ofrecen evaluaciones de energía virtuales o en persona sin costo. Esta evaluación es una excelente manera de encontrar oportunidades de ahorro de energía dentro de su hogar o negocio. Un especialista en energía evaluará su uso actual de energía, lo ayudará a desarrollar un plan para hacer que su hogar o negocio sea más eficiente energéticamente y lo educará sobre los reembolsos e incentivos disponibles.

- ¿Qué tipo de ayuda puedo esperar recibir de los patrocinadores de Mass Save?

Además de evaluaciones sin costo y programas de asistencia financiera, los patrocinadores de Mass Save® también ofrecen una variedad de opciones de reembolso e incentivos. Para ver las opciones de reembolso disponibles para su hogar o negocio, siga los enlaces o visite www.masssave.com

- ¿Dónde debo ir para obtener productos energéticamente eficientes? (Mass Save Marketplace)

Para encontrar y comprar productos económicos de bajo consumo, utilice Mass Save Marketplace. Acceda a las ventas a través de los mercados residenciales o comerciales de artículos como electrónicos, electrodomésticos y otros equipos, válidos hasta el 31/12/22.

SPOTLIGHT

The new year at RevereTV begins with a handful of new cooking shows! If you tune in to the Community Channel, you will see episodes of "What's Cooking, Revere?" and "Fabulous Foods with Victoria Fabbo" playing all week. Victoria Fabbo is a local dietician and chef who began her TV journey at RTV being featured on "What's Cooking, Revere?" She had been recording so many episodes in the kitchen studio that she now has her own program. In Fabbo's latest episodes, you can follow along as she makes beef stew, beef braciole with vegetables, and creates her own twist on lasagna. For the latest on "What's Cooking, Revere?," the recipes are led by community member Diana Cardona and another by the owners of Valsos Table and Bar. You can find all of RevereTV's cooking programs posted to YouTube to be viewed at any time.

Last Sunday, the Community Channel was stacked with some top programs and fun event coverage from 2022. These programs included sports coverage, community event coverage, educational forums, and popular cooking shows. This schedule was put together as a highlight reel of the past year to celebrate as we move on to 2023. For another chance to commemorate 2022 with RevereTV, the schedule will repeat this Sunday. Tune in to channel 8/1072 on Comcast and 3/614 on RCN to watch.

The Game of the Week this week is RHS Girls Basketball vs. Medford tomorrow at 6pm. Watch it live on the Community Channel, Facebook, and YouTube. Last week's game was RHS Girls Basketball vs. Milton and it is now replaying on television. Games posted to social media may be taken down until the end of the season, but replays will be scheduled on RTV at various times over the weeks following each game.

If you are interested in becoming a member at RevereTV, call 781-426-9498 to schedule an appointment to tour the studio and learn more about what RTV can offer. Memberships are free to any resident of Revere. As a member, you will be able to take classes on production and editing that can lead you into being an independent producer of your own show. Some community members join to take on a volunteer role on community shoots. RevereTV hopes to continue to be your community source through 2023, and thanks all new and old community members that help to keep the studio's programming possible.

Prohibition Discussed
at Weekly Meeting
of Kiwanis Club

COL. JULIAN CODMAN
SPEAKS ON PROHIBITION

Facts and figures to support the contention that public sentiment throughout the country is gaining in favor of repeal of the prohibition amendment, were presented by Col. Julian Codman, an active leader among the Crusaders and other anti-prohibition organizations, at the weekly luncheon meeting of the Revere Kiwanis Club in the Legion Memorial building, Wednesday.

He explained that the prohibition amendment was voted through the combined efforts of the Anti-Saloon League, Federation of Churches and other similar organizations, joined by a large number of persons who believed in temperance and felt that prohibition would mean better conditions than prevailed at the time. Since then, public sentiment has changed and many of those who voted for prohibition have changed their views of the subject, he said.

In support of his claim, Col. Codman quoted figures compiled by the Literary Digest in its nation-wide poll. The poll conducted in 1922 showed only 10 percent of the ballots returned while the poll conducted in 1930 showed almost 25 percent of the 20,000,000 ballots sent out returned. That in itself showed that there was a greater interest in the prohibition question, he said. The figures also showed a larger proportion favoring the repeal. The election of more members of Congress who are in favor of repeal is another indication that sentiment favors a change in the present prohibition law, he said.

Dr. Frank E. Rowe, who completed his term as president, presided for the last time. At the next regular meeting, Dr. George A. Bruns, will assume the office of president. A turkey dinner was served and there was community singing led by Dr. Bruns, with Arthur H. Curtis at the piano. Rev. Arthur Swift, pastor of the First Baptist Church, was present as the guest of Rev. E. Ambrose Jenkins, one of the club members.

The Junior "Y" of Revere will debate in Lynn, Sunday evening at 15 City Hall square, at the Lynn Y. M. H. A., at 7:30.

Rev. Harold Travers
Celebrates First Mass

More than 1500 people thronged the Immaculate Conception church at 11.30 Sunday morning to hear the Rev. Albert William Travers, C. P., youngest son of Mrs. Marion Travers of 81 Winthrop avenue, celebrate his first mass.

Rev. Travers, the youngest of a family of eight children, is well known throughout the city, coming here with his family about 10 years ago.

He was assisted in his mass by Rev. James Donovan, C. P., as deacon, and Rev. J. Canice, C. P., as sub-deacon. The Rev. Timothy Holland, pastor, and the Revs. John MacEachern and John McGinley were also on the altar.

The sermon was delivered by Rev. W. J. P. The ushers were Mr. and Mrs. Arthur Andrews, a brother of Mr. Andrews.

Following the mass a reception was given to Fr. Travers at his home. Throughout the day more than 500 of his friends joined in extending to him their best wishes.

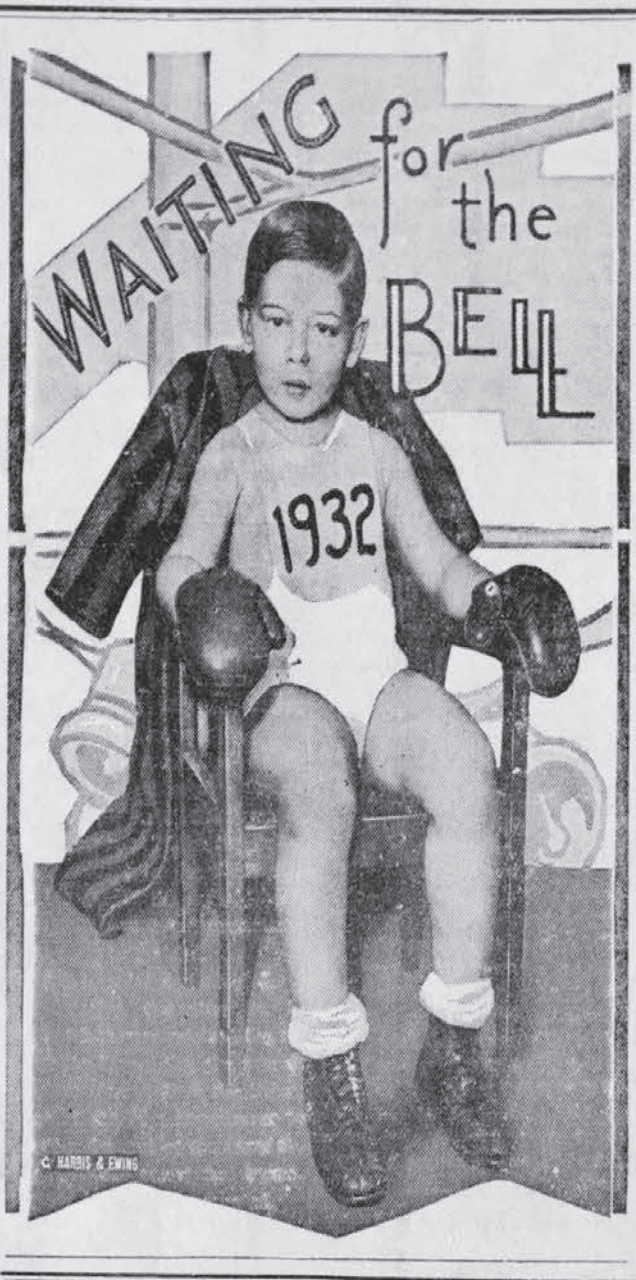

Laura Hamlin Tent
Celebrates Anniversary

Members of the Laura Hamlin Tent, D. U. V., celebrated their 19th anniversary with a supper and Christmas party Monday night at the home of Mrs. Walter Sancrie o 417 Park avenue.

