Public meeting highlights Riverfront roundabout project

By Adam Swift

One of the big pieces of the improvements to the riverfront area near the Point of Pines and Riverside neighborhoods is the proposed construction of a new roundabout that will provide access to Rte. 1A.

Last week, the city's planning and community development department and the city's consultants for the project held a public meeting on the proposed infrastructure improvements.

The meeting focused on the creation of the roundabout, which could see construction begin

in 2025, depending upon permitting.

The roundabout will provide access to a new 290 unit mixed-use residential development in the riverfront area, while easing traffic pressure on existing residential neighborhoods, according to planning and community development director Tom Skwierawski.

While last week's meeting was specifically about the roundabout and access to the new development and on and off Rte. 1A, Skwierawski said there will be a concurrent phase

Gerry Visconti endorses Patrick Keefe for Mayor

Special to the Journal

Tuesday morning Gerry Visconti and Patrick Keefe stood together to announce Visconti's support for Patrick Keefe in the race to choose Revere's next mayor.

"Pat's motivation is genuine. He understands the needs of our diverse community, and he will work tirelessly, taking on the issues with commitment and dedication

to serving all. That is why I choose Patrick as Mayor for my family, my business and the city that I love. Please join me in supporting Patrick Keefe for Mayor of Revere." Visconti said of his one-time opponent.

Mayor Keefe said, "Gerry has been a strong voice for Revere on the City Council. He has always brought a com-

Councillors raise concerns about parking at the polls during election

By Adam Swift

Several City Councillors highlighted issues with voting at polling locations at public schools during the Sept. 19 preliminary election at last week's council meeting.

Many of the concerns stemmed from a lack of parking spaces at the schools due to a professional development day for Revere educators on that day, according to Ward 3 Councillor Anthony Cogliandro.

However, Election

Commissioner Paul Fahy said that those issues should not be as noticeable during the Nov. 7 general election, since there will be no school that day and the district will be hosting professional development online.

Cogliandro noted that Revere relies heavily on the schools for polling locations, and that it can be frustrating for voters if they find it difficult to park.

"At the end of the day, I guess this is all about getting people to come and

more comfortably vote," said Cogliandro. "If people drive by and see a full parking lot, they might not want to stop and they are going to keep driving."

Councillor-at-Large and mayoral candidate Dan Rizzo said there were issues throughout the day on Sept. 19 with parking at the school polling locations.

"I know people who personally drove in and drove out," said Rizzo.

three world premieres and one East Coast premiere all commissioned by BMOP and written during the COVID-19 pandemic.

“Orchestras and musicians all around the world stopped performing during the pandemic,” says Gil Rose, Conductor and Artistic Director of BMOP. “Conversely, composers did not stop writing during the pandemic! We are fortunate to have a plethora of new works composed for us over the past few years just waiting for listeners to enjoy. Not surprisingly, all the pieces on this program are musical explorations of introspection, empathy, mortality (and immortality), and time— notions that resonate with most of us.”

The evening begins with *Eternal Return* (2022), by Worcester-based John Aylward (b.1980), “a composer of wide intellectual curiosity (The Boston Globe).” He describes his new work as “a contemplation on Nietzsche’s idea of the after-life which he first brought up in the *Gay Science* and then was later expanded upon by Giles Deleuze. I heard about the idea first from reading Deleuze but later found the Nietzsche thread, which compelled me even more to explore the idea.”

Eric Moe (b.1954), composer of what The New York Times has called “music of winning exuberance,” has a winning spirit that is represented in this new clever, skillfully constructed piece. Featuring himself on piano, *The Sweetness of Despair, the Necessity of Hope* (2021) is Moe’s personal reflection on our current ecological predicament. “I am intrigued by the thinking of writer-activist Rebecca Solnit,” says Moe, “who points out that many people seem to prefer a predictable apocalypse – the consequence of passive inaction - to the less catastrophic but also

less predictable future that would result from drastic action spurred by hopefulness about the future.”

TSA STOPS OVER 1,800 FIREARMS AT AIRPORT CHECKPOINTS

During the first three quarters of 2023, the Transportation Security Administration (TSA) intercepted 5,072 firearms at airport security checkpoints, and at the current rate, the agency will surpass last year’s record 6,542 firearms prevented from getting on-board aircraft.

In the third quarter, which ended Sept. 30, Transportation Security Officers (TSOs) stopped 1,820 firearms at checkpoints. The total represents an average 19.8 firearms per day at TSA checkpoints of which more than 94% were loaded.

“Passengers may travel with a firearm, but it must be in their checked baggage,” said TSA Administrator David Pekoske. “Firearms are only permitted in checked baggage, unloaded in a locked hard-sided case and must be declared to the airline when checking the bag at the ticket counter. Firearms are prohibited at security checkpoints, in the secure area of an airport or in the passenger cabin of an aircraft even if a passenger has a concealed carry permit or is in a constitutional carry jurisdiction.”

If a passenger brings a firearm to the TSA checkpoint, the TSO will contact local law enforcement to safely unload and take possession of the firearm. The law enforcement officer may also arrest or cite the passenger, depending on local law. TSA may impose a civil penalty up to almost \$15,000, and passengers who present with a firearm at a security checkpoint will lose TSA PreCheck® eligibility for five years.

ZBA grants requests for small projects

By Journal Staff

The Revere Zoning Board of Appeals (ZBA) held its regular monthly meeting last Wednesday, September 27 in City Councillor Joseph A. DelGrosso City Council Chamber at Revere City Hall. On hand for the session were chairman Michael G. Tucker and fellow members James O'Brien, Aklog Limeneh, John Lopes, and Arthur Pelton.

The board took up a light agenda consisting of three applications for small projects, all of which the members approved.

The first matter came from Robert Mahoney, 2 Paul Street, who requested a variance of Revere Revised Ordinance (RRO) Section 17.28.110 with respect to the maximum grade requirement of 8% for unenclosed parking areas, to enable him to exceed an 8% as-built slope of a completed driveway in connection with the construction of a single-family dwelling at 121 Walnut Street.

The owner of 121 Walnut St., who said he purchased the home three weeks ago, told the commissioners that the slope "has been working perfectly" during the recent heavy rainfalls to drain water away from his property and that he feared that reducing the slope would cause flooding on his property.

There were no opponents and the commissioners unanimously approved granting the variance.

Next up was an application from RLS Realty Investment, LLC c/o Jeffrey B. Moll, (50 Salem Street, Bldg. A, Suite 108, Lynnfield) requesting a variance of RRO Section 17.28.020 (minimum parking requirements) to enable him to convert a single-family dwelling to a two-family dwelling at 95 Centennial Avenue.

The attorney for the applicant presented the application to the commission. He explained that the structure on the property now is a single-family, three bedroom building and that the developer is seeking to convert it into two, one-bedroom apartments. However, there is no available off-street

parking, though the property is located just 500 feet from public transportation.

Ward 2 Councillor Ira Novoselsky, who lives around the corner from the building, spoke in favor of the variance. "I have no problem with it being established as a two-family house," said Novoselsky. "It's so close to the T and we've been giving variances for these sorts of properties in the neighborhood."

The commissioners approved the application 4-1, with Limeneh opposed, but with the stipulation (in addition to the usual conditions) that both units shall be limited to one-bedroom apartments.

The final request came from Eric Gonzalez, 23 Blake Street, who requested a special permit in accordance with RRO Section 17.40.040 to enable him to alter and extend the pre-existing, non-conforming, two-family structure, which was damaged by a recent fire, at 23 Blake Street. Robert Cordes, the contractor for the project, presented the application to the commission.

Novoselsky spoke in favor of the application. "I know this property very well, but under the new rules, he needs to raise the building because it is in a floodplain. I think we should grant him some latitude to make this property useful," said Novoselsky.

Tucker said he spoke to the Site Plan Review Committee members, who said that they required the owner to remove the basement so he can provide on-site parking underneath. However, Tucker raised a question about the height of the proposed structure and when the architect pointed out that a new plan with a roof deck, which had not been presented with the original application, increased the height slightly, Tucker said that the applicant either could stick with the plan that was submitted with the present application or file a new application with the new plan.

The applicant chose the former and the commission unanimously granted the special permit.

The commission then adjourned until its next meeting in October.

Revere man pleads guilty to firearms charges

By Journal Staff

A Boston-area man pleaded guilty on Monday to illegally possessing a firearm with an obliterated serial number while on supervised release from an earlier federal firearm charge.

Dane Mitchell, 32, of Boston and Revere, pleaded guilty to being a felon in possession of a firearm and ammunition and possession with intent to distribute cocaine.

Sentencing on the charges is scheduled for Jan. 9 of next year.

U.S. District Court Chief Judge

In 2021, an investigation into a violent Boston gang identified Mitchell as the owner of a Snapchat account that posted images of himself with firearms, according to the Boston office of the U.S. Attorney’s office.

Specifically, the images showed Mitchell’s face with firearms and showing bullet holes in his vehicle after he had been shot at. Mitchell is prohibited from possessing firearms and ammunition due to a 2018 federal conviction in Maine of unlawful transportation of firearms, for which he was sentenced to 27 months in prison and three years of supervised release.

During a search of Mitchell’s Revere residence in December 2021, a Taurus TCP Model 738 PT .380 caliber pistol with an obliterated serial number, loaded with four rounds of .380 caliber ammunition in the clip and one round in the chamber, five additional rounds of the same type of .380 caliber ammunition, one round of 5.7 millimeter ammunition, bags of cocaine, cocaine base, and fentanyl, cutting agents, a digital scale, blender and a press for packaging narcotics were seized.

The charge of being a felon in possession of a firearm and ammunition carries a sentence of up to 10 years in prison, three years of supervised release and a fine of up to \$250,000. The charge of possession with intent to distribute cocaine provides for a sentence of up to 20 years in prison, at least three years of supervised release and a fine of up to \$1 million. Sentences are imposed by a federal district court judge based upon the U.S. Sentencing Guidelines and statutes which govern the determination of a sentence in a criminal case.

The operation was conducted as part of an Organized Crime Drug Enforcement Task Forces (OCDETF) Strike Force Initiative, which provides for the establishment of permanent multi-agency task force teams that work side-by-side in the same location.

Visioning Team and supported the advancement of Revere High School.

I began volunteering in schools 20 years ago, partnering with urban public school teachers to develop new and novel lessons for students. Since that time, I have worked in higher education as a teacher, an administrator, and an organizer. For the past 7 years, I have been a volunteer at the Beachmont School. I am a co-creator of an afterschool STEAM club for 4th and 5th-grade students. I sought out grant opportunities and raised

over \$2,000 to support this club’s goals. Based on what we have learned from this program, my partner at the Beachmont School, teacher Christiane Amstutz, and I developed an educational framework and co-authored a national research paper for K-12

education. We shared our findings and have used the feedback to enhance the Revere Public School STEAM programs.

As a School Committee Member, I will bring much-needed experience as a teacher, an administrator, and a parent to Revere Public Schools. My promises to you are to:

- Always do my research and be prepared,
- Make the parents’ and community’s voices be heard,
- Fight for the educational needs of children and teachers,
- Advocate for modern education tools and resources.

Please give me your vote on November 7 and allow me to fight for you and the needs of our community to support the children, parents, and teachers of Revere.

REVERE DELEGATES GO TO REPUBLICAN STATE CONVENTION

Over five eleven actual delegates from Revere at the Republican State Convention yesterday in Boston. Peter F. Foughey, chairman of the Revere City Committee was unable to attend.

Ward One, Ethel Packard, William A. Sells, and Frank Fegatelli were the delegates. Representative Ward Two were Max Lincoff and George W. Thompson, and Ward Three, E. Martin, and T. Elwood. Ward Four, represented by Charles A. Foughey, and W. Angus MacDonnell. Ward Five, Samuel R. Cutler, was also present. With this latter group, but as a result of a tie, was unable to do so. There were no elected delegates from Ward Five.

DEMOCRATS TO PICK CANDIDATES MONDAY NIGHT

The Democratic Club of Revere met last Monday night, in the basement of City Hall, and considerable business was transacted before a fine meeting of Democratic voters. It was decided that at the next regular meeting, all candidates for the primaries will be informed and requested to make their announcements officially for their respective offices. A very interesting meeting is expected.

William H. J. Rowan and Alexander J. Drinkwater, the successful nominees in the State primaries, very courteously and graciously thanked the members of the City Committee and the members of the Democratic Club for their support during the State primaries. The committee was appointed for the purpose of raising funds for the campaign.