Supper was served at 6:30 p. m. followed by entertainment, games and the singing of Christmas carols. Later in the evening, gifts were presented to all the members by Santa Claus.

Guests of the evening were Department President Mrs. Francis Marshall, National Treasurer Mrs. Mattie Tucker, the mother of the local tent. Mrs. Melissa Gilman, past president, was chairman of the committee in charge.

Patrolman Maynard Rogers returned Wednesday from a vacation in Kentucky and Tennessee and said that the conditions in the coal mining regions were the worst ever experienced in that section.

REVERE COUPLE MARRIED
IN WASHINGTON, D. C.

News of a romance of Revere High School days came to light during the past week with the announcement of the marriage of James Paul Gallagher, son of Councilman and Mrs. William H. Gallagher, and Virginia S. Casale, daughter of Mr. and Mrs. Pliny Lombardi of 69 Winthrop avenue.

They were married in Washington, D. C., Dec. 22 and a few days later returned to this city. They are making their home temporarily with the bridegroom's parents at 265 Campbell avenue.

Young Gallagher graduated from Revere High School last June and it was while attending school that he met the present Mrs. Gallagher. He was active in dramatic circles during his High School days and popular with his classmates. He is now employed by a large shipping firm in East Boston.

LEGION NEW YEAR PARTY

Revere Post, American Legion has completed plans for its New Year's Eve party to take place at the Legion Memorial building, Broadway. There will be entertainment, banquet, and dancing. Mark Bronson is in charge of the arrangements.

Rep. Airola Seeks
Better Car Service

Plans for a better transportation system throughout the city and the introduction of the Boston Elevated service along Broadway are being pushed by Representative Airola of Revere. During the coming session of the Legislature, Rep. Airola will introduce several major transportation bills which if passed will aid materially in the economic development of the city.

Court Issues Decree
Against Slaughter House

The long legal battle of the City of Revere to enjoin Max Riseman and Celia Safferson from operating a slaughter-house on the premises of 295 Revere street, ended in a victory for the city Monday when Judge Frederick W. Fosdick of the Suffolk Superior Court issued a decree against the defendants.

The fight which developed strong opposition from the residents of the Revere street section of the city attracted a great deal of attention in local politics for a time.

The original permit was granted by the Board of Health which allowed the erection of the building for slaughter house purposes. Judge Fosdick in rendering his decision stated that the board had no power to issue such a permit.

On the strength of this permit the defendants erected a costly building. A protest was lodged with the Board of Health and was later taken to court by the city.

Engagement Announced

The announcement of the engagement of Miss Ruth Millar daughter of Mr. and Mrs. Athol Millar of 66 John Mooney road, to John Farrell, son of Mr. and Mrs. John Farrell of Beach street, has been announced.

Miss Millar is well known in the younger set here and is a graduate of Revere High School, class of 1929. No date has been set for the marriage.

ST. ANN'S SUNDAY SCHOOL
HOLDS CHRISTMAS PARTY

A large crowd of children attended the annual Christmas party of St. Ann's Sunday School classes held on Tuesday evening in the church rooms. A well filled Christmas tree was the object of most of the attention from the children, who also enjoyed games and joined in community singing.

Found Guilty of
Drunken Driving

Joseph Duffy, 55, of 485 Revere street, was found guilty of two offenses by Judge Stearns, Monday, in the Chelsea district court. Duffy was given a suspended term of 60 days in the house of correction and then placed on probation until April 28, 1932, for operating an automobile while under the influence of intoxicants. For driving so as to endanger, he was fined \$20 and allowed until January 20 to pay.

The complainant, Frank Visca of 9 Burnham street, testified Duffy's car collided with his machine on Revere street, Nov. 27, damaging it. Nobody was injured.

WE ARE LIVING -- AND DYING -- WITH COVID-19

Although the restrictions -- masking, social distancing, etc. -- that were imposed during the first two years of the COVID-19 pandemic are largely gone and forgotten by the vast majority of Americans, the unfortunate reality is that COVID-19 has not forgotten us.

More than 315 Americans still are dying each and every day from COVID-19 -- that's about 115,000 deaths per year -- making COVID-19 the third leading cause of death in the U.S. after heart disease and cancer.

Ordinarily, those huge numbers would be cause for a public health emergency. But in comparison to the 3,000 deaths per day that were occurring during the first two years of the pandemic, it seems we've become complacent.

We also would note that beyond the still-shocking death toll, COVID-19 continues to wreak havoc with our economy, with even the most conservative estimates asserting that thanks to time lost from work, hospitalizations, long-term medical care, and other disruptions, COVID-19 continues to cost us more than \$500 billion per year -- a huge sum attributable to a little bug.

Perhaps one reason why we have become so blase about the risks of COVID-19 -- beyond "pandemic fatigue" -- is that COVID-19 has become a deadly disease almost exclusively among our country's senior citizens.

Since the beginning of the pandemic, people 65 and older accounted for 75 percent of all American COVID-19 deaths. That dropped below 60 percent as recently as September 2021. But today, Americans 65 and over account for 90 percent of new COVID-19 deaths, even though 94 percent of American seniors have some level of vaccination.

However, far too many seniors have not received the new bivalent booster that became available a few months ago. Given that the immune systems of those over 65 are weaker to begin with and that the protection of the vaccine weakens over time, especially for seniors, the failure of senior citizens to get the latest bivalent vaccine booster has created a perfect opportunity for COVID-19 to infiltrate our senior population.

In our view, there are two takeaways from these statistics: First, every senior should get the new bivalent booster ASAP. Second, those who come into contact with seniors, whether in their personal or business lives, should wear a mask in order not to spread the disease to our most-vulnerable population.

Sorry to say, COVID-19 is not going away anytime soon. But two simple steps for our seniors and those who care about them -- an updated vaccine and a mask -- can go a long way toward mitigating the ongoing human tragedy of this insidious disease.

PELE, THE ONE AND ONLY

Over the course of the past 60 years, there was one person who indisputably was the most famous man on the planet -- and that person was Pele.

Even those who knew nothing about soccer -- or any other sport -- still recognized his name in all four corners of the globe.

Pele revolutionized not only the game of soccer with his speed, finesse, power, and skill, but also the sports world in general. He became the first global superstar and elevated athletic competition into the realm of the international arena more than any person ever has.

It is because of Pele that more American children -- boys and girls -- play soccer today than any other sport in our country.

But what truly made Pele great was his incredible humility. He became an international star at the age of 17 when he led Brazil to the first of three World Cups in 1958, but throughout his long life, he never forgot his roots in the impoverished favela of his hometown of Santos, where he learned his soccer skills on the streets.

Pele served as an ambassador both for his country and the world of sports for decades, radiating his warm smile and joy wherever he went.

Pele was a beautiful man who played the beautiful game as no one ever has, both on and off the pitch. He will be missed.