Chairman Rowan informed the members that he felt that inasmuch as he was a candidate for office and would have to devote considerable time to his coming campaign, in the coming elections, that it would be better for him to resign from the office of chairman and some one be substituted in his place. The question was laid over for one week and at the next meeting, this matter will be taken from the table and new officers will be nominated for the coming year.

A rising vote of thanks was given to Mr. Rowan and Mr. Drinkwater for their splendid activity in encouraging and assisting to build up the Democratic organization. James J. Zolla spoke extensively on strengthening the organization as much as possible and requested the members to work and co-operate with each other during the coming state elections. He also was made Chairman of the committee to arrange for a supper to be given to the members of the club in two weeks. Mr. Zolla thanked all the members present and that on that night there would be a happy and cordial felicitations extended to each other and that the members would all break bread harmoniously.

The Women's Democratic City Club held a meeting on Wednesday evening in the City Hall and discussed the coming election. Alexander J. Drinkwater and William H. Rowan made addresses.

REVERE'S Tax Rate Is Up \$7.50, Now Listed \$40.40

Revere's citizens will be interested in this news item which appears in print on Thursday of this week.

REVERE, Sept. 29.—A new tax rate of \$40.40 per \$1000 valuation, the highest ever in this city, an increase of \$7.50, was announced this morning at City Hall.

On the announcement of the new rate Mayor Michael C. O'Neill called on all city employees to sign an agreement to contribute 10 per cent of their salaries to public welfare during 1933. The contribution will start Jan. 1. Last year's tax was \$32.90."

CITY COUNCIL IS FORCED TO GIVE MORE FOR AID

The regular meeting of the City Council was held Monday evening, with Councilman Robertson, acting as president pro-tem in the chair. The finance committee, to which was referred an order requested by Mayor Casassa transferring \$27,527.01 from six other accounts to the temporary account of the Welfare Department, recommended that it be granted, and it was adopted on second and third readings, after hearing Welfare Commissioner William F. Foughey.

At the invitation of the Council, Mr. Foughey appeared in behalf of the order passed Sept. 12, transferring about \$10,000 raised by taxation and giving authority to extend the appropriation to \$40,000.

Commissioner Foughey explained that he had expended about \$46,000 of this appropriation up to the present time. Five per cent of the contributions of the city employees had been received up to the May account of 1932 amounting to about \$22,556. For the entire year this appropriation will amount to about \$51,000 when paid. There will be received in payments to Revere from the Commonwealth and other cities and towns about \$42,000. There was at the present time about \$6000 available in his appropriation. There are no assurances that the payments due from the other cities and towns would be paid this year. Reimbursements will be made by the State at the regular time. All reimbursements from other cities and towns cannot be used by his department. He said refunds must go into the receipts as revenue and cannot be used by the Welfare Department, not even transferred. The present payroll amounts to about \$4700 per week, at the present time. There are six or seven men on the public welfare payroll who are working for the City in the Public Works Department. The total appropriation for this year is \$191,000. The transfer of \$27,000 should be made. This will have a tendency to reduce the overdrift. Revere's expenses for welfare relief compared with other cities and towns is about one-third less. This is an estimate.

Mr. Foughey was requested by Councilman Gilfix to prepare a financial statement in comparison. The number of cases now receiving aid totaled to about 685. These cases remain about the same for the past few months, but probably will be increased during the winter months.

BIDS ARE OPENED FOR POINT PINES BRIDGE STRUCTURE

Bids, amounting in the aggregate to almost \$1,000,000, were opened Wednesday noon by the State Department of Public Works upon three important highway undertakings. They are the sub-structure, including abutments and piers, for the Point of Pines bridge over the Saugus River; the Worcester turnpike by-pass at Wellesley Hills square including four bridges, and reconstruction of about two miles of State road in Lee and Stockbridge in the Berkshire region.

There were twenty-three bidders for the Saugus River bridge work. Blakeslee-Rollins Corp. of Boston submitted the low figure of \$465,080.50. Charles I. Rosmer, Inc., of Greenfield bid \$500,832.60 and the Merritt, Chapman, Scott Company of New London bid \$517,280.36. The high bid was \$775,521 and the department's estimate \$516,700. The Point of Pines superstructure will be let under separate bids. The total appropriation for the bridge is \$1,315,000.

Revere High School lost its first football game to Lynn English High School at the Lynn Stadium on last Saturday afternoon by a 6-to-0 score, but there wasn't a person who attended the game from Revere who did not feel that the Revere team was much better than the eleven from across the marshes.

The Lynn English line looked like paper at time so fast did Revere backs crash through after the Revere frontier had opened up some real big holes.

Revere Scores Twice, But?

In the very first period, Revere started to get the wrong end of the breaks, when after getting down deep enough to throw passes, Sochat threw one to Mallio, that the latter caught in back of the Lynn English goal line but also in back of the end line and out of the field of play. The ball was brought out to the 20 yard line and given to English.

Another play that sent the Revere rooters, first into hysterics of joy, and then into the depths of gloom in the final quarter, when a Revere halfback (Cowan) raced around the end and across the Lynn goal line only to have the play called back again and Revere penalized for having a back in motion before the ball was passed.

Revere Has Great Team

A team that can take the breaks like the Revere team did and still play good football is a team that is going places and will cause all their future opponents plenty of bother.

Coach Tom Whelan has another of his good teams, with Fabrizio, Shaffer and Zumpski starring in last Saturday's game.

Charles W. Lovett Receives Chrestensen's Congratulations

Last week, Charles W. Lovett, Republican nominee for Congress from this district, received the following letter of congratulations from Francis J. Chrestensen, of Revere, his opponent in the recent State primary:

Revere, Massachusetts
September 22, 1932

Mr. Charles W. Lovett
Republican Candidate for Congress,
Seventh District

Dear Sir:

I wish to extend my most sincere congratulations to you on your splendid victory in the primary on last Tuesday. Your vote shows that you have the support of the great majority of the Republican voters of this District, and I hope that every one who voted for me in the Primary will stand with you on election day. The change in the District surely insures us of a fine chance of a Republican victory on election day, and it is my sincere hope that you may be our next Congressman.

Sincerely yours,

Patrick McGonagle, 45, of 30 Bellingham avenue, this city, this week has been at the Haymarket Square Relief Hospital in a serious condition as the result of being hit Tuesday night by an automobile on Chelsea street, at Medford street, Charlestown.

Albert W. Lord of 53 Franklin street, Allston, operator of the car which struck McGonagle, took him to the hospital. According to the police report, McGonagle stepped off the curb to hail a street car, was knocked down by the machine. He is suffering from a fractured skull and numerous other injuries.

entire veteran line from last year's championship eleven.

Immaculate Favored To Win
Although expected to give plenty of opposition, Sacred Heart High is expected to be defeated today at the hands of Coach Timothy Collins' more experienced team. Coach Collins has seven veterans left from the team that last season tied St. Charles of Waltham for the league title.

Five Home Games Scheduled
Immaculate Conception will play five out of its six league contests on their home field, Paul Revere Park. Following the Sacred Heart game today, there are ahead, St. Marys High of Brookline, next Saturday; Mission High of Roxbury, October 22; Cathedral High of Boston, November 6; and St. Clement's High of Medford, November 11.

The season will wind up away from home on November 24 with St. Charles High at Waltham.

INTERSTATE FALL JUBILEE FEATURES BEGINNING SUNDAY

To morrow at the Revere and Boulevard Theatres begins an extensive Interstate Fall Jubilee, featuring a new era of screen entertainment. Having ever endeavored to present pictures which would be pleasing and satisfactory to their patrons, the managers of the two theatres are planning an even more enjoyable program from now on and have received the endorsement of His Honor, the Mayor, for their Jubilee.

Starting off with "Congorilla," the only talking picture entirely made in the African jungle, featuring Mr. and Mrs. Martin Johnson, the two theatres offer a series of the outstanding moving pictures of the year. This first unusual feature picture brings to the audible screen for the first time the roars, shrieks and cries of not only primitive savages and wild animals, but the unexplored wildness of Central Africa is shown in all its hectic splendor.

The latter part of next week at both of the local theatres will be shown a picture which critics all over the country have praised for the timeliness of its plot, bringing to the screen, as it does, the dramatic situation that has touched the lives of everyone in the world in the last two years or more, "American Madness."

This production has a superb cast, headed by Walter Huston. And there are plenty of "head-liners" ahead, such as "Grand Hotel," "Bring 'Em Back Alive," "Back Street," and "Blessed Event."

In endorsing the Interstate Fall Jubilee of the Revere and Boulevard theatres, Mayor Casassa stresses the importance and value of attending theatres of the home city. The mayor's statement follows:

"TO THE CITIZENS OF REVERE:
"Revere is fortunate in having two splendid moving-picture theatres equalled by none in a city of its size in the country."

"It is the hope of the managers of these theatres to present splendid programs of moving pictures which will meet with the approval of all our citizens. The success of these theatres, in a great measure, depends upon the patronage given them by Revere people."

"Beginning Sunday, October 2nd, the managers are planning an Interstate Fall Jubilee and a new era of screen entertainment is going to be inaugurated. Your attention is especially called to the splendid program offered."

"I earnestly urge that all citizens who attend moving pictures make it a point to attend the moving picture playhouses in our own city."

"They Deserve Our Patronage."

"Sincerely yours,
(Signed) "ANDREW A. CASASSA
"Mayor."

Mrs. Zaccario Found Guilty Liquor Sale, Appeals \$100

Mrs. Mary Zaccario, 36, of 40 Fairfield street, this city, found guilty of keeping and exposing intoxicating liquor for sale, was sentenced by Judge Roscoe Walsworth to serve three months in jail and pay a fine of \$100, it being her second offence, Thursday in District Court.

The woman appealed the finding, being ordered to provide \$500 bail for hearing in the superior court. According to records read in court, Mrs. Zaccario was convicted of making an illegal sale in the local court in July, 1930, being fined \$100. On her appeal, she was fined \$50 later in the superior court.

Pair Have \$20 Fines Suspended For Operating Cars Dangerously

Samuel Portnoy, 50, of 51 Dehon street and Jack Landsman, 39, of 112 Shirley avenue, both of this city, were found guilty of operating automobiles so as to endanger lives and safety, and each fined \$50 by Judge Roscoe Walsworth in District Court Tuesday. The court ordered the fines suspended until November 28, meanwhile placing the co-defendants in the care of the probation officer.

Special Officer John J. Kirby, Metropolitan police, was the complainant. On the evening of September 9 cars driven by Portnoy and Landsman were in collision at Eastern avenue and Carroll street, Chelsea. Injuries were claimed by each in reports. Six other persons, passengers, were not hurt.

From the day of enlistment to the day of discharge the Navy man is trained both in mind and body. Every man is taught to know his job thoroughly.

SCHOOL BOARD RESOLUTIONS FOR THOS. J. FARRELL

The regular meeting of the Revere School Committee was called to order Tuesday at 8:50 p. m. by the chairman, Mrs. Elma A. Burns, and all were present with the exception of Mayor Andrew A. Casassa.

Mr. Americo Giusippl of 152 Larkin street, appeared before the School Committee with reference to the admission of his son, Morico, to grade one in the Abraham Lincoln School. On the motion of Mr. Smith, it was voted that the hearing be closed and that the matter of admitting Morico Giusippl to grade one in the Abraham Lincoln School be taken under advisement.

Appearing before the School Committee, Mr. George Keating of 82 Washburn avenue, Revere, applied for the possibility of forming and teaching bugle and drum corps in the Revere Public Schools. This matter was referred to the Superintendent of Schools for his disposition.

Bids on the printing of the School Manual were opened as follows: Johnson Press, \$24.70; Quality Press, \$30.00; H. Sherriff, \$42.50.

On the motion of Mr. Smith it was decided that the bid of the Johnson Press in the amount of \$24.70 for printing eight hundred copies of the School Manual in accordance with the specifications on file in the office of the Superintendent of Schools be accepted.

Mr. Smith moved and it was so voted that His Honor, the Mayor, be respectfully requested to provide the School Department with a quota of welfare workers for the performance of such unskilled labor as the School Committee may direct.

The Committee voted, following the motion made by Mr. Wallace, that the bid of Miller's Drug Store in the amount of \$33.50 for furnishing health supplies in accordance with the specifications on file in the office of the Superintendent of Schools be accepted.

Mr. Patrick Bruno, Agent of the Board of Health, was granted the use of the centrifuge machine for a period not to exceed one year.

It was voted that the bills as listed and submitted in the amount of \$3,098.73 be approved for payment.

Mr. Wallace moved that the approval of applications for vocational training be referred to the Superintendent of Schools for disposition.

EX MAYOR WALSH AND NOONE THROW HATS INTO RING

It was reported yesterday that 15 nomination papers were taken out by Ex-Mayor John E. Walsh, who is now definitely entered into this fall's mayoralty political battle. He intends to run on the Democratic ticket.

Concurrent with this announcement comes one from Ex-Mayor Thomas A. Noone, who has made it known that he will appear in the contest as an independent candidate for mayor.

All of Revere has been watching for the action to be taken by these two men. This makes four candidates who will definitely compete for the seat of Mayor of Revere. His Honor, Mayor Andrew A. Casassa last week formally announced his candidacy for re-nomination. He will be opposed for the Republican nomination by Charles H. White, president of the City Council.

Greater Boston, Lynn Press Photographers Mayor's Guests

Members of the Greater Boston and Lynn Press Photographers' Association were the guests Wednesday night at Revere Beach of Mayor Andrew A. Casassa, following the custom instituted by the chief executive since the early days of his administration.

Headed by Richard Sears, Pathe news camera man the photographers arrived at the corner of Beach street and the Boulevard shortly after 7 o'clock when they were greeted by Mayor Casassa.

The entire beachfront was then turned over to them and they held a frolic which lasted until a late hour. One of the features of the night was their visit to the Dance Marathon contest going on at the beach.

CITY EMPLOYEES MAY RECEIVE MORE PAY ON TUESDAY

City Treasurer James M. O'Brien has been steadily busy this past week paying out money as fast as he has been able to obtain it for the city.

If the negotiations now under way can satisfactorily be completed, there will be more money for the City employees by Monday of next week. No definite appropriation has been made known as yet, however, but the Treasurer has hopes of some good news for the City people in the coming week.

Recently Revere City employees received 8 weeks salaries due them. Mayor Casassa at that time expressed his appreciation to Governor Joseph B. Ely for assisting in this matter.

REVERE WOMAN'S CLUB COMMENCES ITS 38TH YEAR

At an informal reception on October 5, the Hospitality Committee of the Revere Woman's Club will be hostesses. This opening meeting of the Club is to be held in the vestry of the First Congregational Church, and marks the beginning of the 38th year of the Club.

Preceding the reception will be a brief business meeting, at which time Mrs. John C. Palmer will give a report on the Annual Meeting to the State Federation which was held at swamscott.

Each year the Club chooses from the Senior Class of the Revere High School several young ladies whose scholarship is outstanding, to become associate members of the Club. Myrtle Barrett, Adeline Christopher, Lillian Glassman, Edith Moseson, Lucy Mowesian and Charlotte Rottenberg have won this year's award. A most cordial welcome is extended to them and to all new members of the Club.

Lynn "Y" Wrestling Season Opens; Revere Boy Captain

The Young Men's Christian Association of Lynn opened the 1933 wrestling season with most of last year's veterans reporting for the first workout. Coach Robert Gray has high hopes of capturing the two state championship with the material he has at present.

All candidates went through three ten minute bouts as a preliminary workout for the year's work. Lebel, Hayes, and Murchinson showed up among last year's men; while Du-Von, former Salem High tackle; Standivic, Hurkic, and Lesser showed up among the newcomers. Although there were no heavyweights or 191-pounders reporting for practice, it is generally believed that the team will have no setbacks in their coming meets.

The first exhibition bout will take place October 10. Edward Murchinson and Shepperd Lesser, both Revere boys, will be the contestants at the Y. M. C. A. building in Lynn. Murchinson, last year's captain, is one of the coming sensations in amateur wrestling and has retained his captainship this year for his extraordinary record last season, in being runner up in the 174 pound two-state championship, after having only two years experience.

Search Revere Beach Waters For Swimmer's Body Fruitless

In the belief that he has drowned, Metropolitan police at Revere Beach this week have been searching in the waters for the body of Joseph Logan, 45, of 17 Davis street, Brookline, but the search has been of no avail.

Accompanied by a nephew, Logan went to the beach on Sunday for a dip in the ocean, leaving his clothing on the beach in charge of the younger man. When he failed to reappear at dark, the police were notified and a search instituted.

It is said that Logan was a strong swimmer, having swam to Nahant and other points from Revere Beach. It is believed he may have been seized with a cramp.

PAIR GIVEN SENTENCES

Donald Gillis, 16, of 107 Moore street, East Boston, was placed on probation, and Frank Hanley, 24, 643 Saratoga street, East Boston, was given 30 days in the House of Correction by Judge Roscoe Walsworth in District Court Thursday on charges of misappropriating a machine on Monday. AID TO UKRAINE MUST BE APPROVED FORTHWITH

The entire country (with the exception of those whose goal is to cause anarchy and chaos) breathed a sigh of relief thanks to the last-minute passage by the House and Senate of a bill to fund the government for 45 days this past weekend. However, there was a glaring omission in the bill's 71 pages: The lack of funding earmarked for additional military aid for Ukraine to assist in its fight against the barbaric invasion of that country by the sociopathic dictator of Russia, Vladimir Putin.

Although substantial majorities of both parties in both the House and the Senate favor our continued and future financial support for the Ukrainians in their struggle for freedom, the funding proposed by the Pentagon for more weaponry and other aid did not make it into the final bill that was signed by President Biden. The small minority of legislators who almost crashed the government this weekend also are opposed to providing the Ukrainians with further aid for reasons known only to themselves and it was to this small group that legislative leaders kow-towed in the final bill by excluding financial assistance to Ukraine.

The news footage each and every night reveals the ongoing atrocities being committed by Putin against the Ukrainian people. Right now, they and they alone are standing up to the sociopathic Putin, demonstrating to the world that their freedom is worth fighting and dying for.

In addition, the united front of America and its Western allies against Putin's invasion is signaling to the Chinese that they should not expect that the U.S. and its Pacific allies will stand by if they decide to invade Taiwan or continue to control the South China Sea with outlandish claims about their "territorial waters."

Anyone who asserts that it is time for a "peaceful resolution" to the war in Ukraine is playing into Putin's hands. Putin wants to swallow Ukraine whole. He already had annexed a large chunk of eastern Ukraine and the Crimea when he undertook his invasion. There is no reason to think that Putin would come to the peace table now and even if he did, does anyone seriously believe that he would honor any peace deal?

We live in a world where people expect everything to be done fast and patience is not a virtue. But the simple reality is that Putin is playing a waiting game, all the while destroying and killing as much as possible, hoping that support for Ukraine by the free world will wane and eventually his tanks will roll into Kyiv. The only means by which Putin can succeed is if Ukraine's allies throw in the towel -- a move that not only would be devastating for the Ukrainians, but that would prove to have significant adverse consequences for our own foreign policy.

We urge our members of Congress to work to support a new package of aid to Ukraine ASAP. America needs to show potential dictators that the free world will stand united against their tyrannical impulses.

TIM WAKEFIELD

We just wish to say a few words to acknowledge the passing this week of Tim Wakefield, the former Red Sox pitcher, who passed away suddenly this week from brain cancer. Beyond his remarkable success as a Major League pitcher for 20 years, 17 of which were with the Red Sox (during which time he became the all-time winningest pitcher in Red Sox history with 186 victories), Tim Wakefield was acknowledged by everyone who knew him to be the ultimate team player.

For many athletes, that is a mere cliché, but Tim Wakefield truly exemplified the meaning of that term both on and off the field. He embraced his work with the Jimmy Fund and the Dana Farber Institute in a quiet way, touching the lives of countless children, their families, and their caregivers, with his empathy and support.

Yes, Tim Wakefield will be celebrated as a famous athlete, but, in the words of the poet Wordsworth, his lasting legacy will be this:

"That best portion of a good man's life;
"His little, nameless, unremembered
"Acts of kindness and of love."

I SUPPORT MICHELLE KELLEY

Dear Editor,

I've met Michelle Kelley on several occasions and found her to be very open and direct. I spoke to others who know her, to confirm my impression of her, and found that she is viewed as a principled and

ethical person who has a deep reserve of common sense, a quality in short supply these days. Her ability for critical thinking and sound reasoning, nurtured through her experience in the legal field will serve the residents of Revere well. A lifelong resident of Revere, with a strong work ethic, she

worked her way through college and law school, and she has practical work experience as a small business owner.

Revere has lost its way with poorly planned and overdeveloped projects in recent years, and I am confident Michelle will push for better planning and more appropriate scale in

future projects.

If you value common sense, critical thinking and respect for the hard-earned dollars of taxpayers, you won't find a better candidate for councillor-at-large than Michelle Kelley. I hope you will cast your vote for her on November 7.

REVERE ELECTION 2023

CANDIDATES STATE THEIR VISIONS FOR REVERE

The foundation of prosperity: why fiscal responsibility matters

By Alexander Rhalimi

As a candidate for Revere Councillor at Large, I believe that one of the cornerstones of good governance is fiscal responsibility. It's not just an abstract concept; it directly impacts the lives of every resident in our city. Let's explore why fiscal responsibility matters and how it can lead us toward a brighter future.

Fiscal responsibility means managing our city's finances wisely and transparently. It's about making informed decisions that prioritize the needs of our community while ensuring we live within our means. When we achieve fiscal responsibility, several significant benefits follow:

1. Economic Stability:

A fiscally responsible government is less likely to face budget deficits and financial crises. This stability is crucial for attracting businesses and investors, which, in turn, generates jobs and boosts our local economy.

2. Lower Taxes and Fees: Responsible fiscal management can help keep taxes and fees in check. This means more money stays in the pockets of our residents, making Revere an affordable place to live and work.

3. Investment in Priorities: A balanced budget allows us to invest in essential services like education, public safety, and infrastructure. It ensures our city remains a great place to raise a family, providing opportunities for all.

4. Debt Reduction: Responsible fiscal policies help reduce the burden of long-term debt. This frees up resources for critical projects and emergencies and prevents future generations from shouldering unnecessary financial burdens.

5. Transparency and Accountability: Fiscal responsibility goes hand in hand with transparency and accountability in government. It ensures that our leaders are held accountable for their financial decisions, promoting trust and confidence in our elected officials.

I am committed to bringing a fiscally responsible approach to Revere's government. If elected, I will work tirelessly to balance our budget, priori-

tize essential services, and ensure that our tax dollars are spent wisely and efficiently.

In the end, fiscal responsibility isn't just a buzzword; it's a commitment to building a prosperous, sustainable future for Revere. By making informed financial decisions today, we can secure a better tomorrow for our city and its residents. Your vote for fiscal responsibility is a vote for our collective well-being and prosperity.

GUEST OP-ED

Hell's fire – treat others the way you want to be treated

By Dr. Glenn Mollette

Do you worry about going to hell? Will you burn there in hell's fire? Will you be in the hands of the Devil?

Hell may be a place where people are locked into a room with endless Presidential candidates hollering and speaking over each other to the point that nothing makes much sense and everybody ends up sounding crazier and crazier.

I accept what Jesus taught about heaven and hell. He actually talked more about hell than he did heaven. Hell is described as a very sad place of pain and suffering. I certainly do not want to leave my body and go somewhere worse. I have chosen to go to the better of the two places and I am trusting in Jesus to get me there.

As you know there is

plenty of hell on earth. Why would we want to leave the hell of earth and go to more hell?

A dear friend told me recently about his sweet wife being in Intensive Care in Alabama. She has battled multiple sclerosis for 20 years. All the medication she takes has impacted her heart. She recently had a heart attack and is now intubated. "MS sucks," my friend said.

Most of us have watched loved ones die from lung cancer, pulmonary fibrosis, dementia, diabetes, and various neurological diseases. It's hell for the person and hell for the loved ones. Most likely if we live long enough, we will all go through some form of severe suffering. You might die suddenly and escape the long valley of suffering or you may not. Being intubated, struggling to breathe, walk, talk, and eat is not a way

any of us want to spend our days.

So where is hell? There's plenty of it on planet earth. Almost 2 billion people live in poverty. Many of these people have to walk somewhere every day for just a bucket of water. Every day, millions are desperate for medical care but have access to none. Millions of Americans are homeless. Six million more immigrants

have entered our country over the last three years. So, there is more homelessness, poverty, misery, and hell in the streets of America than ever before.

Life and planet earth are great if you are relatively healthy, have a place to sleep, food to eat, and a little money to spend. However, health can change fast and often does. The point is there

Lincoln School to host fundraiser for local boy battling rare cancer

By Melissa Moore-Randall

On Thursday, October 5th, the Lincoln School will host a movie night benefiting the Chavarria family. RMA Sixth-grader Cristopher Chavarria’s family is trying to raise funds to get them to Texas Children’s Hospital for a potential life saving trial for Christopher.