Correction re: The License Commission is not the ZBA

In last week's Journal, we published two news articles under the headlines, "ZBA addresses neighbors' complaints at two businesses" and "ZBA approves one new license, some changes, and many renewals." In addition, both articles referred to "The Revere Zoning Board of Appeals" in the very first sentence. Those news stories presented accurate descriptions of what transpired at the meeting.

But there was one "minor" problem: The meeting was conducted by the Revere License Commission, not the Zoning Board of Appeals. We have no real explanation for the snafu, other than that it was holiday time and we were rushing about to meet our deadlines.

Still, it was a screw-up.

On the other hand, as we often say to the younger members of our staff, "This is not our first mistake, and it won't be our last."

We recall that 30 years or so ago, a headline from our sister newspaper, the Chelsea Record, made it onto Jay Leno's regular comedy segment on the Tonight Show when he would highlight newspaper ads, stories, and headlines that had humorous misspellings, etc. Our mix-up was that we confused the "spring-forward/fall-back" notice for the change of the clocks for Daylight Savings Time.

It got a lot of laughter from the audience and actually, we were delighted that the Chelsea Record had made it onto Jay Leno's Tonight Show. Yes, our moment of fame was unflattering, but we had a good laugh too. (And we never made that mistake again!).

So we all live and learn, as the saying goes, and we will do our best not to confuse the ZBA with the Licensing Commission -- or with the Human Rights Commission, the Conservation Commission, the Board of Health, the Housing Trust Fund, or any of the other boards, commissions, and committees we cover -- in the future.

For the record, the Zoning Board of Appeals story in this week's Journal is indeed about last week's ZBA meeting -- and yes, we double and triple-checked both our headline and story!

GUEST OP-ED

Those who are grieving and suffering loss

By Dr. Glenn Mollette

Throughout the years, many of us watched Barbara Walters from NBC to ABC. I always tried to watch her special interviews. Often, the people she interviewed on prime-time television specials were "the" high profile people at that given time. She became the highest paid journalist of her day being the first to sign a million-dollar contract with ABC.

Regardless of what we do in life we are still confronted by difficulties that often debilitate us. Walters had survived her own personal struggles, like we all do, including four divorces. Unfortunately, her reported battle with dementia took its toll on her health. We can all accomplish much in life. Maybe not as much as Walters or maybe even more. Regardless, there is much about life we can't do anything about other than try to deal with it and do the best we can.

At least 37 people died from the recent winter

storm in Buffalo, New York. Families are grieving. Hurricanes, tornadoes, floods, freezing temperatures, and snow have wreaked devastation on our country in the last twelve months. Loss of life can come from disease, weather, accidents or unconscionably by design.

We all have been horrified by the death of four college students in Moscow, Idaho. It's been beyond us how four beautiful people could be stabbed to death in their beds reportedly between 3:00 and 4:00 in the morning. A young man who is a student at nearby Washington State University on the Pullman campus has been arrested at his parents' house in Albrightsville, Pennsylvania. Moscow police believe they now have the murderer in custody.

How anyone could commit such a heinous crime is beyond our comprehension. I'm sure it was beyond the scope of thought for these innocent young adults. We never know who is taking note

of our lives, whereabouts and activities. Regardless of how calm and safe your community seems you can't take anything for granted. Lock your doors. Lock your bedroom door. Keep your handgun on your lampstand and try your best to create an environment that protects you as much as possible. With so many people sleeping in the rental house in Moscow, I'm sure these young college students felt safe. What appeared to be safe for them became an opportunity for an evil mind.

Typically, the attacker has the element of surprise on his side. It's always best to try to think ahead. Sadly, four Idaho University students were killed by someone who planned, plotted, and was patient enough to find the right moment to carry out the murders.

Accepting and dealing with what we cannot change is one thing. Preparing for life but rolling with the punches, the turns and twists is another. Being watchful, careful, and never taking anything for granted could make the difference between life and death

Pray for these families and all the many friends and loved ones as they grieve and suffer from such devastating loss.

State Treasurer's office launches small business toolkit and resource map

Special to the Journal

Massachusetts State Treasurer, Deborah B. Goldberg, recently announced the launch of the Treasurer's Office's newly designed Small Business Resource Toolkit website. The toolkit provides access to comprehensive resources and materials for small business owners and future entrepreneurs in Massachusetts.

Under the direction of Treasurer Goldberg, the toolkit was designed to provide a range of relevant, important information, often needed, when facing the enormous challenge of starting a small business for the first time.

Typically, it has been impossible to easily find the resources and advisors that can help lead to success. This website offers valuable educational materials on how to plan, maintain, and grow a successful small business.

"By collecting relevant resources in one place online, we are providing an understandable road map for people as they begin to develop and open their own businesses," said State Treasurer Deborah B. Goldberg. "One of my top priorities has been to ensure that everyone has equal access to the tools and information they need to succeed. And by supporting the growth of

independent small businesses, we not only positively impact their own development, but also our local communities and the state's economy, in many positive ways."

To help ensure that small businesses thrive, this toolkit provides additional information about banks, community development financial institutions (CDFIs), and community partners available across the Commonwealth.

"Successful small businesses are critical generators of wealth, they are the backbone of the economy," said State Senator Lydia Edwards (D-Boston). "I am so thankful

to Treasurer Deborah Goldberg and her team for creating a website that serves as a one-stop-shop for small businesses new and old. I look forward to sharing this new resource with my constituents."

"The State of MA Treasurer's Office has taken yet another step to actively support economic empowerment for entrepreneurs and small businesses throughout the Commonwealth," said Samilys Rodriguez, Director – Eastern Massachusetts Center for Women & Enterprise. "The Center for Women & Enterprise Women's Business Centers are just one of many business resources in the Treasurer's

new Small Business Resource Toolkit, which can provide additional support and guidance for clients to achieve their next business milestones."

"Congratulations to the Office of the Treasurer's team for their hard work and dedication in creating a website that connects and provides resources for business owners in Massachusetts," said Aliesha J. Porcena, City of Boston Director of Office of Economic Opportunity & Inclusion. "At the City of Boston, we are committed to working across agencies, to make sure business owners have the resources and tools to start, grow, and build a business

in Boston. As we work to address the many hurdles that businesses face, and build a community of support for businesses, this tool is an effort in that direction."

There are several organizations and community partners across the state that help business owners with technical assistance and business counseling. The Treasurer's Office's website has identified these organizations and placed them by county and category on a Small Business Resource Map. This map will be updated on a regular basis.

Banks Team with MVES to support financial stability; donations total \$55,000

Staff Report

Local banks are helping to address one of the most difficult challenges facing our community: financial management.

The Money Management Program at Mystic Valley Elder Services (MVES) assists older adults and people with disabilities with budgeting, bill paying and keeping track of financial matters. MVES recently accepted generous donations and sponsorships from the following:

- Brookline Bank
- Eagle Bank
- East Cambridge Savings Bank
- Eastern Bank Charitable Foundation
- Everett Bank
- Metro Credit Union
- M&T Bank Foundation/People's United Community Foundation of Eastern MA
- Northern Bank & Trust Company
- Patriot Community Bank
- Salem Five Charitable

Foundation

- Stoneham Bank
- The Savings Bank/TSB Charitable Foundation, Inc.
- Wakefield Co-operative Bank
- Winchester Savings Bank
- Winchester Co-operative Bank

These banks have already contributed a combined total of \$55,000 this year to support the Money Management Program.

"Without the support of these banks, the Money Management Program could not accomplish its goal of helping people stay in the community and stay independent," said Lisa Gurgone, MVES Chief Executive Officer. "We are truly grateful for our partners in the business community."

Financial challenges are a growing problem for older adults. The average debt of households aged 65 and up nearly tripled from 1989 to 2016, according to a 2021 report by the Congressional Research Service. The percentage of households aged 65 and up that held any debt increased from 37.8% to 61.1% in that time. In addition, the report found that in 2019, 4.9 million people aged 65

and older lived in poverty. Since 1990, the Money Management Program has assisted older adults and people with disabilities throughout the MVES service area. The program's trained and insured volunteers help prevent evictions and loss of utilities and safeguard residents from financial exploitation and abuse.