His Lincoln family is hosting the Movie Night on Thursday, October 5 starting at 3:45 with doors opening at 3:30. They will be showing Disney Pixar’s Elemental. Refreshments will also be sold.

Cris, 11, was diagnosed with leukemia when he began 1st Grade at Lincoln. For almost three years, he endured three grueling years of chemotherapy. Throughout his many hospital stays and

while battling the severe side effects of his treatment, Cris attended school when he felt well enough. Referred to as a “soldier” by his family during the entire time, he was finally deemed cancer free.

Fast forward to 5 months ago. Cris and his family received devastating news that the leukemia had returned which was a more aggressive and rare form. His doctors tried many different levels of chemotherapy. With the last treatment, Cris suffered convulsions, vomiting and relentless pain.

Cris was entered into the “Be the Match” registry. According to their website, “Be The Match connects patients with a matching donor for a live-saving blood stem cell transplant”. A couple of months after entering the registry,

his family’s prayers were answered when a perfect match was found. This euphoric feeling was short lived as the potential donor backed out.

For the past 5 months, Cris and his mother, Yohana, have been living at Boston Children’s Hospital. His doctors said they were no longer able to treat Cris since they had run out of options, and that there would be no transplant. They gave the family the choice of taking him home.

Yohana and her husband, Victor, refused to accept this news and asked about other hospitals or clinics that potentially offered alternative treatments. Cris’s doctors did their research and found that Texas Children’s Hospital had a trial that appeared to be very promising.

His family has to pay their own way to and from Texas and all the living expenses while there which will be at least 5 weeks. Victor will have to leave his job to be with Yohana and Cris. In addition, they have a 9 year old son, Dylan, along with their mortgage and anticipated future bills.

If you are not able to attend the fundraiser, there is a GoFund Me donation page set up. Visit www.gofundme.com and search HELP CRIS GET TO TEXAS FOR A LIFE SAVING TRIAL.

Madison Lucchesi receives Cataldo Family Foundation Steps4Cancer Scholarship

Special to the Journal
Congratulations to Madison Lucchesi, the 2023 Cataldo Family

Foundation Steps4Cancer and the Community scholarship recipient. Madison is a 2023 graduate of Revere High School. Her

parents are Barbara and Robert Lucchesi.

She is attending Emerson College, where she is pursuing a degree in Journalism this fall. She aspires to become a general news reporter, and has recently joined WEBN Boston News at Emerson, where she will be writing web news articles.

In addition to the annual scholarship, the Cataldo Family Foundation also supports Cancer Care Grants which provide financial assistance to Revere citizens to aid them in their cancer care. Grants are available to Revere citizens who are currently undergoing chemotherapy, radiation therapy, or other cancer treatment.

Joseph Cook

Butler Aviation Retiree

Joseph "Joe" W. Cook, 86, of Revere passed away on September 26 at the age of 86.

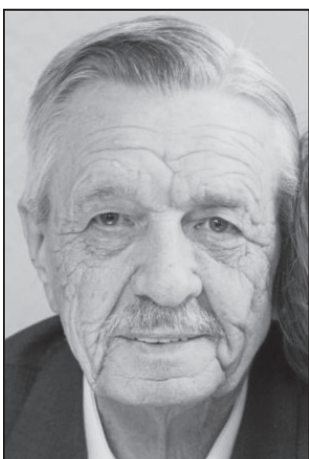

Joe was born June 15, 1937 in Horton, Alabama to Daniel Sr. and VeElla (Smith) Cook on their family farm along with ten other brothers and sisters.

In 1955, Joe joined the U.S. Navy, serving honorably for three years. During a port call in Boston, Joe met his future wife, Arlene and relocated to the Boston area after his discharge to marry and start a family.

Joe had a general aviation career at Logan Airport for over 40 years, primarily for Butler Aviation, where he was respected and loved by all his co-workers while never missing a day of work. During this time, Joe was also an avid bowler participating in many leagues and loved to play pool as well.

Upon retirement, Joe and Arlene moved to Joe's family farm in Alabama where they enjoyed 10 years of country life. They then returned to the Boston area where they resided at the Jack Satter House in Revere, with Joe making many friends, particularly with the poker club there.

Joe was predeceased by his aforementioned parents and three of his siblings, Tilton, Daniel Webster and Ida Lee (Hopper). He is survived by seven other siblings: Michael, George, Vicki (Potash), Rosie (Dean), Joyce (Blackwood), Juanita (Johnson) and Bonnie

(Mahan).

He is survived by his loving wife, Arlene Cook and his three children: Kenneth and his wife, Donna of Newtown, CT; Michael (predeceased by his wife, Shawn) of Revere and Michele Gibson and her husband, David of Stoughton.

He also leaves his grandsons: Michael Cook (and wife, Colleen) of Lynn, Brian Cook of Leominster, Mathew Cook of Revere, Christopher Nessco (and wife, Leah) of Leominster, Jonathon Gibson of Stoughton and granddaughter, Ashley Nicole Gibson of Stoughton. Joe is also survived by three great-grandchildren: Jacob, Travis and Vanessa, as well as another great-grandson on the way.

In lieu of flowers, please send any donations to New England Center and Home for Veterans.

The family will hold a private ceremony.

Robert LaPorta

1955 — 2023

Robert LaPorta, 68, of Revere passed away suddenly on September 25. He was born in Boston on June 4, 1955 to the late Pasquale and Virginia LaPorta.

Robert was a devoted husband to Annette LaPorta, with whom he shared 40 years of unwavering love and commitment. He was a loving and proud father to his three daughters, Deseree Joy, Alicia LaPorta and Tyra LaPorta. Robert also adored his granddaughter, Layla Joy, and cherished his son-in-law, Nathan Joy. He was a loving brother to his sister, Stella Smith, and his brother, Vincent LaPorta and a caring son to his late parents.

Robert cherished his family and leaves behind a legacy of love and devotion. In his career, Robert worked as a courier for Quest Diagnostics ensuring the swift and secure delivery of specimens. He took pride in his work and approached it with dedication and integrity. Robert had a variety of hobbies that brought him joy. He had a passion for metal detecting, and coin collecting always on the lookout for hidden treasures. Camping and fishing was another favorite pastime of his, where he found solace in the peacefulness of nature. These hobbies al-

lowed him to unwind and enjoy the simple pleasures of life.

Robert will be remembered for his loving nature, sense of humor and his ability to bring joy to those around him. He leaves behind a lasting impact on his family and friends, who will forever cherish the memories and laughs they shared together.

In accordance with his wishes, Robert will be privately cremated. A Celebration of Life will be held to honor his memory, allowing family and friends to come together and share stories, laughter and cherished memories.

Robert LaPorta will be deeply missed by his loved ones and all who had the privilege of knowing him. His kindness, love, and gentle spirit will forever be remembered. May he rest in eternal peace.

The Annual Tina Hinojosa Memorial Yoga event.

Annual Tina Hinojosa Memorial Yoga and Dodgeball event raises \$9,000

By Melissa Moore-Randall

Despite uncooperative weather, the third Annual Tina Hinojosa Memorial Yoga Class and Dodgeball Event was held last week at West Revere Complex raising close to \$9,000.

All money raised goes to Namastay Sober yoga, fitness & wellness scholarships which supports people in early recovery with yoga and fitness memberships. A portion of the proceeds will also go to the Tina Hinojosa Soccer Scholarship Fund.

Tina was an active yoga and sober leader. Tina was a founding member of NamaStay Sober and the first NamaStay Sober Host. She was fatally hit by a drunk driver on August 13, 2021.

The event was presented by Namastay Sober and Revere Recreation. According to the Namastay Sober website, “Our mission is to aid those in recovery by reconnecting their bodies and minds through affordable yoga, fitness, meditation and wellness-focused commu-

nity events. By becoming a member of our community participants are given access to create a new and healthy lifestyle alongside their peers.”

“A special thank you to Michael Hinojosa and his team at the Revere Parks Department for always being the force behind the scenes making sure everything runs smoothly. Thank you Matty Powers and his team at Power of Recovery for always being generous and willing to collaborate and sponsor our events. Thank you to Michael Aldi for being the easiest YES and sponsoring this event and for always contributing to all of our projects. Thank you to my brothers at RFD Local 926, the Revere Police department and 3rd Alarm Wood Fired Pizza for your constant and continued support. Thank you Bella Pelle. Thank you for always showing up strong Joe Llama and for bringing your crew from Revere Boxing down for some competitive fun. Thank you NamaStay Sober, and especially Allison, for all

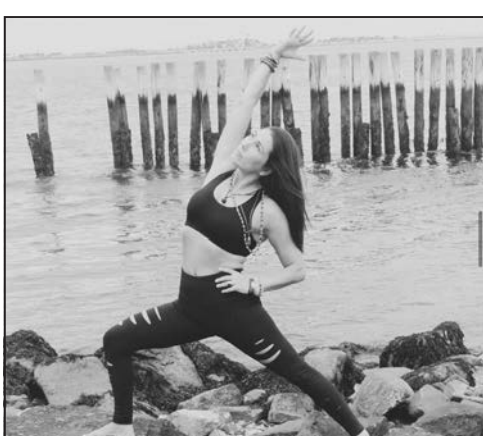

your hard work. A gigantic absolutely HUGE thank you to Spiros Easypie and his team for donating and delivering 30 pizzas! And of course a big thank you to all the elected officials and everyone that's running a campaign who donated, showed up and supported this event, thank you,” said Matt Parlante, one of the event organizers.

Tina Hinojosa was described as a loving mother, sister, daughter, family member and friend. In her youth, Tina was an incredible athlete dominating the soccer field. The Tina Hinojosa Memorial Scholarship was established in 2021 and is dedicated to keeping her memory and vision of helping others alive. The scholarship awards senior soccer athletes at Revere High School, Tina’s alma mater.

The Annual Tina Hinojosa Soccer Tournament will be held this Saturday October 7 (raindate is October 8) for boys and girls ages 6-10 at Harry Della Russo Stadium.

School Committee introduces Garfield’s Interim Principal

By Michael Coughlin Jr.

Thaddeus King, the Interim Principal at the Garfield Middle School, was introduced at last week’s regular Revere School Committee meeting during the Superintendent’s Report.

King, who has “decades of experience” in education, according to Superintendent Dianne Kelly, was most recently in Winchendon and in the past has worked in Lowell and Texas.

“In Winchendon and Lowell, he served as a school-based and district administrator for over 12 years, and his academic background is in middle school science,” said Kelly.

Kelly went on to describe King as a “very rare person to find” and that he “prides himself on being a hands-on leader, designing collaborative teams with a focus on fostering culture and equity and innovation.”

King said he was very happy to be in Revere and complimented the team who will be working with him, including teachers, custodians, and cafeteria workers. “I’m really for-

tunate here in this district and specifically at the Garfield to have a really great team around me,” he said.

After some brief remarks, King opened up the floor for questions, and during this time, he was asked by an audience member why he had departed from Winchendon and supplied an answer.

“I was in Winchendon, most recently as a Superintendent. Quite frankly, also spent in the last two and a half years — at that same time for about two of those years, I was also working as the Finance Manager in that district,” said King.

“Quite frankly, the school committee turned over, and we sort of were no longer philosophicaly aligned around sort of operations and personnel, and that happens. We together agreed to separate, and am very fortunate to have made it here to Revere,” he added.

While King was asked about his most recent position, members of the school committee shared their excitement about King joining the district.

The committee’s Vice Chair, Stacey Brons-

don-Rizzo, thanked King for coming and said, “I know you’re going to be adding a lot to Garfield Middle School with great people there.”

“I’m glad to have you on board,” she added.

Another Committee Member, Carol Tye, shared her excitement as well, indicating that King would fit right in with the Garfield.

“I think that you’ll find that Revere is a really welcoming city, and you seem to have just the great personality to fit in at the Garfield,” said Tye.

“I know you have great people that’ll work with you, so welcome, and we hope you stay for a long time here,” she added.

While it is clear that both the school committee and Kelly indicated that they feel like the Garfield Middle School will be in good hands under King, it is even more apparent that he is happy to be in the position.

“I got called Mister the other day, and it warmed my heart. I actually teased my wife, who’s also an educator, I was like, yep, this is right... I’m very happy to be here,” said King.