"We are grateful that providing financial education opportunities is a core value for these banks," said Larry Poirier, longtime Money Management Program Manager for MVES. "With their generosity, our volunteers make an immediate and meaningful impact in the community."

Please call 781-324-7705 or email info@mves.org if you are interested in sponsoring the Money Management Program, becoming a volunteer, or know someone who could benefit from the program.

Larry Poirier, Money Management Program Manager, and Alex Ragusa, Program Associate, assist older adults and people with disabilities throughout the MVES service area. With support from local banks, said Poirier, MVES volunteers "make an immediate and meaningful impact in the community."

Celebrate Catholic Schools Week 2023

January 29 - February 4
#CSW23

Catholic Schools
Faith. Excellence. Service.

This year's theme is "Catholic Schools: Faith. Excellence. Service." Catholic schools have a specific purpose to form students to be good citizens of the world, love God and neighbor and enrich society with the leaven of the gospel and by example of faith.

As communities of faith, Catholic schools instill in students their destiny to become saints. Academic excellence is the hallmark of Catholic education intentionally directed to the growth of the whole person – mind, body and spirit. Finally, service is fundamental to Catholic education and the core of Catholic discipleship. Service is intended to help form people who are not only witnesses to Catholic social teaching, but also active participants through social learning.

OBITUARIES

Valerie Hudson

She will forever be remembered for cherishing her family, they meant the world to her

A funeral will be conducted today, Jaunuary 4, at 10 a.m followed by a Funeral Service in the funeral home at 11 a.m. from the Vertuccio & Smith, Home for Funerals, 773 Broadway (Rt. 107) Revere for Valerie G. (Paiva) Hudson who died on Tuesday, December 27 at the Massachusetts General Hospital, after sustaining a fall at home. She was 76 years old.

Interment will follow in Puritan Lawn Memorial Park, Peabody.

Valerie was born in Cambridge and lived in Revere all her life. She was educated in Revere Public Schools and was a graduate of Revere High School, Class of 1964. Following high school, she followed her passion and became a hairdresser. She worked as a hairdresser in Boston for Salon Mirabella.

She married the love of her life, Leslie W. "Bill" Hudson in 1968. They remained in Revere where they raised their two children together and made their home.

Valerie provided a loving and nurturing home for her family and she loved cooking and baking for them all the time. She was an incredible cook and enjoyed feeding family and friends. She was fastidious about her home and while working full time, always kept it perfect.

She was artistic in many ways and loved gardening

and being surrounded by beautiful flowers.

She was also known for shopping for "things." She will forever be remembered for cherishing her family, they meant the world to her.

The beloved wife of 54 years of Leslie W. "Bill" Hudson, she was the loving mother of Kimberly A. Recupero and her husband, Michael and Leslie W. "Billy" Hudson Jr., all of Revere, the cherished Nana of Joshua Recupero of Revere and Jeremy Recupero of Everett. Valerie is also lovingly survived by her brothers and sisters in law and many nieces, nephews, grandnieces and grandnephews.

In lieu of flowers, remembrances may be made to St. Jude Children's Research Hospital, 501 St. Jude Place, Memphis, TN 38105 or by visitingwww.stjude.org

Gerald Sasso

Former Revere Police Department
Mechanic

Family and friends are respectfully invited to attend Visiting Hours on Friday, January 6 from 9 to 11:30 a.m. in Vazza's "Beechwood" Funeral

Home, 262 Beach St., Revere for Gerald T. "Jerry" Sasso who died peacefully in the loving presence of his family at home on December 30 following a long illness. He just celebrated his 80th birthday on December 9th. A Funeral Mass will be celebrated in St. Anthony of Padua Church, 250 Revere St., Revere at 12 p.m. followed by interment in Cedar Grove Cemetery, Peabody.

Jerry was one of two children born to his late parents. He was raised and educated in Revere Schools and graduated from Revere High School.

Jerry knew his calling early on, as he became an auto mechanic. He always had a passion for cars and enjoyed working on them. His entire working career was spent as a mechanic. He owned and operated Jerry's Texaco in Revere and later Jerry's Mobil in Middleton. He then left and worked at several car dealerships where he became the service manager. He was most remembered for being the mechanic for the Revere Police Department, where he spent the later part of his career, for over 15 years, before retiring in 2005.

Jerry married his wife, Jean on November 11, 1963. The couple remained in Revere where together they raised a son, Jerry and a daughter, Jill. He was a hardworking

man, providing for his family.

In 2012, they left Revere and moved to Peabody. Jerry enjoyed fixing things around the house, working on the cars and enjoying time with friends. He truly loved when he and his wife traveled, especially to Aruba, his favorite place to be. Jerry also enjoyed smoking his cigars. He will be remembered as a loving husband and father, a loyal friend and a good man.

He is the beloved husband of 59 years of Jean R. (DeYeso) Sasso of Peabody, formerly of Revere, the loving father of Gerald P. Sasso of Peabody and Jill P. Sasso of Middleton and the dear brother of the late Joseph J. Sasso. He is also lovingly survived by his canine pal, "Buddy" and several nieces, nephews, grandnieces and grandnephews.

In lieu of flowers, remembrances may be made to Care Dimensions, 75 Sylvan St., Danvers, MA 01923. For online condolences and guest book, please visit: www.vazzafunerals.com.

Michael T. Kippenberger

Retired Revere Fire Department
Lieutenant

A Funeral Service was conducted on Saturday, December 31 in the Vertuccio & Smith Home for Funerals for Ret. Revere Fire Department Lt. Michael Thomas Kippenberger who died unexpectedly on Friday, December 23 at the Lowell General Hospital. He was 70 years old. Interment with Military Honors took place in Woodlawn Cemetery, Everett.

Michael, also known as "Kippy" or Mike, was born in Chelsea to his late parents, Ret. Revere Fire Department Capt. Paul F. Kippenberger, Sr. and Irene T. "Renee" (Tuite) Kippenberger. He was the middle child of his brother and sister. He grew up on Harrington Street in Revere, was educated in Revere Public Schools and was a graduate of Revere High School, Class of 1971.

Following high school, Kippy enlisted in the United States Navy and proudly and faithfully served his country. When he returned home, he and his family moved to Topsfield.

Kippy started working in construction as well as any other way he could make a buck. On October 1, 1976, he married Mary Ellen (Haggerty.) Kippy followed in his father's footsteps both working for him as a locksmith at Atlantic Lock of Revere, as well as following his steps getting sworn in at Revere Fire Department.

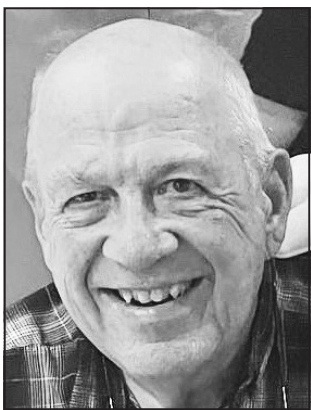

Mike and MaryEllen moved to North Street in Topsfield in April of 1981, after welcoming their only son, Michael in December of 1980. This new home, that he built himself (with the help of many) was something that made him proud. He, his wife and his son enjoyed many happy memories on North Street.

While on the fire department, he rose to the rank of Lieutenant and retired after 25 plus years on the job. He always looked back on his time in the department with fondness.

Along with firefighting, Kippy owned and operated his own locksmith business, MTK Locksmith, in which he was still working for over 40 years until his sudden death.

When times got tough financially, Kippy would jump on a construction crew or grab a few more details down the track or plow snow to help his family get by. His son, Michael also worked alongside him for many years. MTK Lock installed many locks on many houses in the Tri-Town Area, as well as many businesses. He was talented in his trade and he was recommended by many not only for his honesty and knowledge, but you were guaranteed a laugh or two. One of his biggest and longest accounts was being the subcontracted locksmith for the Burlington Public Schools for many years.

He met many people

through working in Burlington and throughout the North Shore. These relationships and friendships were so valuable to him. It was all about "who ya know" with Kippy.

The greatest joys in life were his family. Kippy consistently talked about his family and how incredibly proud he was of them.

He was so proud that Michael went to college, that he met his wife, Lauren (the daughter he never had) and their life together. He was overjoyed at the birth of his grandson, Michael. He treasured being a papa and being able to do many things with his grandson, including a recent trip to Disney World with him in July. He was really starting to enjoy the benefits of all of his hard work over the years and beginning to start to enjoy a semi-retirement.

Although he moved to Chelmsford, his heart was still in Topsfield. He frequented the town often and looked forward to his time with his buddies for coffee. As he and MaryEllen grew older, they were able to travel, enjoy time together floating in the pool and they had many laughs along the way.

Kippy will be remembered for being a man who would help others, give advice and provide a "good joke" or two. He was proud of his accomplishments in life and the legacy he is living behind. He will be missed.

He was the beloved husband of 46 years to Mary Ellen (Haggerty) Kippenberger of Chelmsford, formerly of Topsfield; loving and proud father of Michael T. Kippenberger and his wife, Lauren of Tewksbury, adored papa of Michael P. Kippenberger, dear brother of Katherine M. Call and her husband, John D., Jr. of Danvers and the late Dr. Paul F. Kippenberger, Jr.; cherished family friend of Kathy Ings "his other wife" and the Late Robert Ings of Billerica.

He is also lovingly survived by many nieces, nephews, grandnieces, grandnephews, fellow brother and sister firefighters, colleagues in the locksmith industry and countless friends.

In lieu of flowers, remembrances may be made to the Disabled American Veterans, P.O. Box 14301, Cincinnati, OH 45250-0301 by mail or by visiting www.DAV.org.

To send online condolences, please visit www.vertuccioandsmith.com.

Friday will be three years
since you flew away,
Into the arms of Jesus on that
Little Christmas Day.
You are an Angel Brother indeed,
a Miracle of God.
Tears still flow because you're not
with me on this sod.
God sent you to bring a little bit of
Heaven down.

Without you, life is a bit sadder and colder, I've found.
During the first year of tears, I wrote about you and me.
I know full well you're in the presence of God's Glory.
But it was a way to deal with my initial heart's despair.
And the book about you is now circulating out there.
I wanted the world to remember you and to see
What a joy and how much you meant to me.
You are greatly missed my sweet angel brother.
I know there is no need to fret or wonder.
I no longer need to worry about your well-being.
You are in the care of the Most High God, all-seeing
I miss your happy presence and your sweet voice.
Together one day we will sing and rejoice.
We will praise Jesus, and His sacrifice,
That gave us Hope and joy and Eternal Life.
Knowing Jesus, I persevere these earthly lonely days,
And one day, all sorrow will cease, replaced by praise.
Yes, one day, together, we will worship and behold the Lord.
Until that day, my sweet brother, I will trust His word.
Love you and miss you, Lucia.

Eunice Kriedberg

Loving and devoted mother and homemaker, long-time resident

Eunice G. (Glick) Kriedberg, of Revere, wife of the late Henry J. Kriedberg, passed away on Dec. 6. She was 90 years old.

Born in Winthrop, Eunice was the daughter of the late Rudolph and Sadye Glick. Eunice graduated from Revere High School in 1950. She and her husband shared 45 years of marriage.

Eunice was a devoted mother and homemaker and raised four children, David Kreed, Karen Berg, Robert Kriedberg, and Steven Kriedberg. She was also the sister of Di-anne Emerson.

Eunice and her family lived in West Peabody for 10 years before returning to Revere in 1971. The family enjoyed many happy times together. Eunice had a wonderful sense of humor and a great laugh. She always put others first and had a nice, kind way about her.

Her son, Robert, recalled how the children would often jest with their mother that her initials once spelled "EGG" (Eunice Gloria Glick).

Eunice lived at the Jack Satter House where her smile and spirit will be missed. Eunice was also

a loyal fan of the New England Patriots and the Boston Celtics.

Eunice was also admired deeply by her grandchildren, Keith Ryan and his wife, Sue, Daniel Berg, and Jacob Berg, her great-grandchildren, Julianna Ryan, Jesse Ryan, and the late Jason Ryan, her daughter-in-law, the late Kathleen Kriedberg, and son-in-law, the late Jeffrey Berg.

Eunice Kriedberg will be remembered fondly by all who were graced by her presence in their lives.

Graveside services were held Dec. 12 at New Tifereth Israel of Revere Cemetery in Everett.

Donations in memory of Eunice Kriedberg can be made to: Dementia Society of America, P.O. Box 600, Doylestown, PA 18901.

parking spaces on the lot and the applicant intends to add a third spot in the front yard to the right of the home.

Catoggio also noted that "although the applicant is an LLC, this will be an owner-occupied property."

He told the board that his client intends to convert the existing four-bedroom, single-family home into two units consisting of a three-bedroom unit and a one-bedroom unit, and therefore will neither be increasing the number of bedrooms on the property nor expanding the structure's existing footprint.

He also added that there are a number of two-family homes in the area.

Ward 6 Councillor Richard Serino filed a letter supporting the application in view of the revised plan for the project.

However, Ronald Champoux of 88 Stevens St., who spoke against the variance request at the November meeting, still opposed the application on the basis that it will add to the parking congestion in the neighborhood.

"The rules say four spots are needed and that's the only way we realistically can support this proposal," said Champoux, who added that the lack of parking is a city-wide problem.

Boston attorney Richard Joyce, representing Richard and Christine Joyce of 178 Grover St., presented opposition to the application from a legal perspective.

"Look at the full picture," said Joyce. "Your own regulations state that the applicant must demonstrate that there is a specific shape, topography or other land or structures affecting this property. They must show that there is a

substantial hardship, financial or otherwise. But there has been zero evidence of financial hardship."

He also cited the lack of parking in the neighborhood.

"This potentially will devalue other properties in the neighborhood," Joyce continued. "This is a substantial detriment to other homeowners in the area. There is just no need to grant this. There is plenty of parking for a one-family home and that's how it should remain."

The board voted 3-2 to reject the application, with Limeneh and Tucker voting yes and Lopes, O'Brien, and Pelton voting no.

However, two other applicants that evening had better luck.

Robert Mahoney, of 2 Paul Street, came before the board requesting a variance of RRO Section 17.24.010, minimum lot frontage of 80 feet, to enable him to construct a single-family dwelling on Lots 142 & 144 Morris Street and a single-family dwelling on Lots 146 and 148 Morris Street.

Mr. Mahoney presented the application, which also had been continued

from the November meeting. He pointed out that though the frontage for the proposed house lots is only 71 feet, the other requirements for coverage area and setbacks are far exceeded.

"This will not be a detriment for this to happen in this neighborhood," said Mahoney.

Councillor Serino submitted a letter in opposition, noting the flooding in the neighborhood, and suggested that the drainage issue should be resolved before moving forward with the construction of new homes.

Serino's letter echoed opposition from residents in the neighborhood who had been present at the November meeting. Their homes had been built by Mahoney and the parties presently are in litigation in Suffolk Superior Court regarding the flooding issue.

However, the ZBA received a letter from Frank Stringi, the Revere City Planner, informing the board that the city's engineering department has approved a plan that will resolve the flooding problems in the area. He also noted that building homes on these two lots, which are at the bottom of the

street, will not contribute to the drainage problems in the area.