Local firefighters graduate from Massachusetts Firefighting Academy

Special to the Journal

State Fire Marshal Jon M. Davine and Massachusetts Firefighting Academy Director Jeffrey P. Winn announced the graduation of 24 firefighters from the 50-day Career Recruit Firefighting Training Program.

“Massachusetts firefighters are on the frontlines protecting their communities every day, and today’s graduates are needed now more than ever,” said State Fire Marshal Davine. “The hundreds of hours of foundational training they’ve received will provide them with the physical, mental, and technical skills to perform their jobs effectively and safely.”

“Massachusetts Firefighting Academy instructors draw on decades of experience in the fire service to train new recruits,” said Director Winn. “Through consistent classroom instruction and practical exercises, today’s graduates have developed the tools they’ll need to work seamlessly with veteran firefighters in their home departments and in neighboring communities as mutual aid.”

The graduating firefighters of Class #314 represent the fire departments of Acton, Bellingham, Charlton, Gloucester,

Lawrence, Littleton, Milton, North Andover, Orleans, Plymouth, Revere, Rockland, Tewksbury, and Weston.

Basic Firefighter Skills
Students receive classroom training in all basic firefighter skills. They practice first under non-fire conditions and then during controlled fire conditions. To graduate, students must demonstrate proficiency in life safety, search and rescue, ladder operations, water supply, pump operation, and fire attack. Fire attack operations range from mailbox fires to multiple-floor or multiple-room structural fires. Upon successful completion of the Career Recruit Program, all students have met the national standards of NFPA 1001, Standard for Fire Fighter Professional Qualifications, and are certified to the levels of Firefighter I/II and Hazardous Materials First Responder Operations by the Massachusetts Fire Training Council, which is accredited by the National Board on Fire Service Professional Qualifications.

Today’s firefighters do much more than fight fires
Modern firefighters train for and respond to all types of hazards and emergencies. They are the first

ones called to respond to chemical and environmental emergencies, ranging from the suspected presence of carbon monoxide to gas leaks to industrial chemical spills. They may be called to rescue a child who has fallen through the ice, an office worker stuck in an elevator, or a motorist trapped in a crashed vehicle. They test and maintain their equipment, including self-contained breathing apparatus (SCBA), hydrants, hoses, power tools, and apparatus.

At the Massachusetts Firefighting Academy, recruits learn all these skills and more, including the latest science of fire behavior and suppression tactics, from certified fire instructors. They also receive training in public fire education, hazardous material incident mitigation, flammable liquids, stress management, and self-rescue techniques. The intensive, 10-week program involves classroom instruction, physical fitness training, firefighter skills training, and live firefighting practice.

The MFA provides recruit and in-service training for career, call, and volunteer firefighters at every level of experience, from recruit to chief officer, at campuses in Stow, Springfield, and Bridgewater.

RHS GIRLS SOCCER WINS TWO MORE TO REMAIN UNBEATEN

The Revere High girls soccer team remained un-un -- unbeaten, untied, and unscored upon -- with two more shutout victories over Greater Boston League (GBL) opponents this past week.

Last Tuesday the Lady Patriots corralled the Medford Lady Mustangs, 4-0. Erika Mejia led the Revere offense with two goals on free kicks that were earned by the hard work of teammates Kaylin Foglar and Nataly Oliva.

Sandra Torres started the scoring by receiving a throw-in from her sister Emily, which led to Sandra dribbling around the Medford defenders and delivering a strike into the top corner of the Lady Mustang net. The last goal was scored by Nataly Oliva with an assist from Kelsey Morales and Samarah Paiva.

"Fatima Oliva and Catalina Chizavo both played great defensively and moved the ball upfield to their teammates," said RHS head coach Megan O'Donnell. "Giselle Salvador and Ari Pina and Samarah Paiva locked down the defense for us. Emily Torres, Jessica Galvez, and Salma Zamoria all chipped away with big plays at different times to help the team win."

Lady Patriot goal-keeper Nisrin Sekkat recorded another shutout and made some impressive saves on the Medford forwards.

"Medford is a well-coached and aggressive

team, so this win was a big one," noted O'Donnell.

Two days later Revere edged the Lady Golden Tornadoes of Malden, 1-0. "Coach Rick and his Malden team played us very tough and tested our defense and gave our mid-field a hard time to be the first team to get multiple shots on net that tested our integrity," said O'Donnell. "Our team didn't play their best due to injuries and a team bug that's going around."

"We had a few opportunities in the first half to score, but we couldn't finish," O'Donnell continued.

The Lady Patriots finally broke through with about eight minutes left in the game. Erika Mejia and Samarah Paiva moved the ball up the middle and then down the sideline to Catalina Chizavo, who then sent a nice through-ball to Nataly Oliva. Nataly took the ball to the corner of the box and delivered a strike to the bottom right of the goalie for the game-winner.

"Kelsey Morales, Fatima Oliva, Giselle Salvador, and Emily Torres held Malden to four shots on net and Nisrin Sekkat made some great saves and is finding her niche in goal," O'Donnell added. "The midfield who was controlled by Sandra Torres, Samarah Paiva, Erika Mejia, and Catalina Chizavo, who played hard and took many hard hits from Malden, but were able to move the ball up the field to give Nataly, Kesley, Angie, and Sal-

President Dan Dacey honored for outstanding service to youth baseball and softball league

Dan Dacey, who is stepping down as president of the Revere Youth Baseball and Softball League after two decades of outstanding service, was honored at the organization's awards cookout Sunday at Griswold Park.

Acting Mayor Patrick Keefe presented a Mayoral Citation to Dacey at the outset of the awards program.

"This special citation is from our office and the entire City of Revere," Keefe told the large gathering of players, coaches, and parents. "This award is all about Danny and his family sacrificing all those

nights [for the organization]. Danny, you've done such an unbelievable job, and I'm really proud of you. You inspired me 15 years ago. Thank you so much. The city is forever indebted to you for your service."

Dacey accepted the award in his typically humble fashion. "I appreciate it. I've enjoyed being an officer and a coach. This is my home. I played here as a kid, so I took a lot of pride in the park," said Dacey.

Shawn Vetere will be the new president of the Revere Youth Baseball and Softball League.

Offense stalls in 28-6 loss to Lynn English

Unable to get its offense untracked, the Revere High School football team dropped a 28-6 decision to Lynn English Friday night at Manning Field in Lynn.

Coach Lou Cicatelli's Patriots fell behind, 14-0, after one quarter and 21-0, at the half, while struggling to move the football. Quarterback Carlos Rizo scored Revere's only

touchdown on a 1-yard run to complete a seven-play drive in the fourth quarter.

"We just weren't able to generate any rhythm on offense," said Cicatelli, whose team fell to 0-4. "We're a young team that's trying to find some continuity on offense, and the penalties are not helping."

REVERE GIRLS SOCCER TRIUMPH OVER MALDEN

Photos by Bob Marra

Revere improved its record to 8-0 with a 1-0 win at Malden Thursday, September 28. The high-flying Patriots have scored

29 goals and not allowed a goal through their first eight games. The Patriots face Somerville at Revere High on Tuesday October 3.

HIGH STEPPING: Samarah Paiva (11) gets a leg up as she seeks control of a high-bounce.

TWISTER: Ari Pina (15) maneuvers a clearing shot as goal-tender looks on in the background.

ma the chance to score multiple times during the game."

The junior varsity squad earned a 3-3 tie with their Malden counterparts with Ikram Bichia scoring two goals and freshman Sarah Granados scored her first career goal. Teammates Ajsi Balla and Andrea Mendieta turned in their best games of the season.

O'Donnell and her crew, who stand at 6-0 in the GBL and are 8-0 overall, are scheduled to face their biggest challenges of the season this week. They were set to take on Somerville, which is 7-0 in the GBL, yesterday (Tuesday) and Lynn Classical, which is 4-1-1 in the GBL, tomorrow (Thursday). They will trek to GBL rival Lynn English next Tuesday.

RHS/MHS GOLFERS TOP SALEM, 48-24

The Revere/Malden High golf team hosted Salem in its first non-league match of the season at Kelley Greens in Nahant

last week amidst strong winds, temperatures in the mid-50s on the water, and a stinging rain, but despite the conditions, coach Brandon Pezzuto's crew hit some very impressive shots to put together a winning effort, 48-24.

The team's record now stands at an impressive 4-1 on the season.

The highlight shot of the match was a 220+ yard recovery shot by Frankie Annunziata on the fifth hole. "The coaching staff was impressed by the mental maturity displayed by Frankie to bounce back after a poor tee shot and recover with the 'swing of the season' thus far," said Pezzuto.

Match winners included Matt Lacroix (#2) 6.5-2.5, Annunziata (#3) 6-3, Jacob Simonelli (#4) 8-1, Tommy Cronin (#5) 6.5-2.5, captain Ollie Svendsen (#6 6.5-2.5), and captain Ryan Coggsell (#7) 8.5-5.

Pezzuto and his crew engaged in a well-needed short game session at

Mount Hood last week in preparation for a match with Somerville last Thursday at Stoneham Oaks. "The match will be pivotal for us to compete for the GBL Championship, as well as for our first tournament bid in over five years," said Pezzuto.

GIRLS CROSS COUNTRY RUNS PAST ENGLISH

The Revere High girls cross country team earned

its second victory of the season with a 19-40 triumph over Lynn English last Wednesday. Lady Patriot Rocio Gonzalez Castillo once again dominated the race from start to finish, while also running her personal best race time on Revere's home course.

Olivia Rupp made a strong surge late in the race to take second place in a closely-battled match-up. "Olivia was neck and neck with Lynn English's top runner throughout most of the course, but in the last half mile, Olivia amped up her pace and broke away," said RHS head coach Katie Sinnott. "It was a great run for her."

Another standout performance was turned in by Daniela Santana Baez, who topped her previous home best by well over two minutes and improved her personal best pace by over 30 seconds per mile. Other runners earning personal-best paces were Hiba El Bzyouy, Afane Amine, and Rania Abdelhannane.

Sinnott and her crew are scheduled to host Everett today (Wednesday) and Malden next Wednesday.

Overall Results:
Revere 19, Lynn English 40
Individual Results:
Rocio Gonzalez Castillo – 1st – 20:45

STRONG PERFORMANCE BY RHS FIELD HOCKEY TEAM

Although the Revere High field hockey team came out on the short end of a 3-2 decision to Ursuline Academy this past Saturday, first year Lady Patriot head coach Alex Saturday was pleased with aspects of her team's performance.

"We had a strong first quarter of the game, with goals being scored by Bella Stamatopoulos and Isabella Mendieta (assisted by Danni Randall)," said Butler.

Butler and her crew are scheduled to play at Everett today (Wednesday) and will host Northeast Regional this Saturday evening at Harry Della Russo Stadium at 5:00 and Malden Catholic on the holiday at 10:00. They will trek to Methuen next Tuesday.

RHS BOYS CROSS COUNTRY IMPROVING

Although the Revere High boys cross country team came up on the short end of a 22-35 decision to ynn English last week, coach Mike Flynn's squad turned in some fine perfor-

mances.

Youness Chahid led the Patriots across the finish line with a second-place effort in a time of 16:34. Teammate Adam Assour finished sixth with a time of 19:17, followed by Zaraius Bilimoria in seventh with a time of 19:19, Ziyed Dendane (who "ran a very strong first home race" noted Flynn) in eighth (20:42), Vincent Phan in 12th (23:13), and Abdo Rochdi in 13th (26:03).

The Patriots host Everett today (Wednesday) and Malden next Wednesday.

BOYS SOCCER HOSTS CLASSICAL, ENGLISH

The Revere High boys soccer team, which earned a 2-0 victory over Malden last Thursday, will seek to stay on the winning track with home contests with Greater Boston League (GBL) foes Lynn Classical tomorrow (Thursday) and Lynn English next Tuesday.

After sprinting to a 4-0 start, the Patriots recently fell to GBL rivals Chelsea and Medford before topping Malden last Thursday, 2-0.

Revere, which is now 5-2 on the season, was scheduled to take on GBL opponent Somerville yesterday (Tuesday) prior to heading into its matches with Classical and English.

The Revere High football team fell to Winthrop, 30-13, in a rare pre-Thanksgiving meeting Friday night at Harry Della Russo Stadium. The schools traditionally meet on Thanksgiving morning, but under the new MIAA playoff format decided to play on two occasions this season. Winthrop used a potent running game to amass more than 250 yards on the ground. Senior captain Kaleb Silva was a standout for Revere with 125 yards and one touchdown. Silva displayed excellent acceleration after receiving handoffs from quarterback Dan Murphy and Ravi Ryland. Senior captain Tommy Portrait scored Revere's first touchdown on a three-yard run. Senior placekicker Steven Selevitch booted the PAT.