Other than the letter from Serino, there was no further opposition presented at the meeting. The board voted 4-1 to approve the application with only chairman Tucker objecting.

The third and final matter, both for the evening and for 2022, was an application by Ana Betancourt, 200 Broad Sound Avenue, who was requesting a special permit from the ZBA in accordance with RRO Section 17.40.040 to enable her to modify and extend a nonconforming single family structure by constructing a 255 sq. ft addition (14' x 18.2') at 200 Broad Sound Avenue.

Ms. Betancourt presented the application to the board. She noted that the project will resolve a water problem in the existing structure and will prevent water from getting into her basement.

Ward 1 Councillor Joanne McKenna sent in a letter to the board stating that she has no problem with the application. There were no opponents.

The board voted 5-0 to approve the project.

4-2 RHS BOYS HOOP RESUMES GBL SCHEDULE

The 4-2 Revere High boys basketball team was set to return to action this week against its Greater Boston League (GBL) opponents after a string of three non-league contests. Last week, coach David Leary and his Patriots played in the second annual David Green Tournament in Winthrop. Revere topped East Boston in the opening round, 67-51, but came up short against a hot-shooting Saugus squad in the championship game, 67-47.

The Patriots were set to host GBL foe Lynn English, the third-ranked team in the state that has outscored its opponents by an average score of 89-41 en route to compiling a 6-0 record, last night (Tuesday).

They will travel to Medford tomorrow evening (Thursday) and then will make the short ride down Broadway to Chelsea next Tuesday.

RHS GIRLS LOOK TO GET BACK ON TRACK

The Revere High girls basketball team will be looking to return to the win column when the Lady Patriots resume their schedule against Greater Boston League (GBL) opponents this week.

Coach Chris Porrazzo and his crew were set to take on Lynn English yesterday (Tuesday) evening and will host Medford at the Merullo Fieldhouse tomorrow (Thursday) evening at 6:00. They will en-

ertain non-league opponent Lowell next Monday and GBL foe Chelsea next Tuesday.

The Lady Patriots hosted the Revere Holiday Tournament over the break. Revere played Milton in the opening round and came out on the short end of a 46-25 decision.

Junior captain Haley Belloise led Revere with nine points and grabbed four rebounds. Sophomore captain Belma Velic added six points, snared four boards, and blocked eight Milton shots. Sophomore Lea Doucete chipped in four points, three rebounds, and four steals.

"Obviously a tough game for us," said Porrazzo. "Our inexperience showed. We were down a starter and everyone's role had to shift. Going forward we have to learn to adapt better. Milton plays in a very tough league and all of their strengths shined against us. They are a talented and well-coached team."

Milton went on to beat Saugus, which had advanced to the final with a 59-50 win over New Mission High, to win the tournament championship, 42-28.

In the consolation game, the Lady Patriots dropped a hard-fought, 35-32 decision to New Mission.

Velic led Revere in the scoring column with 12 points. Belma also pulled down eight rebounds and blocked two shots. Freshman Shayna Smith turned in a nice double-double with 10 points and 10 rebounds. Shayna also made

The Revere High female athlete of the month is sophomore track star Liv Yuong. Liv was undefeated in December in both of her events, the hurdles and the high jump, scoring 10 points in both of the Lady Patriots' indoor track meets against GBL rivals Everett and Somerville.

The Revere High male athlete of the month is senior basketball captain Domenic Boudreau. Domenic is a returning GBL all-star who has led the way for the Patriots to their 4-2 start this season. In the recent David Green Tournament in Winthrop, Domenic scored 24 points vs. East Boston in a victory in the opening round.

"This was a highly competitive and close game," noted Porrazzo, whose squad stands at 1-4 overall and 1-2 in the GBL. "We were once again down a starter, but we adapted better in this game. We had control, but then got outscored 10-4 in the final frame. We lost our poise there in the end, but we are doing our best to take it as a learning experience."

RHS SPORTS Through the Years

10 years ago
January 2, 2013
The Revere High boys basketball team enjoyed an outstanding holiday week, capturing the Pope John XXIII Christmas Tournament with victories over the host team in the opening round and Lynnfield in the championship encounter. In addition to winning the team title, three Patriots were singled out for selection to the tourney all-star team, led by Mike Ciambelli, who was named the tournament MVP. Teammates Dom Boyce and Geo Gomez joined Ciambelli in earning all-tourney accolades. Ciambelli snared the offensive rebound off a teammate's missed shot and put it back to give Revere a 63-62 lead with 40 seconds to play and then on PJ's next possession, drew an offensive foul. Boyce was high scorer with 17 points, including three treys. Mike Dreeszen also drained a trio of threes to finish with 11 points. In the championship match with Lynnfield, a 65-59 win, Ciambelli and Geo Gomez

shared scoring honors with 14 points apiece.
The Revere High girls basketball team grabbed all of the Christmas gifts under the tree at the Pope John XXIII High School Tiger Classic Holiday Tournament, capturing the championship and receiving the top individual accolade with the naming of senior guard Gena Restiano as the tourney MVP. The Lady Patriots got off to a fast start in the opening game against Pope John. Restiano topped the scoring chart with 14 points and added four steals and five assists. Fellow senior captain Caitlyn Caramello hit for double figures with 11 points and pulled down eight rebounds. Amy Rotger also had a nice night with nine points and eight boards. Both Caitlyn and Amy joined Restiano on the all-tourney team. In the championship game with Lynnfield on Friday, strong foul shooting proved to be a key for the Lady Patriots, who sank 20-of-26 from the charity stripe, en route to a 53-42 victory. Offensive re-

bounding also was a big factor in the victory, as the Lady Patriots dominated the offensive boards, collecting 20 for the game. Caramello alone snared nine offensive caroms.
Restiano once again led the point parade with 16 points, plus five rebounds and five steals. Caramello came through with a nice double-double with 12 points and 14 rebounds.
RHS 4 x 200 relay sets new school mark
Just two weeks after setting a new Revere High school indoor record in the 4 x 200 relay, the quartet of Joe Ritchie, Younes Hartout, Bobby Rose, and Johnny Lopes did it again over the weekend in the Holiday Qualifier Meet. When the quartet first set the new mark, they did so in a time of 1:34.84. But Saturday they bettered that clocking by 0.43 seconds for a new standard of 1:34.41.
Although the Revere High hockey team still is searching for its first win of the season, RHS head coach Joe Ciccarello said he is pleased with the progress his team has

been making after a 2-2 tie with Salem this week on goals by Cam Whalen and Shane Cambria.

Led by victories by Ron Lusso in the 45 yard dash in 5.6, Rob DeSisto in the 300 in 34.1, and Mark Fortuna in the 45 yard hurdles in 6.6, the RHS boys indoor track team took a giant step toward a GBL title with a 47-39 upset of Medford. Revere won the final event, the relay, when a Medford anchor leg runner was ruled to have stepped off the track while passing the Revere runner.
RHS boys hoop coach Kevin McCann earned his first victory when the Patriots defeated Malden Catholic 68-61. Wayne Chainey scored 20 points

and Jack Johnson added 18 for the Pats. John Moschella with 14 points and Paul Dione with 12 also hit for double figures.
Neil Craig netted a hat trick and Darren Merrill made 35 saves to lead the RHS hockey team to a 5-2 win over Malden.