The Revere High boys soccer team enjoyed a successful week, winning two of their three contests and tying the third to improve to 4-1-1 on the season. The Patriots opened their week with a 2-0 blanking of Beverly last Monday. Abel Alcantar and Ruben Soares potted the goals for Revere. Two days later the Patriots defeated Lynn English, 4-1. Senior forward Saad El-Khian reached the back of the English net twice and teammates Tarik Maddrey and Soares both scored a goal apiece. Saturday's contest with Marblehead, which ended in a 2-2 tie, proved to be a frustrating experience for the Patriots. The Patriots finally put their offense together and clicked for a pair of goals in the final 15 minutes to move out to a 2-lead. Maddrey and El-Khian accounted for the Revere markers. However, Marblehead earned the tie with a goal in the final 30 seconds.

The Revere High volleyball team won two of its three matches this past week to improve to 7-1 on the season. Coach Jaime Imbraccio's charges opened the week with a hard-fought 3-2 triumph over Lynn Classical and then took the measure of the other Lynn team, Lynn English, by a 3-1 score. Among the statistical leaders for Revere were captain Shannon Spillane with eight digs, Ally Hinojosa with five service aces, and the duo of captain Natalie Colon-Martins and Helen Davis with three kills each. Sandwiched between the two victories came the Lady Patriots' first loss of the 2013 campaign, a 3-0 blanking at Peabody.

The Revere High girls soccer team dropped a heartbreaker last week, falling to Lynn English by a slim 1-0 margin under the lights on their home turf last Wednesday. Lady Patriot standout Paolo Ortez delivered about 15 shots on the Lynn English net, but could not catch a break for a goal. Keeper Cassandra DiBella saved about 22 shots with just the one squeaking by her. RHS head coach Megan O'Donnell also praised the performances of Olivia King, Danielle Fortuna, Mac Langata, and Marcie-lo Ortez, all

of whom played their best games of the season.

Revere junior Jose Escobar enjoyed one of the finest nights in recent memory by a Revere running back as he rushed for 220 yards and three touchdowns on only 16 carries to pace the Patriots to a 28-8 victory over Somerville. Escobar scored on TD runs of 79, 44, and 20 yards. His huge effort earned him Star of the Week accolades from both the Boston Globe and the Herald. Patriot lineman Chris D'Eramo made a big defensive play when he recovered a Somerville fumble at the Revere eight yard line to halt a Somerville drive. Revere then went on a 92-yard drive, led by Steve Bagnera, who ripped off a 60-yard run, and Emilio Digitale, who scored from 12 yards out.

Red Sox fans are hyped for the upcoming American League championship series with the Yankees after the Sox overcame a 3-1 deficit and won three straight over the Oakland Athletics. Boston and New York last met in the ALCS in 1999, with the Yankees winning four of five.

The Revere High football team rolled past Cambridge, 36-6, to improve to 2-2 on the season. The RHS defense held Cambridge to just 76 yards of total offense. Freshman ball carrier Frankie Candela scampered 35 yards for the first Revere TD and then hauled in a 44 yard pass from quarterback J.J. Jones for the second Revere score. Jones tossed another TD pass to tight end Greg Mucci that covered 13 yards. Peter DeLeary fell on a loose ball to score another Revere TD and David Gravallese ran back an interception 44 yards to apply the coup de grace for the final Revere TD of the day.

The RHS field hockey team defeated Everett, 2-1, thanks to goals from Jennifer Cardello and Brenda Della Russo. In a 3-0 win over Malden, Della Russo scored two more goals and Rachel Belliveau added a third.

Diego Fontan scored a goal and had two assists to lead the RHS soccer team to a 3-1 win over Medford. Joavany Alvarez and Jamie Nelson also scored for Revere.

Revere Little League President William Flynn received an Appreciation Award at the league's annual awards banquet Saturday night.

RHS head soccer coach Dom Lomanno is hopeful that his RHS soccer team will top its three wins of last season after the Patriots defeated Everett, 2-1, and Peabody, 3-1, this past week. Pat Graham scored both goals in the Everett contest and added two more against Peabody. Mark White converted a penalty kick for the third goal against Peabody.

The 1983 city softball title was won by the Car Wash team, which defeat-

ed Festa Construction, 4-1, in the best of seven championship series. John Cross was the winning pitcher in all of the Car Wash victories. Members of the winning team are Dennis Bolognese, Peter Cronas, Bob Alvino, Sonny D'Angelico, Phil DiLegro, Jack Cann, Frank Mucci, Steve Cushing, Frank Falzone, Mark Gillen, Jerry Abate, Tommy Cook, Ed Coffey, and Russ, the team's bat tender.

Running back Joe Festa pounded away at the Quincy line for 144 yards rushing to lead the RHS football team to a 21-0 win Saturday over Quincy. Festa needed just 13 carries to amass his yardage total and scored two touchdowns. Reserve RHS quarterback Roy Santolucito came into the game in the first period for injured quarterback Dave Petrilli and connected with Bob DeCristoforo for a 48 yard TD pass on his first play from scrimmage.

Coach Silvio Cella's RHS football team dropped its season opener, 28-0, at Saugus Saturday. The Revere gridders will host always-strong Brockton this Saturday.

An alert and courageous Immaculate Conception High football team opened what promises to be a successful season with a 13-7 win over Christopher Columbus, a pre-season contender in Division II of the Catholic Conference. Immaculate, playing before a large home crowd at Paul Revere Stadium, showed that it might be a strong contender for Division III honors thanks to the offensive prowess of Ed O'Hara and Neal Harrington. O'Hara displayed some fine open field running, while Harrington smashed and banged his way for long gains, with both scoring a touchdown. Capt Joe Gallant was a bulwark on defense for Immaculate. Pete Reinstein and Harrington both intercepted passes for IC.

RMS Cross Country continues to show promise

By Melissa Moore-Randall

Under a beautiful September sky with the Boston skyline as a backdrop, the Revere Middle School (RMS) Cross Country team had a another promising and successful meet.

The squad traveled to Admiral's Hill in Chelsea and ran the 1.8 mile race along picturesque Boston Harbor. RMA 8th Grader Walter Guzman, once again took the top spot in the meet. He was followed by GMS 7th grader Kosta

Stamatopolous and 6th grader Ryker Picardi-Flahive, respectively, finished 2nd and 3rd. Coming in first for the girls, was SBA 8th Grader Gabriella Aguilar.

The teams head to Medford this week.

Middle School Cross Country Eighth-Grader Walter Guzman took the top spot at their recent meet against Chelsea.

Seventh-Grader Kosta Stamatopolous at the Middle School Cross Country Meet finishing a solid second.

Defensive end Walter Rodriguez made several tackles. Running back Giovanni Woodard was Revere's leading rusher in the game.

Revere punter Felipe Maia continued to excel in the kicking department,

averaging more than 40 yards per punt. "Felipe's been great us," said Cicatelli. "He's been flipping the field."

Revere hosts No. 6-ranked Everett (3-1) Friday at 6 p.m. at Harry Della Russo Stadium. Everett

has one of the best football players in Massachusetts in senior Christian Zamor, who has committed to Boston College in the Eagles' recruiting Class of 2024.

North Suffolk Community Services to honor three for impact on creating stigma-free workplaces

Special to the Journal

North Suffolk Community Services (NSCS), a nonprofit provider of services for individuals of all ages needing mental health and/or addiction treatment, recovery support and those with developmental disabilities, announced today it will honor three individuals at its 64th Anniversary Connection Celebration Oct. 19 for their significant contributions to creating an inclusive and stigma-free workforce in Massachusetts.

Former Massachusetts Labor and Workforce Development Secretary Rosalin Acosta will receive a Public Service Award; author, educator and advocate Dr. Donna Hicks of the Weatherhead Center for International Affairs at Harvard University will receive a Humanitarian Award; and Michael Weekes, the outgoing president and CEO of the Providers' Council, will be presented with a Lifetime Achievement Award.

disorders on families and in our communities especially communities of color, immigrant communities, and residents of low resourced neighborhoods, but the effects on the business community are equally profound," said NSCS President and CEO Damien Cabezas. "A 2021 report suggests that lost productivity due to opioid use alone cost the U.S. some \$92 billion. If we are going to end stigma around behavioral health issues, we need cross-sector collaboration and discussion between business leaders, the public, and the non-profit sector."

Acosta is currently the Managing Director, Government and Public Sector practice, at Ernst & Young (EY), where she works with labor and workforce development leaders to solve some of the most difficult obstacles facing state government officials.

She will receive a Public Service Award for her work from 2017 to 2023 as Secretary of Labor and Workforce Development for the Commonwealth of

EBNHC and Boston Public Health Commission join together to host 'Health of Boston: East Boston' with the Boston CHNA – CHIP Collaborative

The Boston Public Health Commission, in partnership with East Boston Neighborhood Health Center (EBNHC) and the Boston Community Health Needs Assessment (CHNA) – Community Health Improvement Plan (CHIP) Collaborative recently held 'The Health of Boston: East Boston' event to report data from BPHC's Health of Boston report, share findings from the 2022 community health needs assessment, and connect residents with community health resources.

At the event, Dr. Bisola Ojikutu, Commissioner of Public Health and Executive Director of the Boston Public Health Commission, shared East-Boston-specific data from the Health of Boston report on life expectancy, as well as rates of asthma, diabetes, and heart disease. In her presentation, Dr. Ojikutu explained that social determinants of health, such as violence, the built environment, and family income, play a major role in the health trends we see.

"As we continue to visit Boston neighborhoods and share this rich data, we're thrilled to work with partners like East Boston Neighborhood Health Center who are so invested in the health of

community," said Dr. Ojikutu. "The data shows us a lot of good news coming out of East Boston which we know is a testament to high-quality healthcare, as well as the work of so many local organizations who lift up and care for the East Boston community. This Health of Boston: East Boston discussion illuminated these successes, while also acknowledging the work that lies ahead for our city."

During the event, Greg Wilmot, President and CEO of East Boston Neighborhood Health Center shared an overview of the health center's programs and services. EBNHC's Hollis Graham, Assistant Vice President, Strategy, Innovation, and Transformation and Mary Ellen McIntyre, Senior Vice President of Massachusetts League of Community Health Centers provided an update from the Boston CHNA – CHIP Collaborative.

"The East Boston Neighborhood Health Center is proud to partner with the Boston Public Health Commission to share this important data on the health of our city as a whole and on this side of the tunnel. We know that the health of our community is not just about high-quality, compassionate healthcare,

Greg Wilmot, CEO and President, East Boston Neighborhood Health Center.

but about the many factors that shape the health

of our communities, such

as food, housing, and economic stability," said Greg Wilmot, CEO and President of East Boston Neighborhood Health Center. "We are honored that Dr. Ojikutu and her team selected EBNHC to co-host a discussion on these critically important topics with leaders and neighbors equally committed to improving the health of East Boston."

The event, held on September 14th at the Paris Street Community Center, was attended by dozens of East Boston families

and residents, as well as representatives from Rep. Madaro, Councilor Colletta and Sen. Edwards offices. Numerous community organizations, including the BPHC's Division of Chronic Disease Prevention and Control, the Mayor's Health Line, Maverick Landing Community Services, the Eastie Coalition, Mutal Aid Eastie, as well as East Boston Neighborhood Health Center's Recovery Services and Community Engagement teams all attended to share resources.

AFL-CIO endorses Jaramillo for Council at-large

The Greater Boston Labor Council (GBLC) of the American Federation of Workers and Congress of Industrial Organizations (AFL-CIO), which covers the City of Revere, has endorsed Juan Pablo Jaramillo for Revere City Council at-large.

This chapter of the AFL-CIO represents over 100,000 working people that live and work in and around the city of Revere from union locals like Painters DC 35, IBEW 103, Local 26, SEIU Local 888, AFSCME 93, Carpenter’s Local 328, Pipefitters 537, UFCW 1445, and Machinists District 15 among others. The full list of members can be found at www.gbhc.us/leadership.

Pointing to Juan’s working class background and commitment to working families, Darlene Lombos, Executive Secretary Treasurer of the GBLC, AFL-CIO said “Juan Pablo Jaramillo is our union brother and will bring labor’s

voice to the Revere City Council. Revere is a union city and Juan understands the Greater Boston Labor Council, AFL-CIO’s vision for a city that centers policy around unions, people of color and the working class. We are proud to endorse his candidacy for City Councilor at Large.”

In the preliminary election held on September 19th, Juan Pablo placed in the top 5, placing him in a strong position to get on the Revere City Council in the November 7th General Election given that the top five candidates are elected in the general election. This is the latest of a long list of endorsements that Juan has received since launching his campaign back in May. He has received the endorsement of local leaders and advocacy organizations across different sectors and walks of life.

“On the September 19th preliminary election we proved that we can elect people in Revere whose

sole focus is to fight for our city’s working families. Our message of making Revere a working class city by working class people is resonating and that is why the endorsement of the AFL-CIO is so important to me” said Jaramillo. He added that keeping Revere a working class city means “fighting for affordability for our seniors, so that they can age in place without being priced out of our city and for working families so that they can thrive here.”

The preliminary election held on September 19th brought the number of candidates for the council at-large race down to 10, of which only five will be elected to office. Voters will get the opportunity to have their final say on November 7th when they can vote for up to 5 people for council at-large. Juan Pablo Jaramillo is vying for one of those five seats elected at-large on the Revere City Council.

SCHOOL COMMITTEE CANDIDATE KATY SCHULTE GRAHAME HOLDS STAND OUT

Shown right and below, supporters young and old alike joined Katy Schulte Grahame in Beachmont this past weekend to hold signs. Candidates for Councillor at large, Juan Jaramillo, Don Martelli, and Ward One candidate, John Stamatopolous stopped by to show support and wish Katy luck.

SEIU 509 endorses School Committee member Monterroso

“We are extremely proud to endorse our fellow SEIU 509 member, Jacqueline Monterroso, for Revere School Committee. As an educator, Jacqueline brings critical teaching experience, leadership in education policy, and knowledge of statewide and national resources to this role. As the first Latina on the School Committee in a district with over 70% students

School Committee Member Carol Tye endorses fellow Committee Member Monterroso for re-election

Revere’s beloved School Committee Member, former superintendent, and former RHS English teacher Carol Tye has endorsed her colleague, School Committee Member Jacqueline Monterroso for re-election.

“With her experience as a fellow educator, Jacqueline understands firsthand the unique needs of students in the classroom, as well as how to cooperate with caregivers. School Committee Member Monterroso’s continued commitment to transparency, accessibility, and engagement with the entire Revere community is a skill every elected official

should strive to embody. I proudly serve Revere by her side and support her re-election as she works to create a system more representative and equitable for all,” said Committee Member Carol Tye.

“I cannot put into words what it means to have Committee Member Tye’s endorsement. Ms. Tye has been a key leader in Revere’s education system for decades, first as a teacher, then superintendent, and now during her service on the school committee. It is an honor to receive her endorsement and serve alongside her during her last term on the Committee.” said School

Committee Member Monterroso.

Committee Member Jacqueline Monterroso has also been endorsed by Revere’s State Senator Lydia Edwards, State Representative Manny Cruz, SEIU 509, and the Greater Boston Labor Council. She is running to further students’ college and career readiness, to strengthen our educators’ recruitment and retention systems, and to increase family engagement. To learn more about her campaign you can visit jacqueline4revere.com or find her on social media via @jacqueline4revere.

State Rep. Turco endorses Joanne McKenna for Ward 1 Council

State Rep. Jeffrey R. Turco has announced his support for Ward 1 City Councillor Joanne McKenna. The following is his statement of support:

“To the Voters of Ward 1:

I write to enthusiastically endorse Joanne McKenna for another term as your Ward 1 City Councillor.

genuineness of deliberation and her unending effort to get to the right decision. Joanne had proven she cares more about voting the right way than the popular way.

Earlier this Spring Joanne took a stand for the tax payers of Revere. In doing so, she was unfairly singled out and maligned. A project in Ward 1 was cancelled in retaliation. Yet, Joanne McKenna didn’t miss a beat and went back to work fighting for Ward 1. When others would have wilted, Joanne McKenna stood tall for Ward 1 and for what she believed to be right.

Joanne McKenna is a woman of great courage, toughness and kindness. Her love of Revere and her neighbors is what makes me proud to call her my friend and my colleague. I respectfully urge the people of Ward 1 to vote to reelect Joanne McKenna on November 7!

All my best,
Jeff Turco

REVERE DPW AFSCME LOCAL 880 EMPLOYEES AND CROSSING GUARDS ENDORSE PAUL ARGENZIO FOR WARD 4

Revere DPW AFSCME Local 880 Employees and Crossing Guards Endorse Paul Argenzio for Ward 4

The Revere Department of Public Works AFSCME Local 880 Employees and Crossing Guards recently voted to endorse Paul Argenzio for Ward 4 City Councillor. Paul Argenzio states: “I thank the Public Works Department and Crossing Guards for their strong vote of confidence in me and my campaign. It has been my pleasure and honor to be a past member of AFSCME for 37 years, as well as having served as president for 14 of those years. I take great pride in the many years of Union involvement I have experienced and shared alongside my fellow union members. If I am elected to the Council, I will continue to advocate for and support workers’ rights across the city in all unions and positions.”

Boston Carmen’s Union Local 589 endorses Rhalimi for council at-large

Alexander Rhalimi is proud to announce that his campaign for Council at-Large has been endorsed by Boston Carmen’s Union Local 589 of the Amalgamated Transit Union, AFL/CIO- CLC .“I want to extend my heartfelt thanks to the Boston Carmen’s Union Local 589 for their endorsement of my candidacy for Revere Council at Large. This endorsement means a great deal to me, as it reflects our shared commitment to the values of public transportation, worker’ rights, and community wellbeing.” Rhalimi said.

“Local 589 represents the dedicated men and women who keep our public transit system running day in and day out, Rhalimi continued. “Their hard work and dedication are essential to the functioning of our community, and I am proud to have their support. I pledge to continue advocating for the improvement of public transportation services and ensuring that the rights and well-being of transit workers are protected. Together, we can make Revere an even better place to live, work, and commute.”

Rhalimi holds a Master degree of Criminal Justice from Boston University. His educational background would be indispensable when interpreting and crafting local ordinances, policies, and regulations as a member of the city council. His knowledge can inform discussions and decisions related to public safety initiatives, law enforcement practices, and community policing. Currently the principal of Alliance Financial Group, Rhalimi’s experience in financial services provides him with a solid foundation in fiscal management and economic matters, valuable assets when it comes to the role of Councilor at-Large.

Throughout his life, Rhalimi has actively engaged with the Revere community. He has volunteered with several local non-profit organizations and has cultivated a deep understanding of the issues that matter most to residents. Local 589 is proof of that engagement and commitment; “It is with great pleasure the Executive Board and Membership of the Boston Carmen’s Union Local 589 of the Amalgamated Transit Union, AFL/ CIO-CLC, who represent over 5,900 workers at the MBTA, has endorsed your candidacy for election to the Revere City Council. The Carmen’s Union feels every fortunate to have a friend of your stature and integrity running for election. Therefore, Local 589 urges all their members and their families who live in the city of Revere to support your candidacy for Revere City Council at-Large.” said Wayne Peacock union Recording Secretary.

Rhalimi is dedicated to fostering a vibrant and inclusive community. His campaign platform is centered around key policy priorities that address the diverse needs of Revere’s residents. Rhalimi is committed to enhancing community engagement and transparency, ensuring public safety through community policing, and promoting sustainable economic development to create job opportunities. He is a strong advocate for affordable housing solutions and equitable housing policies, aiming to provide stable and affordable living options for all. Rhalimi also prioritizes education and youth empowerment, aiming to collaborate with local schools and organizations to improve education outcomes and provide meaningful opportunities for young residents.

SCHULTE GRAHAME HOSTS CAMPAIGN KICKOFF FOR REVERE SCHOOL COMMITTEE

Dr. Kathryn Schulte Grahame announced her candidacy for Revere School Committee at a campaign kickoff reception at Antonio’s On The Beach.

Campaign Manager Shannon Turner opened the program. “Katy and I became neighbors when our children were toddlers, and we quickly became friends,” Turner told the large group of supporters in attendance. “For the last few years, we have brought together the Beachmont School PTO. In two short years, Katy worked tirelessly to formalize the organization with the Commonwealth of Massachusetts as well as the federal government. Katy has been instrumental in creating change in the community by creating connections with block parties and civic engagement, and we look forward to her taking a seat on the Revere School Committee this November.”

Retiring School Committee member and former Supt. of Revere of Schools Carol Tye formally introduced Schulte Graham,

offering a strong endorsement of the candidate.

“I am very happy that I know I will be replaced by a wonderful woman who not only has two children [enrolled in the Revere public schools], but who has started the entire STEAM Program at the Beachmont School,” said Tye. “She’s a university professor at Northeastern, which is ranked as one of top 10 colleges in the country by U.S. News and World Report.”

Concluded her remarks, Tye said, “I’m just so pleased that she has agreed to run [for School Committee], and she is running wholeheartedly, and she is setting a good example of what a mother should be, of what a teacher should be, and I hope that we

will all be following her on the School Committee because her voice will be one that everyone will pay attention to, because she is the real thing.”

Schulte Graham told her supporters, “Thank you, everyone, my community, for coming out to support me. It means a lot.”

“I called my godmother for some words of wisdom tonight, and she gave me the quote, ‘Strong schools are the foundation of a strong community.’

“Schools are not only where the kids go to learn to read, to learn science, to learn English – that’s not what the whole game is,” said Schulte Graham. It’s also to make lifelong friends, and we come to know ourselves and who we are outside of our family at school. Schools are our second homes. Our teachers and friends become our second families. So, I believe that our schools, like our own homes and families, deserve our love and support. I want to help Revere build a stronger foundation. I want to make sure that our students and our teachers and those who serve in the public schools have the support and tools that they need to be successful. I will make sure that we, as parents and members of the communities have our voices heard and counted.”

“RAISE THE ROOF” FUNDRAISER CELEBRATES 45 YEARS OF COMMUNITY TRANSFORMATION

The Neighborhood Developers (TND), a local non-profit organization dedicated to community revitalization, celebrated 45 years of transformative impact at their “Raise the Roof” fundraiser. The event, held on Thursday, September 14th, was a resounding success, raising a remarkable \$260,000 to support the construction of affordable homes, elevate the voices of community leaders, and connect people with vital resources.

Massachusetts Legislature passes comprehensive tax relief package

Special to the Journal

The Massachusetts Legislature proudly passed a bipartisan comprehensive tax relief package aimed at bolstering the state's economy and supporting long-term prosperity for all residents of the Commonwealth. "I am proud to support this well-needed tax package to support working families in our Commonwealth," stated Senator Edwards (D-East Boston). The bipartisan bill includes some of the fol-

lowing tax changes that impact a lot of working families and in the 3rd Suffolk District including: **Permission for Municipalities to offer tax relief to landlords that rent below market.** Sen. Edwards, proposed legislation early this year that incentivized landlords to lower rents or continue renting below market. The tax package incorporates her language and allows cities and towns to create the tax exemption based on local needs of affordability. Working with Sen.

Julian Cyr, the tax relief further incentivizes year-round rentals. **Provides for Seniors** • Allows cities and towns to increase the senior volunteer program to \$2000. This means seniors can reduce their property taxes up to \$2000 by volunteering. • Doubles the maximum senior circuit breaker credit from \$1,200 to \$2,400. This increase will make it easier for approximately 100,000 seniors who struggle with high

housing costs to stay in their homes. **Commuter Tax Relief** Allows commuters by ferry and bike to participate in the commuter expense tax deduction. Sen. Edwards made it special point to assure ferry commuters would be included. **Child and Dependent Tax Credit:** Increases the tax credit for a dependent child, disabled adult, or seniors for the next two tax-years and gets rid off a cap on this

tax credit, making it the most generous universal child and dependent tax credit the United States. **Rental Deduction Tax** Increases the cap on how much a renter can receive in a tax credit. This change will support almost 800,000 renters in Commonwealth of Massachusetts. **Earned Income Tax Credit (EITC)** This bill increases the refundable Earned Income Tax Credit (EITC) from

30% to 40% of the federal credit. This increase will provide crucial support to working individuals and families, benefitting nearly 400,000 taxpayers with incomes under \$60,000. "We know it's hard for many families to make it. We need to be pushing as much relief forward while still being able to pay for our public goods such as the MBTA. Still, I am very proud of what we got done overall for working families" stated Senator Edwards (D-East Boston).