COUNCIL TO BEGIN SEARCH PROCESS FOR NEW CITY MANAGER

CHELSEA - When the City Council convenes for the new year, it will have a big task on its hands – beginning the search for a new City Manager.
Earlier this month, current City Manager Thomas Ambrosino announced he will be beginning a new position on Jan. 30 as the Court Administrator of the Trial Court for Massachusetts.
“We have asked Tom to submit a formal letter of resignation so we can move forward with the process,” said Council President Calvin Brown.
As the Council moves forward with the hiring process, Brown said Deputy City Manager Ned Keefe will handle much of the day-to-day business of the city manager's office.
“He'll be able to focus on a lot of projects over the next six months that are already underway,” said Brown. Having the deputy city manager in place will help make the transition to a new city manager easier when the time comes, Brown said.
Brown said he has been through the city manager selection process twice, and that the city has been fortunate with those two

selections, Ambrosino, and before him, Jay Ash.
The process for hiring the next city manager will likely be similar to the one used to hire Ambrosino in 2015, with a steering committee and heavy community involvement, Brown said.
“We need to select a person who cares about Chelsea and focuses on Chelsea and doesn't just see it as a stepping stone,” said Brown. “We've been fortunate that we've had two great city managers.”
The candidates will need to focus on the unique population of Chelsea and the many challenges the city faces, from affordable housing and mental health issues, to the city's small businesses and active non-profit community.
“The challenge we have is that the process has to be fair and involve the community,” said Brown.
With a number of changes across city departments, Brown said the new city manager will also have the opportunity to form his or her own team, much as Ambrosino did when he started in Chelsea.
The next scheduled City Council meeting is the special meeting on Tuesday, Jan. 3, when the council will nominate and elect the new president, vice president, and rep-

EVERETT WORKER SAVES FAMILY
EVERETT - On Thursday morning, Dec. 22, Parking Enforcement Officer for the City of Ever-

ett Brian Gianelli prevented tragedy at a 2-alarm fire at a multi-unit residence on Vine Street.
While he was doing his overnight shift, Gianelli smelled and spotted smoke coming from the building and quickly sprang into action by calling the Everett Fire Department (EFD) and alerting residents to the danger to ensure they got out safely.
“I was in the right place at the right time,” said Gianelli. He also told NBC10 Boston, “There were

alarms going off, couldn't tell from what. I got them up, got them out,” he recalled. “And second floor, and I said, ‘You got to get out, we have a fire.’”
The EFD quickly responded with help from Metro Boston mutual aid to get the fire under control. Firefighters also did all they could to save the presents under the Christmas tree on the first floor.
Mayor Carlo DeMaria expressed his gratitude to Gianelli and the firefighters who responded to the

fire.
“As we all celebrate this season, let's be thankful for the people like Brian and our first responders for keeping us all safe,” said Mayor DeMaria.

Top five pet new year's resolutions for 2023

By Kim Salerno, Founder/CEO
TripsWithPets
We all make some type of New Year's resolution. We set goals for ourselves to eat healthier, lose weight, spend less time on our phones, exercise more, be more mindful – yada yada yada. Well, it doesn't stop with just us. With all the unconditional love and joy pets bring us, an overwhelming number of pet parents also set New Year's resolutions for their pets.
There are countless ways that we can further enrich the lives of our pets. What better time to get started than the New Year ahead.
TripsWithPets surveyed

pet parents to find out what their New Year's resolutions are for their furry family members in 2023. Here are the top 5.
#1 Do more together
There's no better way to bond more with your pet than engaging in new activities together. Top spot on the resolution list for pet parents in 2023 is taking more pet-friendly road trips and exploring new things to do with their pets. Paddleboarding, kayaking, hiking, and exploring pet-friendly places to shop, dine, and stay are among the activities noted.
#2 Introduce natural

ways to support pet health
Loving our pets as we do means doing all we can to ensure they lead long, healthy, and happy lives. Many pet parents have resolved to take a closer look at natural health care for their furry family members. This includes their pets diet/nutrition, supplements, lifestyle, and alternative therapies – such as acupuncture, laser treatment, homeopathy, and the like. Improving our precious pets' well-being is the ultimate goal.
#3 Brush pet's teeth regularly
Daily brushing of your

pet's teeth is just as important for him as it is for you. Regular tooth brushing helps to prevent gum disease – and even other diseases. Yet, many pet parents overlook it.
What makes it a bit tricky is if you don't start your pet out when he is young, it becomes more challenging to make him amenable to getting his teeth brushed as he gets older. That's what typically makes many pet parents “intermittent” tooth brushers.
The good news is, News Year's resolution #3 is that pet parents plan to commit daily to brushing their dog's and cat's teeth.

#4 Get more exercise
We all need to move our bodies more – and that includes our pets. It's not just about losing weight, it's about overall health – mind, body, and soul. Getting out for more walks, play dates, fetch, and games of "hide and go treat" are on the docket for more pet parents in this coming year.
#5 Work on better manners & training
Whether it is barking at house guests, begging at the table, or bossing you around, most pets have some unfavorable behaviors that need to be curbed. Pet parents have

committed to working with professional trainers this new year to help their pets with anxiety and behavior issues so they can be happier, more relaxed, and responsive.
Yappy New Year!

House Speaker Bob DeLeo won an easy re-election to the top post as Speaker on Wednesday in the State House, and in comments after his election, vowed to tackle the state's fiscally-unsound Department of Transportation (MassDOT). With Revere Mayor Dan Rizzo, Winthrop Council President Peter Gill, and Winthrop Town Manager James McKenna in the audience, DeLeo thanked the voters of his district, the elected officials and the members of the House.

The Dennis Rich Memorial Polar Plunge had its 4th annual dip on New Year's Day in honor of Jimmy Rich, who passed away from cancer. He left in addition to his many friends, his wife and three children. The group gathered en masse at the Beachmont VFW Post 6712 where they enjoyed refreshments both before and after the plunge.

Mayor Dan Rizzo will recap his initial year in office during his first State of the City Address on Jan. 7th to the City Council in the City Council Chambers, focusing specifically on campaign initiatives that he has begun implementing over the past year.

Revere's Congressman Ed Markey (D-Malden) has officially tossed his hat in the ring as a candidate for Sen. John Kerry's potentially vacant seat. Since announcing, Markey has received the blessing of Sen. Kerry, who has been named to the Secretary of State post by Pres. Barack Obama, and of the late

Sen. Ted Kennedy's widow, Vicki Kennedy.

The number of officially homeless students in the city's school district has more than doubled over the last two years, and school officials said it is both a sobering and expensive turn of events. As of the end of the last term (December 21st), the schools reported that there is an all-time high of 78 homeless students in the district – that is compared to just 30 homeless students through the entire year during the 2009-2010 school year. "That's the most homeless kids we've ever had," said Superintendent Paul Dakin.

It was a busy holiday week for thieves and burglars, highlighted by a break-in through the roof to get into the Flower Power and Mail Depot stores; a break into Vin's Auto Service where thieves smashed an ATM and broke open a safe; a robber who put a gun to the head of the owner of Convenient Market; and another robbery in which two men, who had stolen a local resident's motor vehicle to use in the heist, held up the 75 year-old bartender of the Esquire Club at gunpoint early Sunday morning.

Upcoming weekend service changes on Orange, Green, Red Lines in January

Staff Report

The MBTA announced upcoming service changes this month on the Orange, Green, and Red lines. Because of the continued demolition of the Government Center Garage by private developer HYM Construction, Orange and Green Line service changes will take place in January in the downtown Boston area. Additionally, the Medford Branch of the Green Line will be replaced with shuttle bus service from start to end

of service on Sunday, January 8, to accommodate water line work. The Red Line will also experience service changes during the weekend of January 7-8 in order for the MBTA to perform work at JFK/UMass station.

- The MBTA has been working closely with the City of Boston and the developer in order to accommodate the private Government Center Garage work affecting both the Orange and Green Lines:

- Riders should note that Haymarket-area buses

will not be diverted during these weekends and will continue to stop at the temporary Haymarket bus stops. A list of Haymarket bus routes and these temporary stops is available at mbta.com.

- Orange and Green Line trains will bypass Haymarket station during the weekends of January 7-8 and January 21-22. Orange Line riders should exit at North Station or State and walk to the Haymarket area. Green Line riders should exit at North Station or Government Center station. These sta-

tions are less than a half-mile from Haymarket, or a four- to eight-minute walk.