Healey-Driscoll Administration awards \$5.2 Million to support recycling and waste reduction

Special to the Journal

The Healey-Driscoll Administration has announced nearly \$5.2 million in grant funding to 283 municipalities and regional solid waste districts across Massachusetts. The grants, made available by the Massachusetts Department of Environmental Protection (MassDEP) through the Sustainable Materials Recovery Program (SMRP), will help communities bolster their recycling, composting, and waste reduction programs. The full list of awards is available here.

“Some of the most im-

portant environmental protection work happens every day in communities across our state,” said Governor Maura Healey. “These grants help further our collective efforts to meet our aggressive goal of 90 percent waste reduction by 2050, while also boosting local economies by investing in the waste reduction industry.”

“Residents partner with their communities to help protect the environment by recycling and reusing as much as possible,” said Lieutenant Governor Kim Driscoll. “This important funding will help municipalities implement innova-

tive programs and policies that are proven to maximize reuse, recycling, and waste reduction.”

The Sustainable Materials Recovery Program provides funding for recycling, composting, reuse, and source reduction activities that will reduce the amount of waste disposed of in landfills and incinerators. Waste prevention and recycling reduces greenhouse gas emissions by capturing the embodied energy in everyday product and packaging waste and converting it into new products. More than \$50 million has been awarded through the Program since

2010.

“Recycling programs play a vital role in limiting our dependence on landfills and incinerators, reducing greenhouse gas emissions, and supporting economic activity across our state,” said Energy and Environmental Affairs Secretary Rebecca Tepper. “These grants help communities cycle resources back into our economy and support local businesses throughout the collection, processing, and manufacturing chain.”

Funds have been awarded in several categories, including start-up incentives for Pay-As-You-

Throw programs, containers for the collection of mattresses, wheeled carts for curbside collection of food waste, equipment for the collection of mercury-bearing items, regional small-scale initiatives, and the Recycling Dividends Program.

This year, 278 communities qualified for the Recycling Dividends Program and will receive funding totaling \$3.65 million. This program recognizes municipalities that have implemented policies and programs proven to maximize materials reuse and recycling, as well as waste reduction.

Communities receiving funding must reinvest in their own municipal recycling efforts. Under the program, 15 municipalities have been awarded Recycling Dividends Program payments of more than \$50,000: Arlington, Attleboro, Boston, Brockton, Cambridge, Chicopee, Framingham, Lawrence, Lowell, Lynn, New Bedford, Newton, Quincy, Springfield, and Worcester.

“Recycling Dividends Program awards give communities the opportunity to make critical invest-

Healey Driscoll Administration announces significant improvements to Child Care Financial Assistance program

Special to the Journal

The Healey-Driscoll Administration has announced significant improvements to Child Care Financial Assistance programs in Massachusetts. Updated regulations and policies will simplify the application process for parents, reduce paperwork for families and early education programs, and better support homeless families, families with disabilities and families facing domestic violence who take advantage of this program. With these changes, the Department of Early Education and Care (EEC) is making it easier for young, working, low-income families to access the subsidies available for child care and “out of school time” education programs.

“One of the top priorities of our administration is making child care more affordable and accessible. These regulation and policy changes will help break down barriers for our low-income families and early education programs, making government services more user friendly and equitable,” said Governor Maura Healey. “We’re proud to take this important step forward that we know will lead to increased labor market participation and economic mobility for families, and support children’s school and life success.”

“In Massachusetts, we are investing in child care so that regardless of zip code or economic background, our youngest learners can access the high-quality education they need to succeed in school and life. Access to affordable child care is also an engine of the state’s economy, enabling families to participate in our workforce,” said Lieutenant Governor Kim Driscoll. “I am excited to see the impact these significant changes will bring to our state, making Massachusetts a more affordable place to live, learn and work.”

EEC has been working over the past year and a half with key stakeholders to make these significant child care financial assistance regulation changes. From the outset, EEC took on these regulation changes with the goals of centering the family voice and restructuring the agency’s operations, policies, and procedures

to modernize and improve the experience for parents and providers.

Some of the key regulation and policy changes include:

- Improving and simplifying communication with families, such as launching email and texting campaigns to reach them directly and support them throughout the process of accessing child care financial assistance;
- Reducing and eliminating unnecessary and duplicative paperwork and reporting requirements that create an undue burden for parents;
- Updating the provider employment definitions and requirements to reflect the changing nature of work, including more flexibility for hourly wage earners and those working from home;
- Waiving fees for homeless families and easing reporting requirements for individuals with disabilities or those participating in treatment for substance abuse;
- Better aligning with partner agencies like the Department of Transitional Assistance (DTA) and Department of Children and Families (DCF) to streamline processes and reduce administrative burdens for families;

• Incorporating more inclusive language that supports the dignity of receiving child care financial assistance, and is inclusive of LGBTQ+ families and families with disabilities; and

• Shifting policies to be more accessible, meaning they are written in plain language and will eventually be available in up to 14 languages.

“Our administration believes that expanding access to more affordable, high-quality early education and care is the first step to ensuring every Bay State child has access to the education they deserve, regardless of their circumstances or background,” said Secretary of Education Patrick Tutwiler. “Here in Massachusetts, we don’t just want to get ‘back’ to how things were before the pandemic—the new and updated regulation and policy changes will bring the state’s child care financial assistance program forward. With a focused intentionality on centering parents and simplifying the processes for providers, we are creating the child

care financial assistance system that students and families deserve.”

“I am grateful for the significant changes we are making to our child care financial assistance programs in Massachusetts. Through regulations and policy, we are shifting the programs to be easier and more accessible to enable families to work and support their children’s school success. Using technology enhancements and eliminating barriers, we are creating a more modern, flexible and dignified system,” said Early Education and Care Commissioner Amy Kershaw. “I want to thank the Early Education and Care Board, our early education and care programs and partners, and sister agencies who have worked collaboratively and intentionally with us to make changes that center families’ experiences and will bring greater equity and inclusion for the children and families participating in our child care financial assistance programs.”

EEC’s willingness to bring together state policy leaders and early education and out of school time providers through ongoing working sessions has demonstrated the agency’s commitment to ensuring an inclusive, equitable and family-friendly subsidy system. For Kids Only Afterschool is incredibly grateful for the opportunity to collaborate with EEC staff and statewide colleagues on the future direction of subsidy policies and procedures. We are excited for the upcoming changes and to provide greater access to high quality early education and out of school time programming for children and families across the state,” said Briana Flannery, Deputy Director of For Kids Only Afterschool.

“Horizons has been excited to participate in the collaborative process with the EEC and other child care providers to simplify, modernize and expand access to child care financial assistance. These changes will particularly have a positive impact on child care access and affordability for families experiencing homelessness. The culture shift currently taking place at EEC, creating more family centric solutions which accommodate the reality and complexity

of working family’s lives, is a welcome change,” said Kate Barrand, President & CEO of Horizons for Homeless Children.

The state’s Child Care Financial Assistance programs are funded federally through the Child Care and Development Fund (CCDF) and by the state level through multiple EEC line items. This year, the Healey-Driscoll administration and the legislature delivered \$778 million towards child care financial assistance, an increase of \$60 million over FY23. Currently, 58,000 children and their families access child care with the support of state financial assistance. Nearly 4,500 early education and child care centers partner with the Commonwealth to provide care to low-income or subsidized students, which is 56% of the licensed early education and care programs in the state.

“The Board of Early Education and Care was proud to vote to adopt these updated child care financial assistance program regulations. These significantly improved regulations will serve as the foundation for the programs and set the tone for what we know these programs can and will be – equitably supporting families to afford and access high-quality early education and care across the Commonwealth. I am grateful for the Board, the Healey-Driscoll Administration, and our partners efforts and the direction that Massachusetts is moving in,” said Paul Bel-sito, Chair of the Board of Early Education and Care.

“For some families who rely on child care while they work, finding appropriate, high-quality care can be difficult. I am grateful to EEC for their efforts to support families and eliminating administrative barriers to a service that can make such a difference for children and their parents. By streamlining this process through the Department of Children and Families and the Department of Transitional Assistance, we are reducing the burden placed on people to provide information to apply for services for which they are already qualified, expediting their access to the child care they need,” said Secretary of Health and Human Services Kate Walsh.

ments in their recycling programs – ultimately capturing more materials that can be recycled or reused, and helping them to reduce their waste disposal costs,” said MassDEP Commissioner Bonnie Heiple. “This is another example of MassDEP’s commitment to building strategic partnerships with our local communities to build a more sustainable future.”

Pay-As-You-Throw, a program where residents purchase pre-printed bags, stickers, or tags for trash disposal to pay directly for the amount of waste generated, is a proven waste reduction strategy that continues to be a priority for MassDEP. Funds were awarded to five municipalities and totaled more than \$1 million. This includes

awards between \$150,000 and \$300,000 each for Arlington, Marshfield, North Attleborough, and Westborough.

Funding for Universal Waste Sheds were awarded to eight communities for their drop-off facilities for the collection of mercury-bearing items; \$5,000 was awarded to each municipality. MassDEP also awarded \$110,000 to 11 municipalities for mattress collection containers to facilitate residential mattress recycling at their drop-off facilities; \$10,000 was awarded to each municipality.

Wheeled-cart grants for the curbside collection of food waste were awarded to the City of Medford in the amount of \$105,000 for a new town-wide collection program.

The towns of Nahant and Norwood also received funding for a curbside food waste collection pilot program, at \$2,100 and \$10,500, respectively.

Finally, a grant for \$250,000 was awarded to the South Shore Recycling Cooperative – representing 12 South Shore towns – for the establishment of a permanent household hazardous waste facility based in Hanover.

“We have big climate goals in Massachusetts and achieving those goals will take a continued partnership between state government and our municipal partners throughout the Commonwealth, which is exactly what we see with these grants,” said State Senator Becca Rausch (D-Needham). “As the Senate Chair of

the Joint Committee on Environment and Natural Resources and through collaboration with my Small Business Advisory Council, I’ve heard that towns and businesses need these financial supports to implement green infrastructure upgrades, including today’s \$5.2 million in SMRP grant funds, the ‘Green the Garbage’ composting pilot program I secured in this year’s budget, and more. Congratulations to the 283 municipalities and regional solid waste districts receiving grant awards, including most towns throughout my district, and thank you for furthering the Commonwealth’s collective effort to reduce waste through recycling, composting, and other mechanisms.”

“The Sustainable Ma-

terials Recovery Program grants increase and support local recycling efforts, composting, reuse, source reduction, program development, and enforcement activities that increase diversion from our landfills and reduce disposal,” said State Representative Daniel Cahill (D-Lynn), House Chair of the Joint Committee on Environment and Natural Resources. “This funding helps us in our efforts to mitigate and reduce the amount of waste disposed in landfills and incinerators. Waste prevention initiatives also reduce greenhouse gas emissions by capturing the embodied energy in products and packaging waste and converts it into new sustainable products. These initiatives are vitally important to our communi-

ties and future.”

More information about the Sustainable Materials Recovery Program can be seen here.

MassDEP’s mission is to protect and enhance the Commonwealth’s natural resources – air, water and land – to provide for the health, safety and welfare of all people, and to ensure a clean and safe environment for future generations. In carrying out this mission, MassDEP commits to address and advance environmental justice and equity for all people of the Commonwealth; to provide meaningful, inclusive opportunities for people to participate in agency decisions that affect their lives; and to ensure a diverse workforce that reflects the communities we serve.

IMPORTANT ELECTION INFORMATION

*from the Revere Firefighters
of Local 926*

For Revere Firefighters, the choice is clear... **Vote Keefe for Mayor!**

Residents of Revere, we are asking for your help.

We have endorsed Acting Mayor Patrick Keefe in the November Election, and are asking you to join us in keeping Revere safe and moving forward. Since becoming Acting Mayor, **Patrick Keefe has ensured that Revere Firefighters have the resources to protect the citizens of Revere.** Acting Mayor Keefe has approved the purchase of 3 new fire trucks, continues to hire additional firefighters and ensures adequate resources are always available. Acting Mayor Keefe has an open door policy with the department and its members.

Patrick Keefe's commitment to ensuring the highest level of public safety makes him the best choice for Mayor this November.

Acting Mayor Keefe has done more in 6 months to support your firefighters than former Mayor Rizzo did in 4 years. Under the Rizzo administration, staffing was reduced, resulting in numerous temporary Fire Station closings. This decreased the safety of our residents by creating longer response times to emergencies. Reduced staffing placed the lives of citizens as well as firefighters in danger.

Dan Rizzo is not a leader for Public Safety.

Please help support us so we can better protect you!

Vote Patrick Keefe on Tuesday November 7th, 2023