- Closures will also take place on the Orange Line between Back Bay and North Station and on the Green Line between North Station and Government Center Station during the weekend of January 14-15. Orange Line riders are asked to use Green Line service between Copley and Government Center stations. Green Line service between North Station and Government Center Station will be replaced with shuttle bus service. The purpose of these weekend diversions is to accommodate the private Garage demolition work. The MBTA will also perform maintenance on track, signal, and power systems, including the replacement of rail between Chinatown and Tufts Medical Center stations.

- Extra MBTA personnel and Transit Ambassadors will be on-hand to

assist customers. Accessibility vans will also be available for on-demand transportation – riders should ask MBTA personnel for information and assistance. More information on alternate paths of travel will be available at mbta.com/alerts.

- Riders are also advised that, due to the complexity of the continued demolition of the Government Center Garage by HYM Construction, additional weekend diversions will be necessary in the coming months to accommodate the ongoing work. The MBTA apologizes for this inconvenience and will announce additional service changes in advance as they are confirmed and scheduled. Riders are encouraged to subscribe to T-Alerts or to follow the MBTA on Twitter for up-to-date service information.

- Green Line Medford Branch trolleys will also be replaced with accessible shuttle bus service between Medford/Tufts and

East Somerville stations in both directions from start to end of service on Sunday, January 8. The purpose of this one-day diversion is to perform emergency repair work on the water lines that service Medford/Tufts station, which require additional insulation. Riders may also utilize Bus Routes 80 and 87 for service throughout the area on January 8.

- Red Line Ashmont and Braintree Branch trains will be replaced with accessible shuttle buses between Broadway and Ashmont stations and between Broadway and North Quincy stations during the weekend of January 7-8. The purpose of this weekend diversion is to perform work on the pedestrian bridge between Columbia Road and the lobby at JFK/UMass station. After necessary repairs are completed, the MBTA will reopen the pedestrian ramp at Columbia Road.

Nearly \$2.74 million awarded to combat violence against women

Staff Report

The Baker-Polito Administration announced that dozens of law enforcement, criminal justice and victim services organizations have been awarded grants through the Violence Against Women Act (VAWA) Grant program including the Suffolk County District Attorney’s Office with a grant of \$119,919.88.

The federal funds will help Massachusetts agencies in efforts to prevent, reduce and improve responses to acts of gender-based, sexual and do-

mestic violence; stalking; and human trafficking. The 44 grant recipients were selected through a competitive application process administered by the Office of Grants and Research (OGR), a state agency that is part of the Executive Office of Public Safety and Security (EOPSS). Each organization funded in FY23 will be eligible for additional funding during the three following years.

“These grants allow our Commonwealth to enhance our work combatting domestic violence and sexual offenses.

Meeting the needs of survivors, providing safety nets for those seeking to escape, and holding perpetrators accountable requires a coalition of law enforcement and service providers. VAWA funds have allowed us to build these vital partnerships and provide resources, not just in 2023, but for years to come,” said Governor Charlie Baker.

“Since taking office, this administration has shown an unparalleled dedication to ending domestic and sexual violence. As chair of the Governor’s Council to Address Sexual Assault

and Domestic Violence, I’ve had the privilege of working with professionals and organizations across the Commonwealth that are committed to this mission. This funding will allow state agencies, police and service providers the resources they need to effectively respond to and reduce these offenses,” said Lt. Governor Karyn Polito.

“These grants help improve how law enforcement and the criminal justice system respond to violence against women through training opportunities and enhanced ca-

capacity to investigate and prosecute these offenses. It also ensures that the victims of domestic and intimate partner violence, sexual assault and exploitation, and stalking have access to the services they deserve,” said Public Safety and Security Secretary Terrence Reidy.

“The VAWA Grant Program is one of the most impactful programs administered by the Office of Grants and Research. These funds help ensure that victims have access to the protections of law enforcement and the criminal justice system, as well

as trauma-informed and culturally-competent services. We look forward to working alongside all our funded partners to achieve this mission,” said OGR Executive Director Kevin Stanton.

The VAWA Grant Program is funded by the Department of Justice. Through an application review process, recipients were selected from across four categories: Courts, Law Enforcement, Prosecution, Victim Services, and Discretionary.

The following incident reports are among the calls to which the Revere Police Department responded on the listed dates. The log is a public record and available for review. All persons who are arrested or charged with a crime are presumed innocent until proven guilty in a court of law.

What's for Dinner?

Penny uses a similar approach to add cultural variety to our meals. She purchased Wendy MacNaughton's illustrations of the flavor wheels from the book "Salt, Fat, Acid, Heat" by Samin Nosrat. They conveniently live on our refrigerator. She can then choose the salt, fat, and acid that will spin what we have on hand into the taste of Africa, Asia, Europe, North America, or South America.

We have food writer David Leite to thank for the jar of cooked onions and garlic that's often in our refrigerator, ready to give us a head start on a meal. In his book, "The New Portuguese Table," Leite wrote, "I find spending up to half an hour sautéing onions takes a chunk out of busy weekday evenings, so I make big batches of the stuff and scoop out what I need when I'm at the stove."

The image displays three circular charts, each representing a different category of food science: Acids, Flavor, and Fat. Each chart is divided into concentric rings representing different regions of the world, with specific food items or compounds listed within each segment.

The World of Acid: This chart is divided into three layers. The innermost layer lists 'COOKING ACIDS', the middle layer lists 'Essential Acids', and the outermost layer lists 'Aromatic Acids'. The regions shown include Europe, Asia, Africa, and Australia, each with a list of associated acids and food items.

The World of Flavor: This chart is divided into three layers. The innermost layer lists 'COOKING FLAVORS', the middle layer lists 'Essential Flavors', and the outermost layer lists 'Aromatic Flavors'. The regions shown include Europe, Asia, Africa, and Australia, each with a list of associated flavors and food items.

The World of Fat: This chart is divided into three layers. The innermost layer lists 'COOKING FATS', the middle layer lists 'Essential Fats', and the outermost layer lists 'Aromatic Fats'. The regions shown include Europe, Asia, Africa, and Australia, each with a list of associated fats and food items.

Illustrations of the flavor wheels from the book “Salt, Fat, Acid, Heat” live on our refrigerator. We use these to spin a meal to the taste of Africa, Asia, Europe, North or South America.

If you have a cookbook collection, pull a favorite off the shelf or open one in your e-reader for inspiration. You can also download many ebook versions of popular cookbooks from your library. Or, you can stop by and scan the library shelves to choose

Finally, you can have a few prepared meals in your freezer to give the

cook a break. Or, you can dine out or order take-out from restaurants that still need your support to survive the slower winter months.

Jerry Lewis stars in *It's Only Money* at the Revere Theatre. Jackie Gleason stars in *Gigot* at the Revere Drive In.

An early morning fire caused by faulty wiring on Christmas tree lights destroyed the home at 60 Waite St.

The city's youngsters are rushing to the Revere police station to register their bicycles pursuant to the city by-law. The fee is 25 cents and each registrant receives a plate and certificate similar to those for a motor vehicle, which are valid for as long as the bike is owned by the same owner. Even youngsters with tricycles, though not required to register, are coming to get their plate and license. Youngsters also are taught the rules of

Stewart Granger, Deborah Kerr, and James Mason star in *The Prisoner of Zenda* at the Revere Theatre.

Local homeowners are being urged to insulate their homes with rock wool insulation in order to reduce their home heating oil costs by 25 percent and also conserve oil for the war effort. The insulation is vermin proof, moisture proof, and draft proof.

Judy Garland, George Murphy, and Gene Kelly star in *For Me and My Gal* at the Revere and Boulevard Theatres.
